Set against the breezy backdrop of coastal Rhode Island, bestselling author Marina Adair’s latest novel asks whether two of a small town’s biggest hearts can learn to put themselves first—in the name of love. . . As caregiver for her autistic brother, Beckett Hayes knows how meaningful a little extra help can be when life happens. Which is why she runs Consider It Done, a personal concierge service in her small town. Her job also gives her the flexibility to follow her passion, being Rome, Rhode Island’s unofficial special needs advocate, training emotional support companions in her spare time. There’s not much of that, though, and certainly not enough for serious dating. It’s always been family first for Beck. But one unquestionably gorgeous, good-natured man is suddenly a temptation that’s getting tougher

to resist . . . Sixteen years ago, Levi Rhodes was ready to sail off into the sunset—literally. But then his father’s death and his sister’s unexpected pregnancy postponed his sailing scholarship and the adventures he had planned. Running the family marina and bar was the least he could do for his grieving mother. Plus, his niece needed a father-figure. But now that she’s in high school and has her bio-dad in her life, Levi’s wondering if it’s time to get his sea legs under him again. Or he was wondering, until curvy, caring Beck showed up in his bar, and then in his dreams . . . “Charming...Sweet and sensitive, Hopeless Romantic is a funny romance that gently manages heavy issues.” —Shelf Awareness A portion of royalties to benefit The Organization for Autism Research. Praise for Marina Adair “Small town sweetness, endearing characters and a unique quirky flair.” —Carly Phillips, New York Times bestselling author “Marina Adair is a breath of fresh air. . . . knows what it takes to make life-and-death decisions on the fly. He doesn't hesitate, doesn't do regrets, and has never doubted his instincts—until he makes a promise that turns his world upside down. Desperate for redemption, he returns to Sequoia Lake, only to find himself face-to-face with his past...and the one woman he can't have. Not when his secret would destroy her—and everything she holds dear. For Liv, finding love once was a gift. Finding it twice seems impossible, until the moment Ford's lips meet hers. Love doesn't always come easy, but when it's right, it's worth fighting for...

In this unique collection of poems, a Christian journey is taken into the halls of the soul. Unconventional and experimental poetry is the vehicle used on this trip of soul searching through heartache and final victory in Jesus. The redemption of Jesus' blood is the foundation to the planting of a spiritual vineyard. Once planted, the vineyard has its vines pruned in order to produce the good fruit of the spirit. The book is divided into three parts. First part develops the Christian foundation. The second part highlights the heartache and soul searching or passion of an individual. Finally the third part focuses on the darker side of the spiritual journey. This is not your typical poetry book because sometimes the poetry looks at harsh material like drug abuse, depression, and death.

Noah, and Beau Tucker. But now the Tucker boys are men, ready to take on the questions that have haunted them since they left home. . . Cody Tucker shook the dust of his two-bit hometown off his boots ten years ago--right about the time his college sweetheart, Shelby Lynn Harris, married his so-called best friend. But when his dad dies, Cody finds himself home again and knee deep in the past. Except now his rowdy beer buddy is the sheriff, his housekeeper is a blue-ribbon chili chef, and the family ranch is in the red. The only thing that hasn't changed is Shelby Lynn. . . Shelby Lynn has gone through a lot of heartache thanks to Cody. But that's all over now. She just wants a chance to live the life she's made for herself in peace. The trouble is, the Sweet Plains chili cook off is heating up, the Ladies of Sweet are as riled as hornets, and as soon as Cody gets near, she's forgets all about peace. Cody is pure temptation--and she knows just how good it feels to give in. . . Autumn Goldschmidt had everything going for her, her dreams were full, her family and friends were right by her side, nothing was going to stop her, she felt on top of the world knowing her whole life was ahead of her, but that all changed on that dreadful night when she was left all alone after her parents passed away in a car accident. If that wasn't enough,

she was then ripped away from the only other family and life she knew. Autumn's aunt and uncle had made the choice to ship her off to a boarding school telling her it was in her best interest. Autumn wanted to stay and had begged them to let her stay with them, but once the cab door was shut and she was closed off from the only family she knew, she allowed the walls to build up around her heart and she vowed never to return to Jackson, Montana ever again. Autumn started her life over in Homer, Nevada where she opened a small little shop, where she threw herself into her work. She made a point not to make friends or see anyone. Her life had become her shop until her best friend Nichole asked her to come back to Jackson, Montana where all her dreams had disappeared and her abandonment issues started. Once Autumn was back in Jackson Montana, she had all her raw emotions she tried to bury deep inside of her, seep out and things started to happen to her once more.

A story of loss and survival. Germany's invasion of Hungary in 1944 marked the end of a culture that had dominated Central Europe from the nineteenth century to the middle of the twentieth. In this poignant memoir, Charles Farkas offers a testament to this vanished way of life—its society, morality, personal integrity, wealth, traditions, and chivalry—as well as an eyewitness account of its destruction, begun at the hands of the Nazis and then completed under the heel of Soviet Communism. Farkas's recollections of growing up in Budapest, a city whose grandeur embraced—indeed spanned—the Danube River; his vivid descriptions of everyday life in Hungary before, during, and after World War II; and his ultimate flight to freedom in the United States remind us that behind the larger historical events of the past century are the stories of the individual men and women who endured and, ultimately, survived them.

Rome, Rhode Island, rather than Rome, Italy, and sharing a cabin with a big, brooding, and annoyingly hot male roommate. Home on medical leave after covering a literally explosive story in China, investigative photojournalist Emmitt embarks on his most important assignment--cementing his place in his daughter's life. Three men and a baby might work in the movies, but with a stepdad and devoted uncle competing for Paisley's attention, Emmitt has lost his place at the family table. Then there's the adorably sexy squatter in his cabin, who poses another problem, one he'd very much like to solve up close and personal. But he can't win--Annie has sworn off men, Paisley's gone boy crazy, and Emmitt's estranged father reappears with a secret that changes everything. Annie and Emmitt are about to discover love comes in many forms, and sometimes the best families are the ones we make. "Phenomenal...I highly recommend picking up a copy if this novel, it will have you crying, laughing and yelling but most of all you will end with a warm happy feeling that comes from reading a first class novel."

The first edition of *Understanding Vineyard Soils* has been praised for its comprehensive coverage of soil topics relevant to viticulture. However, the industry is dynamic--new developments are occurring, especially with respect to measuring soil variability, managing soil water, possible effects of climate change, rootstock breeding and selection, monitoring sustainability, and improving grape quality and the "typicity" of wines. All this is embodied in an increased focus on the terroir or "sense of place" of vineyard sites, with greater emphasis being placed on wine quality relative to quantity in an increasingly competitive world market. The promotion of organic and biodynamic practices has raised a general awareness of "soil health", which is often associated with a soil's biology, but which to be properly assessed must be focused on a soil's physical, chemical, and biological properties. This edition of White's influential book presents the latest updates on these and other developments in soil management in vineyards. With a minimum of scientific jargon, *Understanding Vineyard Soils* explains the interaction between soils on a variety of parent materials around the world and grapevine growth and wine typicity. The essential chemical and physical processes involving nutrients, water, oxygen and carbon dioxide, moderated by the activities of soil organisms, are discussed. Methods are proposed for alleviating adverse conditions such as soil acidity, sodicity, compaction, poor drainage, and salinity. The pros and cons of organic viticulture are debated, as are the possible effects of climate change. The author explains how sustainable wine production requires winegrowers to take care of the soil and minimize their impact on the environment. This book is a practical guide for winegrowers and the lay reader who is

seeking general information about soils, but who may also wish to pursue in more depth the influence of different soil types on vine performance and wine character.
