Some consider him the father of modern astrology: in the early 20th century, prominent British astrology Alan Leo opened up the secrets of divination by the stars to the general public with his line of "Modern Astrology" manuals, a popular series of books that set off a craze for horoscopes that continues to this day. Here, in this 1915 guide to the red planet, Leo explains the power of Mars over the zodiac-and over the human spirit-from its sway over the conscience to its command of the passions. How does Mars stimulate greed, stir the martial senses, and inspire rage? Leo explains the strange rule of the planet of war over us all. ALSO FROM COSIMO: Leo's Symbolism and Astrology: An Introduction to Esoteric Astrology British astrologer WILLIAM FREDERICK ALLAN (1860-1917), a.k.a Alan Leo, published Astrologer's Magazine as well as a line of astrological materials; he founded the Astrological Lodge of the Theosophical Society in 1915.

These lectures, first given between 1930 and 1938 in Vienna, in 7 'Sequences' comprise a college level curriculum. It has earned praise by Astrologers at Kepler College of Astrology, International Academy of Astrology and American Federation of Astrologers. Ronald Davison who met Adler in London, wrote that Oskar Adler was as near to being 'a Complete Man' as anyone he'd ever met. That quote became the subtitle to the biography: "Dr. Oskar Adler: A Complete Man, by Amy Shapiro, M. Ed., based on 22 years research on Dr. Adler's life. Oskar Adler's lessons welcome new students, and challenge seasoned astrologers. As he explains: "This is the work of a searcher, for all searchers filled with a pressing desire for knowledge regarding the meaning of their existence within the immeasurable and unimaginable greatness of

Introduction to: ESOTERIC ASTROLOGY - VOL. 6 Colloquialisms and Clichés By Dr. Douglas M. Baker This volume is a unique dictionary of permutations in the form of colloquial sayings and clichés, translated into their astrological equivalents. A very valuable reference work for those interpreting astrological charts. The modes of expressing a language may indicate powerful subjective forces at play deep in the unconscious structure of the Race using that language. This is particularly true of English which has become the international language, for reasons not entirely connected with political developments. The virility of the Anglo-Saxon sub-race is based largely on esoteric foundations as anyone will soon find if he studies a simple handbook of Theosophy. Idiomatic language reflects the character of the people expressing it and releases numinous energies from their unconscious. Anyone who understands the significance of the mantram, of invocations and words of power will quickly apprehend the energies that lie packaged with proverbs, which themselves are surfacings of racial wisdom. Energy and meaning underlie words as much as they do images and thoughts. Equally so, the incessant use of certain phrases exhausts their associate energies and degrades them to the level of shallow inanities which we call clichés. The cliché is resorted to by those who are in a hurry to express something or who are mentally lazy or ill-equipped in the language itself. Their frequent usage "shows him up" (cliché), and anyone watching television in which an interview is suddenly thrust upon a trade union leader knows what this does for the latter's image (I choose

my words with care). Phrases like “at this moment in time” and other banalities such as “the point is” render the interview a farce, and its impact becomes negligible. Nevertheless, the cliché does indicate that the Race is trying to express again and again certain elements of its unconscious. By allocating appropriate astrological glyphs to the cliché being expressed, we can soon come to recognise the qualities of those underlying archetypes. This is as true for the individual as it is for the Race. Collective unconscious ??????? Archetypes ? Deep (racial) unconscious ????? Myth, legend and fable ? Individual’s Soul’s purpose ???? Precepts ? Superficial (racial) unconscious ?? Proverbs ? Individual’s personal ????????? cliché, unconscious conversationism & colloquialism By correlating any of the above with the appropriate astrological aspect for it, related meanings and energies lying deeply or superficially in the native’s unconscious or openly in his personality are quickly revealed. The deeper structures, when they are related through their astrological aspect directly to the Rising Sign and its esoteric ruler, etc., are indicative of the native’s Soul’s purpose. Permutations of any aspect reveal meanings covering the whole range of a person’s nature, from the level of his Soul right through to the components of his personality, from psyche and Self to ego. Douglas M. Baker England, April 1980

The Full Moons is an exploration of the Sun the Moon, the Truth and their interrelation, and it is the culmination of over ten years of letters the author has written on esoteric astrology. A compendium of topics in esoteric astrology, it explores the emerging universal spirituality, gradually unfolding through the current decades as seen from the perspective of topical world events, even though the principles investigated therein are timeless. The twelve astrological signs each give a unique insight into various aspects of spirituality, and each one has its own story to tell on the great evolutionary path of the soul. Because the soul is so dear to us, even though the subject matter of the book is esoteric in its presentation, there is something in its pages for everyone, whether or not you have an astrological background. Ultimately, this book can be used as reference material for the times of the full moon each month and for specified times in between. The book is extensively indexed for ease of reference and it contains abundant reference material in the appendices, along with a glossary of esoteric terminology. "This book presents the ancient Hindu astrology in its occult and esoteric aspects. Traditional practitioners often failed to defend the veracity of the subject and dispel the scepticism of modern intellectuals. The ancient revelations have been restated here to meet contemporary requirements. The ancient seers presented Vedic Astrology under various assumptions and in allegorical and symbolic languages. They assumed polydimensional extension of human consciousness which was closely related with planetary impulses. Apart from the general approach to this ancient science, the study presents in depth the astrological description of the nature of man. It also provides deeper implications of various planetary combinations. Advanced practitioners as well as general readers will find the book informative, illuminating and highly rewarding.

Introduction to: ESOTERIC ASTROLOGY - VOL. 8 THE SOUL’S PURPOSE, CASES 17 -33 By Dr. Douglas M. Baker This very important work is based on an analysis of the horoscope, placing emphasis on the Rising Sign as it expresses the Soul’s Purpose and its nuances. Thus, the universal approach is yet maintained but brought to bear on the specific or existential features of the individual’s horoscope. Via 17 detailed analyses in this volume, the earnest student or professional astrologer is given in-depth information regarding Karma, previous lives, chakras, myth, objects for meditation, the Ray of the Soul and of course, the Soul’s purpose for the personality. (Vol. 7 treats cases 1 – 16.) The introductory section explains: Symbols and Methods used Planetary Rulers Chart Interpretation Permutations in Basic Symbols Compound Complexes The Rising Sign House Cusps Sun — Earth Opposition Astrological Parsing Literal Parsing Aspects Use of Angular Aspects Planet — Sign — House Influences Intercepted Signs Retrograde Planets Karmic Indications in the Horoscope Whilst esoteric

astrology is primarily concerned with the hegemony of the soul as it progressively asserts itself in the life of the individual, it is also capable of providing the personality with direction and useful advice. When we are dealing with Man on the Path, a far, far more accurate an interpretation of his situation, its potentials and limitations for expression is given here by using the esoteric rulers of the Signs of the Zodiac as demonstrated in esoteric astrology. The development of the computer has made the horoscope available to the millions, and it is but a matter of time before the same computers begin to sieve out the “real from the unreal.” In the end, however, the real is only discovered within, and the fullest exposition of esoteric astrology gives the keys to such discoveries within and their correlation to wide and more universal principles. To ignore the individual horoscope is to leave astrology, esoteric or exoteric, with feet of clay. What this writing represents is a wiser and more psychosynthetic interpretation of the horoscope. Thus, providing the interpreter views the horoscope from a point of higher synthesis, the most accurate interpretation of a personality matter may be gauged from particular astrological aspects. Bailey herself, or the Tibetan Master through her, gave the key to the psychosynthetic approach by allocating esoteric rulerships to the Signs for Man on the Path and a further set of rulers, called “hierarchical”, which apply to those disciples who are initiate and engaged in the work of the Hierarchy of this planet, as It implements the Divine Plan for the Earth.

The aim of this book is to introduce students of astrology to an approach that will make horoscopy's conventional techniques useful to those who come to astrology looking for spiritual guidance. This is not about learning a new astrological language, but rather how to give a different application to the familiar techniques of Western horoscopy. Understanding the natal chart is recommended to complete beginners, those wishing to structure patchy knowledge, and those already competent in horoscopy who are in search of a more esoteric approach to see the way forward.

Introduction to: ESOTERIC ASTROLOGY – VOL. 10 INTERCEPTED SIGNS - Seventh House thru Twelfth House By Dr. Douglas M. Baker
Intercepted Signs are not a rarity in esoteric astrology. Probably a quarter of the world's population is involved. It is a rarity to find them adequately dealt with in a horoscope. Volume 9 and 10 help to remedy this situation. An intercepted Sign indicates the element of being “boxed in”, if only in the sense of peoples ice-bound during winter in the far northern hemisphere and in the sea-locked fiords. But, out of even these extremes may emerge the superlative (First House) of some quality which carries in it genius and existentialism reminiscent of the fiery Norsemen themselves, with their red, flaming hair, First Ray physical bodies and propensity (bent — Twelfth House) for navigation, exploration and colonization, thereby expressing and spreading the initial and rare qualities of the emerging Anglo-Saxon sub-race. “Intercepted” in astrology means a Sign which lies between two houses without occupying the cusp of either. Intercepted charts usually emerge where the native is born in extreme latitudes, north or south, and may even produce four intercepted Signs. Whilst esoteric astrology is primarily concerned with the hegemony of the soul as it progressively asserts itself in the life of the individual, it is also capable of providing the personality with direction and useful advice. When we are dealing with Man on the Path, a far, far more accurate an interpretation of his situation, its potentials and limitations for expression is given here by using the esoteric rulers of the Signs of the Zodiac as demonstrated in esoteric astrology. Esoteric Astrology – Vol. 2: Houses Seven, Eight and Nine The Theory, Interpretation and Practice. This publication takes a new and revitalised look at astrology. It is simple to understand, yet remains a powerful tool, capable of providing a solid foundation for the comprehension of this broad and magnificent subject. This textbook, like most of Dr. Baker's printed books, eBooks and DVDs, enhances your studies via many charts, lists, tables and images (over 100 in this one). This major work is a very comprehensive introduction for those who want to study this subject in earnest, and for the more advanced student it will serve as an essential reference manual. In today's computer-based world it is no longer necessary to spend hours calculating a horoscope when the most modest PCs can do it in seconds, and with 100% accuracy! Consequently the needless paraphernalia, usually associated with learning astrology, has been stripped away. Emphasis is placed on the application of astrology to the unique problems of the modern world, its use as a method of revealing purpose and meaning in life, and ultimately as a key to the psychosynthesis of personality. The horoscope is described in comprehensive detail, with special attention given to the esoteric ruling planets of the zodiac signs, which are more relevant than orthodox rulers in the charts of spiritually-minded people. The new rulers also accommodate the immense changes in external conditions and inner consciousness that have occurred in the last hundred years and are related to a new range of experience which the brain registers as the externa of the modern world. The significance of karma is represented for it gives dramatic effect to our daily actions, and the third factor of esoteric psychology, lying beyond our understanding of heredity and environment, is given full prominence. This integrative and enriching work can be read alone, as a fascinating introduction and foundation to the New Astrology, or can be followed up with the author's extensive range of astrological books and video tapes, audio lectures and the all-embracing Dictionary of Astrology for the 21st Century. Together they provide a complete system for the professional and novice alike, containing efficient and extraordinary techniques of interpretation which have never been used before and which halve the time required to assimilate and practise astrology. A special note to eBook readers: This volume contains a large amount of astrological glyphs embedded within the text. The sales page "preview" might not be able to show these but your reading device will as long as you leave the "Font" settings at "Original" or "Publisher Font". Font size adjustments work fine with the glyphs. To allow the greatest number of reading devices to display this eBook, we used the "free flowing" layout and show the glyphs right behind the text they belong to.

INTRODUCTION TO: ESOTERIC ASTROLOGY - Vol. 11 NEPTUNE RETROGRADE by Dr. Douglas M. Baker B.A., MRCS, LRCP The Theory, Interpretation and Practice of Esoteric Astrology. A Comprehensive Exploration of the Subject. The retrograde glyph is the doctor's sign for a prescription, but it is also the spiritual signpost or omen of the approaching Path. The omen can only be read and appreciated by those who have eyes (spiritual insight) to see it. Such people are ready for the Path or have already taken it. The twelve ruling planets are descriptive of human consciousness. In the man who sees to look elsewhere than the material world for his expression and inspiration, his retrogressions are equated with spiritual opportunity. Planets become 'sacred' when they go into retrograde motion, providing the individual is sufficiently developed to respond to these retrograding qualities; certainly some of humanity is unable to put them to any significant use. It is

possible to give catchwords and phrases to retrograde planets, and these can be very much simplified for the purpose of cursory interpretations of charts. Spiritual awareness, however, requires that we provide backup for the general, overall meanings of them. This takes the form of detailed references to 144 horoscopes, covering Neptune retrograde through all the Signs and Houses. These interpretations are in most instances carefully parsed to show that meanings are not arbitrary but very specific, and exactly corresponding to the aspect being interpreted.

The science of esoteric astrology is said to be the basic occult science of the future. Astrology is described in this book as "the science of relationships", a science which deals with those conditioning energies and forces which play through and upon the whole field of space and all that is found within it.

If you are interested in understanding more about your true self, the purpose of life and your spiritual path, Esoteric Astrology is the book for you. You will be guided into a deeper dimension of astrology and the spiritual laws behind all life, for example the law of reincarnation and karma. There is a great difference between esoteric astrology that interprets the horoscope from the viewpoint of the soul, and traditional astrology that often is preoccupied with outer events and the desires and reactions of the outer self. An esoteric astrologer looks for the purpose of the soul, and the inner causes behind what happens to you in life. What are your talents and limitations, so that you can make use of and increase your good sides and eliminate or limit the bad habits. The book is written in a simple language, it is a beginner's guide to

astrology. You will need no previous knowledge about astrology to read this book. This book is meant for anyone who is interested in spirituality and astrology. But it is also recommended for you who have studied astrology and wish to add a spiritual dimension to the subject. This book includes many important areas, such as: human relations, how to cast a horoscope, diseases, the purpose of life, and an esoteric interpretation of the signs. The book helps you to understand more about yourself. But to this is added astrology for humanity and nations, how astrological energies are influencing and are determinative for society. From the perspective of a spiritual background, this is indeed an entirely new way of looking at our civilization.

Transitional Astrology is a book about context. That context is the Universe, in which we take our place and find our purpose. The knowledge, the Ageless Wisdom, is as old as Man; the structures are those of Esoteric Astrology, written by Master D.K. through Alice Bailey. This work aims to work shows how these esoteric perspectives can be made to enhance the role of orthodox astrology as a spiritual tool, and encourages the idea that when we can see our place in the larger scheme, we will have a better understanding of our potential, collectively and individually, and of how to use life and time wisely. Transitional Astrology is recommended to astrology practitioners, and to students with a working knowledge of horoscopy.

To the uninitiated, the science or art of Astrology appears complicated and its study too intricate to be followed or understood easily; this notion, however, is erroneous and is mainly caused by confusion of thought and the misconceptions which bias or prejudice has introduced into the subject.-from "Chapter 1: The Simplicity of Astrology" Some consider him the father of modern astrology, for in the early 20th century, prominent British astrology Alan Leo opened up the secrets of divination by the stars to the general public with his line of "Modern Astrology" manuals, a popular series of books that set off a craze for horoscopes that continues to this day. In this 1914 guide, Leo explains, in easy-to-understand language, the basic symbology that underlies the reading of the zodiac: the many aspects of the circle that can represent the solar system, the sun, and the moon; the cross, expressing the creative power of life and the physical body; the basic signs that signify each of the houses of the zodiac and each of the planets and what they metaphorically denote, and more. This is an invaluable resource for modern astrology buffs and those interested in the history of the paranormal. British astrologer WILLIAM FREDERICK ALLAN (1860-1917), a.k.a. Esoteric Healing – Part 3: Flower Remedies and Medical Astrology It was the Tibetan Master D.K. who pointed out that there was a very real link between Man and his unconscious through the Plant Kingdom. The work of Carl Jung has brought into being what is now called psychosomatic medicine and has established the reality of an unconscious in each man which he shares, in part, collectively with all mankind, and from which stems much of his disease.' Using drugs, such as those inflicted by orthodox medicine on the public at large, is not the way that medicine will take in the future. It is a temporary expedient which wreaks havoc through its side effects and one which must be progressively set aside as the use of Flower Remedies becomes more universal. The angiosperms, or flowering plants, which include many trees, underwent an immense initiation about 70 million years ago on this planet, just about the time that man began to materialise his physical form. And humanity owes much of its structure to what it has drawn from those flowering plants in its evolution. What better way to correct his imbalances than through the finest essences of that from which he was derived. The cause of 90% of man's disease lies in planes other than the physical, and it is on those planes that symptoms manifest first, before they work through to show as gross physical disorders. In using the Flower Remedies the attempt is made, via the Plant Kingdom, to reach the innermost structures producing the origins of the diseased condition. This masterly written text/reference manual is a must-have for all those interested or practicing alternative healing or esoteric astrology! This valuable writing is enhanced by over 120 images (many in color), lists, astrological charts and, reference and correlation charts. A special section deals with dosage, obtaining and producing your own flower remedies

For the first time in the history of astrology, an entirely new method of reading horoscopes is given. The individual and personal stars of all individuals are explained by a series of star maps, showing how the age of the soul may be astrologically discovered. Complete instructions are provided for creating a star map from a horoscope.

This incredible book maps our spiritual development as we journey from ignorance to enlightenment. We are all at different stages - are currently stationed either at the "Body" or personality level in consciousness, or at the "Soul" or "Spirit" stages. This book carefully catalogues these psychological developments in each of the 12 signs and houses. It clearly describes how consciousness expresses itself when it is engrossed with the material world (Body), when it is wise and loving (Soul) and when it has become a World Server (Spirit). Clearly laid out, readers will find it easy to figure out where they stand on the Path of Spiritual Development. Practical suggestions are made throughout the book to help bring about the required transformations in consciousness. The "Astrology of Spirit, Soul and Body" is an astrological guide-book for the transformation of consciousness, that is practical and very useful for those who are aspiring to something higher and finer. "Hodgson has reduced the ordinarily staggering complexity of the Sciences of Astrology and Esoteric Psychology, to an approach that can be readily grasped by the intelligent, spiritually inquiring mind. This is one of the outstanding features of "Spirit, Soul, Body," - its practicality." Michael Robbins, Director Morya Federation. At the end of the book, Soul-Purpose astrology readings are given for famous people including Prince Harry and Meghan, the Duke and Duchess of Sussex. This will help readers formulate their own Soul- Purpose readings.

The science of esoteric astrology is said to be the basic occult science for the future. It will come into its own as the esoteric or soul factors begin to supersede the exoteric focus of the vast majority of professional and amateur astrologers today. This is the science which deals with those conditioning and governing energies and forces which play through and upon the whole field of space and all that is found within that field. The Ancient Wisdom teaches that Space is an entity. It is with the life of this entity and with the forces and energies, the impulses and the rhythms, the cycles and the times and seasons, that esoteric astrology deals. Esoteric astrology can be applied by the trained worker in a variety of ways; in medicine, psychology, science, education; to an evaluation of human problems, of the destiny of nations, of a correct

interpretation of world affairs, and so on. It is necessary, however, that at this stage the application of esoteric astrology to human life should be recognised as experimental and tentative, so that each individual worker can adjust his thinking and his methods according to his own wrought-out experience. to work depend entirely on a consciousness evolving out of control by the personality into the life of the soul, out of separateness and self-centredness into a realisation of unity, and absorption into a centre of group consciousness. Astrology is described in this book as the science of relationships - the relationship existing between all living organisms within the universe. Not only the qualities of the ray energies affect these centres of consciousness, but also the quality and energy of the ruling planets and the zodiacal signs. Seen from the exoteric outside, astrology is a vast and most involved and complex subject. From the esoteric inside, while it is still vast, all-inclusive and complex, it is also possible to perceive the thread which unites and the pattern which prevails throughout the whole system. A basic simplicity in the grand design emerges, therefore, which can serve to interpret the whole. study: (1) The Zodiac and the Rays (2) The Nature of Esoteric Astrology (3) The Science of Triangles (4) The Sacred and Non-Sacred Planets (5) Three Major Constellations (6) The Three Crosses (7) The Rays, Constellations and Planets. In addition there is an appendix which summarises and tabulates many of the factors of fundamental importance to the study of esoteric astrology. This is a book for the true occult student. It may appear to be too highly specialised for some; but every esoteric worker finds eventually that his work requires an understanding of the basic astrological factors which affect all relationships and all forms of life within the ethers of space, so that he may learn how to cooperate intelligently in the evolution of the whole by the right adjustment of the part within that whole; until eventually the many are absorbed into the One. The books of Alice A. Bailey, written in cooperation with a Tibetan teacher between 1919-1949, constitute a continuation of the Ageless Wisdom - a body of esoteric teaching handed down from ancient times in a form which is always suitable to each period. writings offer an unparalleled spiritual approach to such subjects as the teaching on Shamballa and the Path of spiritual evolution; the spiritual Hierarchy; the new discipleship and training in meditation as a form of service; the teaching on the seven rays and the new psychology of the soul; the teaching on esoteric astrology; and the new world religion, which emphasizes the common thread of truth linking all the major world faiths.

Esoteric Astrology – Vol. 5 Rising Signs - Libra through Pisces The Theory, Interpretation and Practice. This publication takes a new and revitalised look at astrology. It is simple to understand, yet remains a powerful tool, capable of providing a solid foundation for the comprehension of this broad and magnificent subject. This textbook, like most of Dr. Baker's printed books, eBooks and DVDs, enhances your studies via many charts, lists, tables and images (over 100 in this one). This major work is a very comprehensive introduction for those who want to study this subject in earnest, and for the

more advanced student it will serve as an essential reference manual. In today's computer-based world it is no longer necessary to spend hours calculating a horoscope when the most modest PCs can do it in seconds, and with 100% accuracy! Consequently the needless paraphernalia, usually associated with learning astrology, has been stripped away. Emphasis is placed on the application of astrology to the unique problems of the modern world, its use as a method of revealing purpose and meaning in life, and ultimately as a key to the psychosynthesis of personality. The horoscope is described in comprehensive detail, with special attention given to the esoteric ruling planets of the zodiac signs, which are more relevant than orthodox rulers in the charts of spiritually-minded people. The new rulers also accommodate the immense changes in external conditions and inner consciousness that have occurred in the last hundred years and are related to a new range of experience which the brain registers as the externa of the modern world. The significance of karma is represented for it gives dramatic effect to our daily actions, and the third factor of esoteric psychology, lying beyond our understanding of heredity and environment, is given full prominence. This integrative and enriching work can be read alone, as a fascinating introduction and foundation to the New Astrology, or can be followed up with the author's extensive range of astrological books and video tapes, audio lectures and the all-embracing Dictionary of Astrology for the 21st Century. Together they provide a complete system for the professional and novice alike, containing efficient and extraordinary techniques of interpretation which have never been used before and which halve the time required to assimilate and practise astrology.
