Charles Groeling is an alumnus of Evanston Township High School, class of 1947. Give the Drummer Some: Drum Line Origins in School-Daze Confunktory By: Milton Lawrence Cox II A historical account of marching bands in the 1970s, Give the Drummer Some: Drumline Origins in School-Daze Confunktory documents the life experiences of drummer Milton Lawrence Cox II and his bandmates as they transformed Virginia State University's "Marching 110" into legend by combining African heritage with contemporary music of the time.

"By turns reflective and dramatic, poignant and hilarious, Sticking It Out offers an irresistible portrait of the artist as a young percussionist" (San Francisco Chronicle). When Patti Niemi was ten years old, all the children in her school music class lined up to choose their instruments. Boy after boy chose drums, and girl after girl chose flute—that is, until it was Patti's turn. From that point onward, Patti devoted her life to mastering the percussive arts. Cymbals, snare drum, marimba, timpani, chimes: she practiced them all, and in 1983, she entered Juilliard, the most prestigious music conservatory in in the world. Set against the backdrop of a rapidly changing New York City in the 1980s, Sticking It Out recounts Patti's years mastering her craft and struggling to make it in a cutthroat race to a coveted job in an orchestra. Along the way,

she has to compete with friends, face her own crippling anxiety, and confront the delicate, and sometimes perilous, balance of power between teachers and their students. Bringing us inside a world that most of us never get to see, Patti's vivid memoir is "an eye-opening tale of demanding teachers, grueling practice schedules, severe performance anxiety and bias against 'girl drummers'—a funny, poignant first-person account of the fierce commitment it takes to succeed in classical music" (San Jose Mercury News). "One of the funniest-ever classical-music books . . . and certainly among the best written." —The Philadelphia Inquirer "A shattered-mirror insight into the bizarre world of hitting things with sticks." —Neil Peart, bestselling author, lyricist, and drummer for Rush

money for the war and boosting morale. Even after the war ended, the bands would last for some 60 years. Based on Jill Sullivan's interviews with over 70 surviving band members, *Bands of Sisters: U.S. Women's Military Bands during World War II* tells the tale of this remarkable period in the history of American women. The opportunities presented by military service inevitably promoted new perspectives on what women could accomplish outside of the home, resulting in a lifetime of lasting relationships that would inspire future generations of musicians.

A regular guy tells his life story. The product of a broken home, he spends his life searching for love and meaning, struggling to have a family and keep it. Along the way he stumbles into and out of intense physical and emotional relationships, and faces unimaginable pain as love once held in his arms is torn away by self indulgence and a horrible disease. After years of wandering and loss, blessings are showered upon him, as he achieves his life's dreams, and hope is restored with new life and love.

In Modern Etudes and Studies for the Total Percussionist, band director and percussionist Chris Colaneri lays out a comprehensive system of total percussion education. The lessons are gleaned from interviews, research, and the nearly two decades he has spent directing middle school band and percussion ensembles. Where the first edition of the book addressed total percussion education for the seventh-grade student and included simple audio examples and practice tracks, this expanded second edition meets needs of sixth- through eighth-grade percussion students, helping them develop intermediate skills for future participation in a high school or extracurricular band setting. Music examples throughout are carefully sized for easy reading, and students will find more information about equipment they should own, world percussion techniques, and famous percussionists. Developed with the practical needs of percussion teachers in mind, Modern Etudes has been extensively classroom tested and provides key teaching aids that will be welcomed by every band director. These include a curriculum guide and practice assignment sheets for all three grades; practice tips; and exercises and etudes for snare, mallet, set, and timpani. Recordings and practice tracks are available on the book's companion website.

instruments and ensembles most commonly found in the elementary and secondary curricula. This text focuses on the core competencies required for teacher certification in instrumental music. The first section of the book focuses on essential issues for a successful instrumental program: objectives, assessment and evaluation, motivation, administrative tasks, and recruiting and scheduling (including block scheduling). The second section devotes a chapter to each wind instrument plus percussion and strings, and includes troubleshooting checklists for each instrument. The third section focuses on rehearsal techniques from the first day through high school.

Cook's TEACHING PERCUSSION, which includes over seven hours of video footage, continues to set the standard in percussion instrument methods texts. Providing a comprehensive introduction to every aspect of percussion education, technique and performance, this enhanced third edition develops students' musical understanding and performance skills. The author's consistent and detailed philosophy introduces students to a refined teaching methodology--and gives them greater insight into the learning process by integrating contemporary concepts about experiential awareness learning.
