Curious about past-time clairvoyance and clairvoyance of distant scenes? Interested in developing your astral senses and gaining personal psychic influence over others? Then join Swami Panchadasi for twenty lessons in developing the outstanding powers of mentalism! Prepare for your own adventure into worlds beyond our everyday perceptions with Swami Panchadasi's Clairvoyance and Occult Powers. First published in 1916, this metaphysical classic by occultism pioneer William Walker Atkinson's guru Swami Panchadasi (who, it turns out, was actually Atkinson writing under a pseudonym) offers training for anyone to master a range of telepathic talents. From crystal gazing to clairvoyant reverie, psychic healing to astral travel, transference, and psychometry, the lessons are sure to delight student and adept alike. The introduction by Clint Marsh, author of The Mentalist's Handbook, takes us into the strange and multi-faceted life of William Walker Atkinson, a turn-of-the-century occultist, and a real Guru's guru! A powerful book of knowledge, Clairvoyance and Occult Powers will confound and enchant readers today as it did nearly 100 years ago.

Having clear boundaries is essential to a healthy, balanced lifestyle. A boundary is a personal property line that marks those things for which we are responsible. In other words, boundaries define who we are and who we are not. Boundaries impact all areas of our lives: Physical boundaries help us determine who may touch us and under what circumstances -- Mental boundaries give us the freedom to have our own thoughts and opinions -- Emotional boundaries help us to deal with our own emotions and disengage from the harmful, manipulative emotions of others -- Spiritual boundaries help us to distinguish God's will from our own and give us renewed awe for our Creator -- Often, Christians focus so much on being loving and unselfish that they forget their own limits and limitations. When confronted with their lack of boundaries, they ask: - Can I set limits and still be a loving person? - What are legitimate boundaries? - What if someone is upset or hurt by my boundaries? - How do I answer someone who wants my time, love, energy, or money? - Aren't boundaries selfish? - Why do I feel guilty or afraid when I consider setting boundaries? Dr. Henry Cloud and Dr. John Townsend offer biblically-based answers to these and other tough questions, showing us how to set healthy boundaries with our parents, spouses, children, friends, co-workers, and even ourselves.

Combine meditation and magic to develop your natural spiritual power through the change of consciousness. A must-have textbook for wizards, energy healers, and spiritual developers to help you achieve your wishes. Open your wizard's eyes- the so-called spiritual power is how to contact and interact with subtle energy. Spiritual power and magic are actually the same thing, because before you can use magic, you must first develop your spiritual power and perceive energy in order to practice, control, and use this energy steadily.

A complete training course in the ancient Tantric and Western techniques of clairvoyance that will allow you to manifest love, happiness, health, knowledge, wealth, spirituality, and more. Acorns delineates the future of humanity as a reunification of intellect with the Deep Self. Having chosen to focus upon ego (established securely by the time of Christ), much more beta brain wave development will destroy our species and others, which process has already begun. We create our own realities through beliefs, intents and desires and we were in and out of probabilities constantly. Feelings follow beliefs, not the other way around.

Science is confirming what ancient wisdom has always asserted—that reality is far more complex than we have imagined, and that our individual potential is far greater than we have believed. In this time of expanding consciousness, the new frontier—the gateway to spiritual growth and self-empowerment—is through the astral realm. Astral Projection for Psychic Empowerment introduces you to the real-world benefits that come from exploring the astral plane. Learn controlled, self-induced astral projection and reach beyond physical limitations to new sources of

knowledge. Live and love more fully than you have ever thought possible by tapping your immense unconscious powers and integrating them into your conscious experience. Delve into the pages of this fascinating book and learn to: Induce an out-of-body experience Safely visit astral realms Explore past lives Communicate with guides and entities Interpret the aura for health and healing Create powerful thought forms Practice astral sex Expand your psychic awareness Achieve your goals Understand psychokinesis and the power of your mind This comprehensive guide includes true case studies of astral projection, scientific test results from laboratory studies, and a seven-day developmental program designed to unleash your highest potential.

Squire Squire and the Journey to DreamState, my 394-page, 96,729-word novel, is a semiautobiographical story of growing up geeky in the last innocent time when all the basketball players had hopes and none of the gangs had guns. Squire Brooks is a precocious nerd whose only awareness of the transitions in his neighborhood of Compton, California, in the '60s is the opportunity to chuck stones at the increasing number of For Sale signs in the yards of his white neighbors. His father's deepening involvement in civil rights creates increasing chaos in his home, where Squire writes his short stories and daydreams. Adolescence brings peer-driven lessons about girls, puberty, girls, bullies, and girls as he navigates the temptations during his elementary, junior high, and high school years. Squire's daydreaming has developed into an imaginative mechanism that frees his mind from all the chaos and allows him to escape to a dream state whenever he writes. After graduating from high school and on a road trip with his dog, Julius, Squire meets Octavia Steves, who teaches him that his dream state is actually a form of meditation that could help him become the writer of his dreams.

Rainbow Reiki is a proven system of complex energy work. The basis of Rainbow Reiki, a successful combination of old and new methods, is the Usui System of Reiki. Rainbow Reiki expands the Usui Reiki system through highly developed techniques of energy work and provides possibilities of working directly with subtle beings as teachers. Therefore, this book offers a wealth of possibilities to achieve completely new and different things with Reiki than taught in the traditional system.

Collects Doctor Strange (1974) #47-57, Marvel Fanfare (1982) #6; material from Crazy (1973) #88, OHOTMU (1983). This Halloween, the Marvel Masterworks cast an enticing spell with the newest volume of Doctor Strange! All-time great writer Roger Stern joins a host of the best artists ever to draw the Master of the Mystic Arts. The result? Pure magic. The tales in store feature the return of classic enemies such as Nightmare, Baron Mordo and Dormammu; introduce Morgana Blessing; team Stephen Strange with Brother Voodoo; draw Clea into a war for the Dark Dimension; and send Strange back in time - both to ancient Egypt alongside the Fantastic Four and to World War II with Nick Fury! Painstakingly restored and packed with extras galore, this amazing tome honors one of greatest eras in Doctor Strange's history.

"The Chalice of Mystery" records the deeds of heroes and legends of Donothor. The chronicle occurs three hundred years after the fall of the sorcerer of the Lachinor Morlecainen and his daughter Chalar and seven centuries before the Deathquest to Parallan. The Aivendar family has wisely and justly ruled Donothor, but fantastic creatures roam the land and large areas of Donothor remained unexplored. The Light Sorceress Knarra keeps an uneasy eye toward the Iron Mountains, the imposing eastern border to the growing civilization, and the Lachinor, the great swamp to the south. Attacks by an unlikely alliance of creatures from the Iron Mountains shatter the fragile peace and terrorize Donothor. Knarra enlists the mysterious Dark Sorcerer Roscoe, the dwarves of Hillesdale, a red-haired elf, a legendary dwarfish fighter, and the Rangers of Lyndyn to battle the alliance of red giants, ice giants, ogres, two-headed Ettins, troglodytes, dragons, and stranger ilk. A relic of evil rests in the Iron Mountains. What role does the artifact play in the future of Donothor? What evil unites the denizens of the Iron Mountains?

JOURNEY THROUGH THE SOL is a remarkable and telling story of one woman's journey from her early years as a child, to training as a white sorcerer's apprentice, to working with the Ascended Masters and finally being initiated by the Solar Trinity. These adventures lead her down a magical path of personal discovery through trials, initiations, dreams and visions to reveal her true nature and relationship with the Universe, God and her soul's purpose and mission in life. Her insights into this realm are priceless for those seeking to remember and understand the blueprint of their own soul's journey through the stars. Journey Through the Sol provides a blueprint for exploring your Life, Dreams and Soul Mission, with beautiful messages from Divine Mother, the Ascended Masters and the Andromeda Collective.
