David K. Miller has teamed up with Torah scholar and Kabbalist expert Mordechai Yashin, who resides in Jerusalem, Israel, to bring you *A New Tree of Life for Planetary Ascension*, which is based on unique lectures and classes David and Mordechai gave over an eight-month period between 2012 and 2013. It functions as a manual explaining the Kabbalistic Tree of Life and the Arcturian Planetary Tree of Life, which is an expansion of the concepts contained in the Kabbalistic tree. The idea behind the Arcturian Planetary Tree of Life is to demonstrate through a paradigm shift how planetary energies can be used to rebalance our planet. The basic assumption is that Earth is currently unbalanced due to a variety of factors, including environmental contamination, global warming, and usage and extinctions of forests and ocean life on a mass basis. It must be pointed out that David has been working with the Arcturians to further upgrade the Planetary Tree of Life. This upgrade includes one completely new sphere that relates to the ascension and to the fifth dimension. This new sphere will be described in detail to explain how to use the new energy. Includes: Great pictorial descriptions of the Hebrew letters Detailed Kabbalistic map and paradigm of the Tree of Life Hebrew terminology and numbers relating to the Tree of Life Featured channelings through David K. Miller

and someone else is building on it. But each one should be careful how he builds. 1 Corinthians 3:9-10 When someone starts to build a house, he first lays the foundation on which the rest of the house will be built. If the foundation is not built correctly, the rest of the building will be compromised, affecting not only its immediate use but also its longevity. The previous scripture states that the church must also lay a good foundation in new believers. The Bible contains specific teachings that form the foundation of the Christian faith. To overlook even one of these teachings will affect how we perceive the rest of the Christian faith. An obvious example is to teach judgment without mercy, a teaching which causes the church to be legalistic. However, to teach mercy without judgment causes the church to give license to sin. Both teachings are essential, for the one teaching balances the other. When a person accepts Jesus as his Savior and Lord, most churches place the person in their ongoing programs, with the hope that he will grow. However, a new believer does not share the foundational truths that mature Christians have. The minister may make statements which out of context will appear harsh, but are not harsh when placed in the context of other accepted teachings. For this reason, the church must give new believers a foundation which will allow for a balance, in regard to the teachings to which they will be exposed. Basic Discipleship 101 is written to give new born believers the foundation on which they can build their Christian faith. In this collection of studies, we will examine what it means to become a Christian, identify the principle players in salvation, and examine the elementary truths on which the sermons they will be exposed to will be built upon. Welcome to Basic Discipleship 101.

Just like humans, each type of animal has its own soul purpose on Earth. Birds, fish, insects and reptiles are on their own spiritual journey. Some animals incarnate in service to humanity, while others serve the planet or are here to grow spiritually through life on Earth. The souls of animals, like the souls of humans, come from different stars or planets, even from different universes. In this book, which features unprecedented teachings on the animal realm, Diana Cooper shares fascinating channelled information about the soul missions and service work of many of the creatures of the world. We discover the various planets or stars from which they originate and what they come to Earth to learn or teach. As well as comprehensive material about the creatures with whom we share the planet and the particular angels they work with, this incredible book contains visualizations to connect with them and prayers to help them all. The Archangel Guide to the Animal World will expand your consciousness and help you see to the animal world with enlightened eyes. The Archangel Michael spoke. And so they came: the Archangel Gabriel, the Archangel Raphael and sharing the fourth place, the Archangels Uriel and Metatron, each of them sharing their views on such topics as Deserving, Celebration, Forgiveness, Uniqueness, Acceptance and more. Archangel Gabriel generally used the Element of Air or Mind as his viewpoint; he addresses Forgiveness as "A Factor of the Mind;" through the Element of Water or Emotion, the Archangel Raphael spoke on "Healing Through Celebration." The Archangel Uriel often chose the Element of Fire/Inspiration such as when he conversed on "The Soul's Courage" while Metatron draws on the Element of Earth or Practicality with "The Gestation of Peace" during the Commencement talk. The Archangel Michael encourages Acceptance by beginning "With the Love of Archangel Michael" The Love and inspiration of these High Bright Beings brings encouragement, upliftment and a-ha moments for each of you.
