

## Auger Augment Blood Of The Boundless Book 1

### Auger and Augment

Things have gotten heavy in Nathan's life, so when the powers-that-be decide citizens will be able to live in a virtual reality fantasy world, it seems like the perfect answer. No more teachers, no more books, no more parents' dirty looks. The perfect solution for an angsty teen! All it will cost is everything he has. On arrival, Nathan finds himself alone and a world away from anything he's ever known, and the video game is only too happy to have him there. Follow Nathan's coming of age in an epic fantasy world of gods, war, and magic, where death comes swiftly and never offers release. Can he overcome his demons and forge a life for himself? Content Warning: Violence, Language, and just a touch of The Gay. Volume 1 of massive work by a leading Shakespeare scholar and lexicographer, a standard in the field, provides full definitions, locations, and shades of meaning in every word in Shakespeare's plays and poems.

This is an EXACT reproduction of a book published before 1923. This IS NOT an OCR'd book with strange characters, introduced typographical errors, and jumbled words. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

Includes 35,000 entries, with photographs, illustrations, and maps, as well as word histories, spelling notes, and cultural- and gender-inclusive definitions.

Closeted and with his home life a mess, even books aren't enough of an escape for Nathan. So, when the powers-that-be decide citizens will be able to live in a virtual reality fantasy world, it seems like the perfect solution for an angsty teen. No more teachers, no more books, no more parents' dirty looks. Nothing's ever that easy though, and trying to game the system leaves Nathan stuck halfway between player and NPC, able to see mana and direct its flow, but unable to cast any spells of his own. On top of that, the five kingdoms of The Boundless are ready for an all-out war. All they've needed was a ready supply of immortal warriors...
