Merritt's bestselling consumer title, HOW TO INSURE YOUR CAR is an insider's guide to finding the best coverage at the lowest prices. It includes case studies and worksheets to prepare for meetings with agents, brokers, and adjusters. Maybe you just started building your assets, or perhaps you already have many valuable items, such as collections or jewelry. Either way, it is important to protect your belongings. From beloved childhood treasures like baseball cards and comic books to big-ticket items like musical instruments and automobiles, replacing your assets can be very expensive. Having insurance will help lessen your financial loss if your possessions are damaged, lost, or stolen. But buying a policy can be confusing and complicated. This book will answer many common questions about insurance⁸²¹²;and how to minimize the chances you will need to use that insurance in the first place.

In today's world taking an insurance is become a necessary requirement for cars and all types of vehicles we use in everyday life. We need to know before taking the insurance what problems will come later when we go for a claim. While taking insurance is hassle free and easy, when it comes to getting claims we face a lot of hurdles which we need to be aware while taking the insurance. Also, after we have taken such insurances for our cars/vehicles we also need to know about the problems we are facing in getting the insurance claim for our vehicle. Also, one needs to check the safety features the car provides. Accidents occur mainly because of weak lights and front glass getting foggy resulting in poor visibility..

A car is no longer a luxury but a necessity in this present age. However, it is still a luxurious spend because it costs a lot of money to buy one. So, if you're buying one you need to make doubly sure that it will turn out to be a worthwhile investment. Buying a new car can be overwhelming, especially for the first-time buyer. There are lots of important considerations to think about in order to come up with sensible decisions. A few of the questions you will deliberate on are:* What type of car do I buy?* What important features do I need to look for?* How and where do I get financing? * Interest rates and depreciation value* What insurance coverage do I get?In the process of making the purchase you will also need to make decisions when negotiating with sales people so that you get a very satisfactory transaction.Also, you will need to account for the fact that finally owning a car is a lengthy responsibility. These are some recurrent concerns you will deal with for as long as you have a car:* Fuel expense* Car maintenance and repair costs* Insurance* Registration and licensingUse the information in this book to help you buy your first car so that you get the very best deal on your investment.

A valuable how-to resource for those who seek guidance in composing letters for business and personal reasons. This book can be a valuable tool to help anyone create letters to use in the special situations in life.

Discusses how cars operate, how to maintain peak performance, trouble signs and what to do about them, mechanics, effects of weather, and offers tips on buying a new or used car and automobile insurance

The Insurance Buying Guide A Practical Method for Figuring Out How Much - And What Kind of Insurance You Need Silver Lake Publishing

Buying a used car is a huge decision, and you will probably need to live with that decision for several years. Fortunately, your friendly, helpful Uncle Wally is here to guide you through the process! Buying a Used Car - Uncle Wally's Guide, is your complete handbook for the used-car buying process. Written by a car shopper with 40 years of experience, and packed with over 175 pages of useful information, this book will help you find affordable, reliable transportation. Part textbook, part buying guide, and part "red-flag detector," Buying a Used Car moves you to the head of the car-buying class. Here's what you'll learn. Chapter 1 - Big Ideas provides ten important car-buying concepts to help you get mentally ready for success. In Chapter 2 - Setting the Target, you'll narrow your shopping experience to help you get the car you want and need. Chapter 3 - Paying for Your Used Car explains credit scores, financing options, and payment structures. You'll learn how to determine your monthly payment before you go shopping. In Chapter 4 - Visiting a Car Lot, your Uncle Wally will tell you what to expect when you start looking at cars. Chapter 5 - Selecting a Used-Car Dealer guides you through this critical choice. Chapter 6 - Let's Go Shopping gives you the skills to make you a confident car shopper! In Chapter 7 - Selecting Your Car, you'll narrow down the choices and select the car that fulfills your needs and your wants. Most car shoppers take a test drive. Do you know how to use four of your senses - hearing, sight, touch, and smell - to eliminate a "problem car?" Uncle Wally walks you through this critical step in Chapter 8 - Taking the Test Drive. You will learn how to determine a car's history and its current condition in Chapter 9 - Exploring a Car's Past and Present. Chapter 10 - Arriving at a Price helps you make the best deal on your used-car purchase. Chapter 11 - The Business Office teaches you the language and techniques used after the sale that can inflate your car payment. This chapter alone is worth the price of the book! A car is stolen. A tree falls on another car. A driver gets in an accident with someone who doesn't have insurance. Quick - are you covered? Chapter 12- Car Insurance explains the types of coverage you need, and the best way to buy it. Chapter 13 - After the Purchase helps you take care of your new investment. From the author So, you're ready to buy a used car? Or at least you're thinking about it. Well, I'm your Uncle Wally, and I'm here to help. I've bought over a dozen cars over the last 40 years. Most people decide to buy a car, walk onto a car lot, and leave a few hours later with a huge debt and a vehicle that may or may not suit their needs. In Buying a Used Car - Uncle Wally's Guide, you'll walk a different path. Your car expenses - payments, maintenance, and insurance - will likely represent a significant monthly commitment. Buying a car is a major purchase for most of us, and we don't need to make a mistake. If we buy a bad meal, we just don't go back to the restaurant. If our vacation choice isn't fulfilling, we can make different plans next year. But when we buy a car, we're committing to a longer time frame. Because cars depreciate in value, mistakes can be expensive. Returning a car after two months because it doesn't fit your needs can result in a real financial blow. I wish I could be there to help you in person. Because I can't, I decided to write this book. Drive safely, and be well, my friends.

A car buying guide for first-timers includes advice on arranging financing, deciding about optional equipment, shopping around for the best deal in auto insurance, and more.

Buying a car is never easy. Besides spending a sizeable amount of money on this investment, your liveliness probably relies on this vehicle. Problem: People are tired of feeling powerless and uninformed when dealing with insurance. Solution: At last, here you'll find the inside tips that will enable you to save money, time, and avoid frustration when buying or renewing your insurance. Dear Friend: If you're like most people, you're paying too much on your insurance premiums and should know that there are "untold" ways to save money and prevent aggravation. But unless you were privy to the "inside tips" that most insurance professionals know about, you wouldn't have a clue as to how you could save as much as possible. Well, here's your chance to get the secrets that some don't volunteer to share. Listed below are just some of the things you'll learn in "Insurance Secrets Revealed," to start putting cash back into YOUR pocket, take better control, and protect yourself & family...right away: • Learn the one simple "secret" that could save hundreds or thousands of dollars off of a homeowners or auto insurance premium immediately! • Discover the one thing that's overlooked by most people and causes them to overpay month after month • Learn the "special questions" to ask an insurance company or agent that can save you money off of your quote or premium • Discover how and when an insurance company can fix your car, even if you only have liability coverage • Learn "Secrets" to saving money when insuring younger drivers • How to prevent paying "out of pocket" (despite having insurance) to your finance or leasing company after a major accident • Discover 12 important insurance products you must know about NOW! • How to inexpensively cover yourself against major lawsuits • How to really buy auto insurance and what you should be asking for • How to choose a good insurance company before it's too late • Learn what to include in your policy, to get more money for your home or auto claim • How to get life insurance death benefits WHILE YOU'RE STILL LIVING (most people are absolutely shocked by this, and no, it's not the accumulated cash value of the policy.) • Find out these important tips to keep from being "penalized" or cancelled by your insurance company • Learn the difference between buying insurance through agents, brokers, and buying direct (there is a difference) • Find out things you should know about the claims process, that perhaps no one ever told you! • Discover what every homeowner should know about mold, where to go for help, and much more! DON'T RELY SOLELY ON AGENTS OR SALES REPS TO TELL YOU HOW TO SAVE ON, OR BUY INSURANCE! Insurance is a serious topic and the truth of the matter is that most people don't have a clue as to what they're getting or what they should be asking for when talking to an insurance agent. Not knowing what to buy or what type of policy is best for your situation can cost you and your family BIG TIME by leaving you at the mercy of an insurance salesperson's lack of experience, knowledge and/or concern. To be honest, you have a right to know all you can without being an insurance agent yourself. This is why this information is now being revealed, so consumers like yourself can be put on a level playing field, compared to people that just blindly buy insurance everyday, pay more than they have to, and walk away with inadequate protection. Friend, don't let a lack of knowledge keep you from empowering yourself! This is the type of straight-up information that you need, "real world" info that will tell you like it really is, (something rarely found elsewhere). Now is the time to stop being vulnerable and seize control by becoming an informed buyer! Get your copy today! "Insurance Secrets Revealed by award-winning insurance agent and expert, Rodger Nelson, is a highly practical guide filled from cover to cover with money-saving advice that the insurance companies themselves will never voluntarily reveal to prospective policyholders. Individual chapters cogently address pertinent issues ranging from untold "secrets" of life insurance; solid tips for protecting a business through insurance; insuring against threats to personal finances; and much, much more. Insurance Secrets Revealed is strongly recommended supplementary reading for insurance buyers everywhere." - Midwest Book Review Tags: buying insurance, insurance secrets, saving money tips and tricks, money saving ideas, insider secrets, cost saving ideas, best ways to save money, secrets revealed, money saving tricks, money

50 plus one Questions When Buying a Car is the perfect self-help guide for every potential car buyer, whether you are buying new or pre-owned. How do you tell if a used car was in an accident or hurricane? What features on a new car provide good values? Are the miles per gallon as advertised really true? Buying a car is often the second largest purchase you are likely to make. This book could save you hundreds of thousands of dollars over the many cars you will buy in your lifetime. Learn how to compare various makes and models of cars; which cars hold their value the longest?; should you have a used car inspected before buying?; is it better to buy used from an individual or dealer?; are places like www.cars.com better than the local dealer?; should you buy a car after the lease is finished; and more.

Accidents happen, and when they do, insurance is what keeps our finances safe and sound. Whether an auto collision is your fault or somebody else's, your car insurance coverage should help you. How much it helps, however, is up to you, and this is determined by the combination of options that comprise your insurance policy. I've been working in insurance for more than twenty years, and I have been a consumer longer than that. I'm always amazed when I talk to friends and acquaintances, and they tell me that they've been with one company for years and have never shopped for a better deal. They could be saving a lot of money. Of course, they have their reasons. Sometimes they tell me that since all insurance is alike, there's no point. Sometimes they tell me that the policies are just too confusing. And occasionally they tell me they really hadn't thought about it. In this book we'll deal with the first two excuses and try to give you some good reasons not only to think about shopping your insurance, but show you how to actually do something about it.

This informative book provides everything your readers will need to know about negotiating the deal, warranties and service contracts, and getting a loan when buying their first car. It offers helpful tips on fuel conservation, buying hybrids, and how to maintain the car. The final chapter discusses smart cars, cycles, scooters, and mopeds (non-car options). This guide explains the answers to questions most commonly asked by consumers about automobile insurance in New York State. The author offers tips, many never before revealed in print, to help the consumer, whether they are a new driver who has never before owned an insurance policy or someone more experienced, purchase the best possible insurance policy.

Now you can save hundreds of dollars each year on your car insurance premiums through the strategies revealed in this book. It will help you discover exactly which car insurance companies provide the best rates in your area plus tips and techniques to lower your premiums and get discounts. With this book you can shave hundreds of dollars off your current car insurance costs. Here's what you'll discover when you read this book: * The single most important factor in getting a cheap car insurance quote; ignore it and your chances of getting a better rate are near to zero. * What car insurance companies don't want you to know - a revealing look at how insurance companies determine your premium and how to take advantage of it. * The number one mistake made by car insurance seekers (that severely hamper their chances of getting a cheaper quote) - and how to avoid it. * What is hidden behind the questions that companies ask you on their car insurance application form; How to answer them so that you get a better quote. * Are you satisfied with your current agent and don't want to switch insurers? we will show you a simple trick that will practically "force" your agent to reduce your rate. * How to get car insurance discounts and concessions. * Clever ideas and strategies for lowering your auto insurance premium. If you're really interested in slashing a big chunk off of your car insurance costs you absolutely need to have this book.
