For the first time in one volume, Phil Edmonston, Canada's automotive "Dr. Phil," covers all used vehicles, packing this guide with insider tips to help the consumer make the safest and cheapest choice possible from cars and trucks of the past 25 years. Reviews and rates more than 170 new cars, four-by-fours, trucks, and vans; lists retail and dealer-invoice prices, EPA mileage ratings, warranties and specifications; and offers money-saving tips. Original.

Chilton's Import Auto Service Manual

Illustrates the evolution of logos, symbols, and icons created for a variety of clients, covering the creation of the original concept through different directions considered, initial roughs, and how the final design was adapted for use in various formats.

The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof

well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don't perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.
