Be the master of your fear and you can rule over your life. Fear is the only obstacle between you and your dreams, between you and what you most love. So says Archangel Raphael, who, in this series of channelings, unravels the mysteries of fear and, through its darkest paths, guides you step by step up to the glade of love. He helps you tear away fears masks one by one till you come to know its real face; only then does he teach you the ways to transmute it into love, thus eliminating its disastrous implications. According to Archangel Raphael, fear shows that somewhere in the deepest part of your being, you have chosen hatred versus love, and your life cannot have real meaning. Only when your fear is transformed can real life happen to you. The end of your fear will signal the beginning of your life. Until that day comes, you will have just lived in a lie, in an illusion. I am only asking you to give me your fear, Archangel Raphael adds, and I will give back to you your love, the most precious gift you ever had.

Whether it's a life-threatening condition, a painful injury, or an annoying health issue, Archangel Raphael is able to heal it! Dreams are gateways to other worlds, times, and planes of existence. You'll gain tools to enhance your dreamtime journeys, including techniques for creating your own dreams and improving your recall upon awakening. In addition, you'll learn to identify the different types of dreams by reading personal stories and interpretations that will help you decode your dream messages.

When Doreen and her son Grant Virtue were recording podcasts, they noticed that whenever she said the word angel,

the recording graphics were shaped like angel wings! So they studied the other words she said and realized that those with a spiritual or loving basis had large graphs. So they experimented with saying negative words and found that their appearance was completely different: tight and small. Similar to Masaru Emoto's work with water crystals, Angel Words gives visual proof of the power and impact of speaking in a loving way. You'll come to understand why positive words express the most energy and therefore have the most power to manifest your dreams. You'll also see how negative words have low energy and read how they can actually draw negative experiences to you. This unforgettable book will immediately motivate you to choose positive words!

When Doreen Virtue visited Santorini Island in Greece recently, she was contacted by a powerful group of angels calling themselves the "angels of Atlantis."
