to succeed and thrive. This is actually diverse when it comes to its magnitude in order to give information and inspiration to the followers. In fact there are various ways where people can use it in their lives. Find details in this book.

The modern world is passing through a time of critical change on many levels: cultural, political, ecological and spiritual. We are witnessing the decline and dissolution of the old order, the tumult and uncertainty of a new birth. Against this background, there is an urgent need for a coherent framework of meaning to lead us beyond the growing fragmentation of culture, belief and personal identity. Keiron Le Grice argues that the developing insights of a new cosmology could provide this framework, helping us to discover an underlying order shaping our life experiences. In a compelling synthesis of the ideas of seminal thinkers from depth psychology and the new paradigm sciences, Le Grice positions the new discipline of archetypal astrology at the centre of an emerging world view that reunifies psyche and cosmos, spirituality and science, mythology and metaphysics, and enables us to see mythic gods, heroes and themes in a fresh light. He draws especially on the work of C. G. Jung, Joseph Campbell, Richard Tarnas, Fritjof Capra, David Bohm and Brian Swimme. Heralding a 'rediscovery of the gods' and the passage into a new spiritual era, *The Archetypal Cosmos* presents a new understanding of the role of myth and archetypal principles in our lives, one that could give a cosmic perspective and deeper meaning to our personal experiences.

Astrology Yoga: Cosmic Cycles of Transformation is the first comprehensive book on the practice of Yoga using the ancient science of Vedic Astrology, or Jyotish. Written for yoga practitioners with a limited knowledge of astrology, *Astrology Yoga* explains the dynamic relationship between these two ancient Vedic sciences. You will learn about your yogic Sun sign and Moon sign, the specific karmic issues in your life, the most appropriate yoga practices based on your birth date, and the most beneficial times to do your yoga practices. Astrology and Yoga are explained in connection with the chakras, the nadis (energy channels), the koshas (levels of existence), and Patanjali's Eight Limbs of Yoga. The major yoga practices of asanas, pranayamas, mudras, mantras and meditations are correlated with your astrological makeup so you can discover which techniques are best for you. Mehtab Benton is a life-long practitioner and teacher of Yoga and a certified Vedic astrologer. He has trained hundreds of yoga teachers and given astrological readings to spiritual seekers worldwide. He is the author of *Gong Yoga: Healing and Enlightenment through Sound*.

In our lives at some point of time we may come across certain situations which may take our peace of mind in order to move ahead or get rid of that rut. This all happens due to our past Karmic influences. As a human being in spite of all efforts, we are stuck there and helplessly looking for someone to lend their hand to come out of it. But very few people come to us at that point of time to help us and many times we need to undergo severe pains and sufferings to move forward. Here comes the astrology the divine cosmic science which helps us to read and understand our karmic structure through the natal horoscope chart. In order to understand our karma either we need to go to an astrologer or one has to learn by themselves to read the chart. The future predicted by the astrologer may come true or not depending on several factors of your birth details and knowledge of the astrologer. So for those who want to analyze their chart by self-learning is very helpful. But astrology is not an easy science to learn for a novice without some support. This book is firstly and most importantly a conversation with you dear reader. I would like to reintroduce to you the science of Numerology. It does not predict anything which is void of hard work. It does not propagate superstition. It only takes you to a journey where every incident has a scientific and cosmic reason. Numerology prepares you for hardships to come, teaches you the ways to endure, and motivates you to keep on the journey to achieve your goals. Somehow people believe that Numerology is for those who are uneducated and practiced by those who did not really achieve anything in life. Well sorry for the bummer in advance- I am a successful Software Engineer currently working in the USA for a world renowned firm; I have a beautiful family and along with my full time job I enjoy & practice my innate passion for Vedic Astrology & Numerology. approaches to healing that dominate modern medicine today. In this comprehensive exploration of the celestial influences that underlie health and healing, Jennifer Gehl, with Marc Micozzi, examines how ancient and modern traditions of healing interconnect through the doctrine of signatures, "As above, so below". She reveals how one's celestial nature--the arrangement of the cosmos at the moment of birth--has implications for personal health and how each sign of the zodiac corresponds to parts of the body, the chakras, and specific plants, herbs, colors, and emotions. She explains how sound re-arranges forms according to the principles of harmony, leveraging not only the human self-regulating capacity to restore health but also that of the Earth to restore balance and harmony. Also explored are the recurrence of geometric forms in nature and how to apply this knowledge in sound healing and medical astrology. Weaving together the threads of ancient science and spirit that formed the original tapestry of medicine, Gehl explains how to restore the cosmic foundations of healing for personal, planetary, and universal health and wellbeing.

ABOUT THE BOOKAbout NumbersMicroscopy of Numbers and Zodiac Signs deals with science of numbers and the zodiac signs. It is a cosmic Science, which reveals, the hidden mysteries of numbers and zodiac sign. Its origin can be traced to earlier times, when a person first began to identify various causes, in his immediate behavior, environment, and his nature of controlling over his temperament. Research and deep studies done in the past have revealed that every number has a different characteristic and has different occult significance with very specific power. This power of difference n numbers has reflected not only a distinctive character on the basis of their qualities, with the cosmic force, and influencing the laws of nature by governing them in different ways.Now when this number is in similarity or harmony with the prime or birth number of any other person, he experiences a better understanding and relationship with that person. According to the theory of numerological only a name and its birth number rule a person. He would face grand opportunities and severe difficulties in life in accordance to the influence of numbers manipulating in his lives. Presently its popularity continues to grow, and Numerology columns appear regularly in leading newspapers magazines and fancy literature. More and more Numerologists are consulted regularly for almost everything from personal problems to romance, to business. As the growing world becomes more powerful and computerized and is largely dependent on numerical systems, the fascination with this ancient spiritual science grows quite rapidly.Numbers are the universal means of understanding and communication with each other. And while languages vary from culture to culture, the meaning of numbers do specify the meaning of words. In Numerology, each letter is associated or assigned with a number, and each number carries its own distinct personality. Hence, the numbers associated with any word can convey deep messages to all, without having any communication with them. Numerology is the study of numbers, or the art of numbers and the manner in which they reflect certain aptitudes and character tend to speak of each letter. Each letter has a numeric value that provides a related cosmic vibration. The sum of the numbers in your birth date and the sum of value derived from the letters in the name provide a power of vibrations. These numbers show a great deal about character tics, purpose of life, which motivates, as to where the talents may lie. Experts in numerology use the numbers to determine the best time for major events, actions, positive moves and movement in life. Numerology on the other is often used as a useful tool to decide

Ever sensed you've lived before or felt you knew what it's like to be the opposite sex? Amy Shapiro shares true stories of 40 'Dual-Gender' souls who discovered past lives as their opposite sex, and how those insights clarified and resolved present-life issues and problems. With healing as a common result, their stories reveal universal truths about us all. Cases contributed by colleagues also shed light on *Past Life Therapists* and the lives they touch.

Isabel Hickey, known as "Boston's Spiritual Sparkplug," began her journey in the 1930's and became a gifted Astrologer, healer, author and Western mystic, combining occult wisdom, a devotional heart and deep understanding of the Bible, in a quest to awaken consciousness. *IT IS ALL RIGHT* is a balm for weary souls who want to understand life's enigmas and apply the wisdom of Eastern mysticism to Western culture. In it, she explains how to protect yourself if dealing with psychic forces, to align with your bright Higher Self, transmute negativity, and gain inner peace and energy. Her teachings help seekers evolve beyond the world of appearance through the power of positive prayer, creative visualization and much more. Isabel, "Issie" to many, was praised by thought leaders, including Elizabeth Kubler-Ross, and the in the book "Meetings With Remarkable Men and Women." Just as special was praise by readers from around the world who wrote about *Is ALL Right*: "It carries a healing force within its pages." M.G., New York, USA "It's so inspiring; I was depressed, and it helped lift the cloud." H.J. from Sussex, England "I found such love and beauty within the pages, after years of unhappiness, I found the spiritual path ... or it found me. M.H., from Ontario, Canada "The only thing that made sense of all this pain was the words in *It Is ALL Right*." P.H., Fort Worth, Texas, USA This republication was lovingly prepared by her protegee, Amy Shapiro, of Gloucester, MA, who co-authored "Never Mind" with Isabel and Jay Hickey, as well as "Your Cosmic Blueprint: A Seeker's Guide" report, based on Isabel's classic text, "Astrology: A Cosmic Science" with Helen Hickey. This edition is also thanks to the support of Isabel's grandson Donald and his beloved wife June. To learn more, visit NewAgeSages.com May your journey begin!

Like the prostrate pilgrim on the front cover—with his head protruding through the vault of heaven to discern the working of the cosmos—humanity has for many centuries employed astrology to penetrate the mystery of the stars' relationship to human destiny. Based on decades of research into both astrological reincarnation and the history of astronomy/astrology, *The Astrological Revolution* unfolds this mystery. The reader is invited to call into question the basis of modern astrology. This basis, the tropical zodiac, emerged through Greek astronomers from what was originally a calendar dividing the year into twelve solar months. The fact that ninety-eight percent of Western astrologers use the tropical zodiac means that contemporary Western astrology is based on a calendar system that does not reflect the actual location of the planets against the background of the starry heavens. In other words, most astrologers in the West are practicing a form of astrology that no longer embodies the reality of the stars. What is needed to bring astrology (which means the "science of the stars") back into alignment with the stars in the heavens? The first step in an astrological revolution that leads to true astrology is to recognize the sidereal zodiac (sidereal meaning

"related to the stars"). In antiquity, the Babylonians, Egyptians, Greeks, Romans, and Hindus used the sidereal zodiac, and today Hindu (Vedic) astrologers still use the sidereal zodiac. Based on recognition—through the newly discovered rules of astrological reincarnation, that the sidereal zodiac presents an authentic astrological zodiac—a new practice of astrology is possible that offers tools to reestablish a wisdom-filled astrology in the modern world. This new astrology, based on the sidereal zodiac, is similar to the classic sidereal form but in a modern form, as that practiced by the three magi, who—prompted by the stars—journeyed to Bethlehem two thousand years ago. Drawing on specific biographical examples, *The Astrological Revolution* reveals new understandings of how the starry heavens work into human destiny. For instance, the book demonstrates the newly discovered rules of astrological reincarnation through the previous incarnations of composer Franz Schubert and his patron Joseph von Spaun—respectively, the Sultan of Morocco, Abu Yusuf Ya'qub, and his erstwhile enemy, Alfonso X, the Castilian King known as "El Sabio" (the Learned), along with their sidereal horoscopes. Rudolf Steiner's biography is also considered in relation to the sidereal zodiac and the rules of astrological reincarnation. After reestablishing the sidereal zodiac as a basis for astrology that penetrates the mystery of the stars' relationship to human destiny, the reader is invited to discover the astrological significance of the totality of the vast sphere of stars surrounding the Earth. *The Astrological Revolution* points to the astrological significance of the entire celestial sphere, including all the stars and constellations beyond the twelve zodiacal signs. This discovery is revealed by studying the megastars, the most luminous stars of our galaxy, illustrating how megastars show up in an extraordinary way in Christ's healing miracles by aligning with the Sun at the time of those miraculous events. *The Astrological Revolution* thus offers a spiritual—yet scientific—path of building a new relationship to the stars.
