

Avoiding Unfair Dismissal Claims Essential Facts

"Honeyball and Bowers' Textbook on Employment Law is a concise yet analytical and contextual introduction to this fascinating area of the law. Accessible by virtue of its succinct style and clear layout, yet challenging and critical, the eleventh edition of this book is suitable for students on law and business degree courses, as well as anyone else engaged in the study of employment law. Beginning with a historical perspective and explanation of how and why the law has developed as it has, Simon Honeyball goes on to explore what the law actually is, and the practical and theoretical issues raised by its study and application. The book contains cross referencing to Cases and Materials on Employment Law by Painter & Holmes ensuring that these two titles continue to complement one another providing the perfect blend of textbook analysis and the most up-to-date cases and materials. Online Resource Centre This book is accompanied by an Online Resource Centre containing weblinks and author podcasts helping to keep track of developments post publication"--Provided by publisher.

Redundancy: The Law and Practice explores redundancy law from a practical standpoint. Containing sections on redundancy payments, unfair dismissal, and collective redundancies, as well as a number of practical tools, the book is an invaluable resource for practitioners working in the area. Now in its third edition, the book has been fully revised and extended to accommodate the extensive changes in legislation that have been implemented since the publication of the second edition in 2001. It considers the effect of the statutory disciplinary, dismissal and grievance procedures in redundancy dismissals following the Employment Act 2002, along with the impact of the Information and Consultation of Employees Regulations

Read PDF Avoiding Unfair Dismissal Claims Essential Facts

2004, and the Employment Equality (Age) Regulations 2006. It analyzes the wealth of recent case law, particularly with reference to the changes to employer obligations arising from the decision in *UK Coal Mining Ltd v NUM & BACM* [2007] (EAT) and the new rules on collective consultation following *Junk v Kühnel* and *Susie Radin Ltd v GMB*. Including extensive appendices, charts, specimen letters and forms, *Redundancy: The Law and Practice* is an invaluable reference for any practitioner working in the area of employment law.

Are you an employer worried about employment related claims by employees? Are you an employee whose rights are being infringed or ignored? Employment law can be confusing for both employers and employees alike. There is a huge amount of rules, regulations, laws, directives, case law concerning employment law in Ireland. Even with the best will in the world, it is easy to do the wrong thing. To make a mistake. "Employment Law in Ireland-A Plain English Guide for Employers and Employees" can help because it can save you time and money. And it can reduce the doubts in your mind about your situation.> For Employers and Employees If you are an employer it can save you the expense of defending and perhaps losing a costly claim by an employee. If you are an employee it can help you obtain your employment rights and eliminate the stress of not knowing where you stand. Because it explains what your obligations are as an employer, and what your rights are as an employee. Wide Range of Topics Covered Topics such as unfair dismissal, redundancy, the employment contract, health and safety, what policies and procedures should be in place in the workplace, equality and discrimination, holiday entitlements, part time and fixed term workers' rights, rest periods and breaks, data protection, TUPE (transfer of undertakings) regulations, temporary agency workers, young persons in work, performance improvement plans disciplinary

procedure-step by step NERA and how they operate, intoxicants in the workplace, maternity leave, other leave entitlements, payment of wages, and more are explained in easy to understand language. Employers are understandably worried about costly claims for unfair dismissal, wrongful dismissal, discrimination, unfair selection for redundancy. This book helps avoid such claims by explaining the correct steps to take to prevent claims and what the employers' obligations are. Many employees too are unsure about their employment rights and are badly treated in the workplace. They have experienced the sick feeling in the pit of their stomach going into work everyday and not knowing whether there is anything that they can do about their treatment. This book aims to give peace of mind and reduce stress for both employers and employees. It also explains the essential terms that should be included in the employment contract and why 80% of cases for unfair dismissal are lost. And it is written by a practicing solicitor who has been an employer in Ireland since 1986. Written in Understandable Language If you are looking for a text book on employment law in Ireland, this is not for you. This is not an academic work. If you are looking for a straightforward reference guide to refer to on a daily basis in the workplace, this book should suit you just fine. Other Topics Other topics covered include the forums for redress of your employment rights, working time, internships in the workplace and what can go wrong, fixed term contracts, contracts of indefinite duration, employment permits, staff handbooks, the most important policies and procedures to have, without prejudice negotiations, temporary agency workers, etc. If this book helps you as employer avoid one claim or if it helps you uphold just one of your employment rights it will have proven to be one of the best investments you have made this year. Written by a Solicitor Terry Gorry is a solicitor, small business owner and has been an employer in Ireland since

1986. He helps other small business owners and their employees.

Changes in working patterns and technology over the last decade have revolutionized the way we work. More people than ever work in white-collar jobs and are unlikely to organize collectively. Other issues such as careers, the long-hours culture, the global economy, an ageing workforce, and changes in employment legislation have completely transformed the working landscape. This long-awaited fourth edition of the Handbook of Employment Relations, Law and Practice (originally published as the Handbook of Industrial Relations Practice) has been revised to reflect these changes. In this comprehensive handbook, a host of acknowledged experts have been brought together to consider all aspects of employment relations. Topics include: the influence of the EU employment relations and the information society unfair dismissal health and safety pay working time and other employment rights alternative dispute resolution managing the employment relationship employment relations in smaller firms trade unions pay and performance sickness and absence training and development managing change. The Handbook of Employment Relations, Law and Practice is an invaluable source of guidance and practical advice for resolving day-to-day issues that arise in the workplace. Practitioners, students and managers alike will find it an essential tool that they will refer to again and again.

This handbook contains up-to-date information on UK legislation, common law, equity and codes of practice along with other sources such as DTI/Inland Revenue manuals and guides. References to these are included where necessary within each paragraph for ease of access. This practical book helps employers and their legal advisers determine when it is justifiable to dismiss an employee and take the necessary steps to fulfill legal requirements. It features a

unique approach that focuses on pre-dismissal behavior unfair dismissal cases are won and lost on the actions of the employers prior to the dismissal. This book maps out the required path to help employers avoid unfair dismissal claims.

This new edition has been updated to take account of legislative and other developments including the Age Discrimination 2006 Regulations, the Corporate Manslaughter and Corporate Homicide Act 2007, the changes to dispute resolution procedures, and the impact of the Work and Families Act 2006.

Millions of domestic workers experience exploitation in the privacy of their employers' homes; also in South Africa they are to a large extent beyond the reach of legal protection. This book sums up four years of research on ways of realising their rights. It highlights their essential role, both as care-givers and in enabling their employers to work outside the home. Against the background of the Constitution and international law it examines ways of adapting the legal framework as well as alternative mechanisms, including new forms of organisation, for translating basic rights into effective regulation.

Your handy, authoritative guide to small business HR Packed with practical tips and advice on how to handle tricky people situations in the workplace, this friendly guide shows anyone without a ton of HR experience how to correctly—and legally—utilise HR practises within a small business. From hiring to firing, managing performance to leading change—and everything in between—HR For Small Business For Dummies ensures you and your organisation are prepared for whatever may come knocking on your human resource department's door. Written by a team of authors that runs PlusHR—an organisation that provides outsourced HR services to small- and medium-sized companies—HR For Small Business For Dummies offers a

Read PDF Avoiding Unfair Dismissal Claims Essential Facts

thorough and accessible understanding of what HR is, how it works and what key UK legislation you need to know to resolve issue-led HR problems. Throughout the book, the emphasis is on communication and how you may need to tweak your strategy as your business grows, while special attention is given to how an owner's personal style of leadership and management impacts everyone within a company. Build a recruitment strategy and establish successful HR practises Understand your legal and financial responsibilities as an employer Minimise your growing or shrinking pains—for you and your people Avoid the pitfalls of discrimination, bullying and unfair dismissal If you're an SME owner, director or practitioner who needs to know more about HR issues and how to best resolve them, HR For Small Business For Dummies cuts through the clutter and offers practical, day-to-day guidance on running an effective HR department.

This textbook is aimed at students taking the CIPD professional qualification. It has been fully revised and rewritten to take account of the new academic standards that will be taught from September 2002.

First Published in 1997. Routledge is an imprint of Taylor & Francis, an informa company. Managing dismissals fairly is a crucial part of human resources management and one where both practical and legal advice and information are essential. Recent year have seen an exponential increase in unfair dismissal claims and employment tribunals, with media coverage of these cases drawing attention to organisations that demonstrate bad practice and dismiss unfairly. It is becoming increasingly necessary for those responsible for managing dismissals or providing employment law advice to have access to reliable and up-to-date guidance that can help them with this difficult area. Tolley's Managing Dismissals contains guidance and

Read PDF Avoiding Unfair Dismissal Claims Essential Facts

advice on dismissing employees and the legal implications of doing so. It also includes troubleshooting guidance for when a dismissal does not go to plan, and for handling an unfair dismissal claim. . Features well-structured case scenarios, using a central character to guide you through all potential situations . Brings you up-to-date with the latest legislation and guidance, and includes coverage of the Employment Tribunals (Constitution and Rules of Procedure) Regulations 2001 . Shows how the increase in compensation limits affects dismissal tactics . Organised from a user's perspective to make it easy to find advice on specific situations . Contains practical documents that can be easily adapted for any situation, including sample contracts of employment and a sample compromise agreement Tolley's Managing Dismissals is the complete reference guide to the practical and legal implications of all forms of dismissal. It will enable anyone to confidently handle or advise on any dismissal using best practice and avoid the hazards associated with this critical and daunting area of the law.

The fourth edition of Unfair Dismissal Law has been written for those who want to locate and read a summary of one or more of the many topics within this particular area of employment law together with a summary of the relevant line of case authorities and the relevant legislation. This book has been written for professional employment law advisers as well as lay people. For the former, this book can serve as an aide-memoire or reference book whereas, for the latter, it can be an indispensable and invaluable source of practical information that can be used to identify and clarify a particular employment law problem and, if need be, to pursue a claim in an employment tribunal by citing the relevant case authorities and law.

This work addresses a very important issue, and one that has become more important in the

light of the Disability Discrimination Act of 1995. Since the introduction of the Act the law requires all organizations employing 15 or more people not to discriminate unfairly against disabled applicants and employees, and to provide "reasonable adjustments", with all that this implies. This volume points out how the legislative changes affect companies, and the practical steps that need to be taken, from the top of the company downwards, to ensure minimum disruption and maximum benefit. This new edition also includes the full text of the Disability Rights Commission Act 1999, which will strengthen the legislature even further.

A best practice guide to terminating employment in light of the fair Work Act 2009. Terminating employment can be an emotional and legal minefield, for both the employer and the employee. This guide explains when and how an employer can justifiably terminate employment for a range of reasons, including poor performance and redundancy.

Lewis has updated his widely recommended text to take full account of all legislative changes that have come into effect since publication of the previous edition.

This new edition of Business Law has been thoroughly updated and expanded to provide a clear and comprehensive treatment of the key aspects of business law.

Essential Public Affairs for Journalists is the definitive handbook for journalism students looking for a firm foundation in their understanding of central and local government. It guides readers through the constitutional framework and the governing institutions of the United Kingdom before considering the electoral system and the principal political parties. A number of key topics are discussed in turn, including the National Health Service, education, utilities and industry, and social security. The author examines both how these services operate and how they can generate a wealth of informative stories. End-of-chapter features summarize the key points from each chapter, allowing students to recap on areas that are likely to be examined. "Topical Feature Ideas" support the development of research skills, enabling students to pinpoint the facts they need to write a compelling article. Online Resources Further "Topical Feature Ideas" can be found with the online resources that accompany this book, which also include links to reliable and informative sources.

Succinct in its treatment of the fundamentals, and interwoven with contextual explanation and analytical consideration of the key debates, Honeyball and Bowers' Textbook on Employment Law continues to provide readers with an accessible account of the subject. Including chapter introductions and new end-of-chapter summaries, students of employment law are guided through the intricacies, while further reading suggestions assist with independent research and essay preparation. The critical elements of individual and collective employment law are considered along with treatment of the relationship between UK and EU law, to give readers a

wider view of the issues.

For nearly thirty years George Torkildsen's classic textbook has been the most comprehensive and engaging introduction to sport and leisure management available to students at all levels. Now in a fully revised sixth edition, it is still the only textbook that covers all the key topics taught within contemporary sport and leisure management courses. This new edition includes expanded coverage of the practical managerial skills that students must develop if aiming for a career in the sport and leisure industry, from planning and managing people to marketing and entrepreneurship. It includes five completely new chapters on leisure in the home, financial management, quality management and law and enterprise, reflecting important developments in contemporary sport and leisure. This edition retains the hallmark strengths of previous editions, including in-depth discussion of the social and cultural context of sport and leisure, full analysis of the public, private and voluntary sectors, and a review of key products and services, including sport, tourism, the arts, play and leisure in the natural environment. Richly illustrated throughout with up-to-date evidence, data, case-studies and international examples, each chapter also contains a range of useful pedagogical features, such as discussion questions, practical tasks and structured guides to further reading and resources. For the first time, a dedicated companion website

offers additional teaching and learning resources for students and lecturers. Visit the companion website at www.routledge.com/textbooks/taylor

The field of human resource management changes rapidly. Following the recession, new approaches are needed to succeed in a highly competitive global market place, and HR managers now draw on disciplines such as business strategy, marketing, information systems and corporate social responsibility to meet the need for functional interdependence. *Essentials of Human Resource Management*, 6th Edition uniquely provides a strategic explanation of how established human resource policies can be adapted to meet new challenges. In addition to a thorough exposition of the main policy areas, this comprehensive text offers an introduction to organizational behaviour studies, incorporates relevant aspects of employee relations, and presents an overview of employment law. This new edition shows how HR managers can: Meet the challenges of international competitiveness through organizational agility. Develop policies in talent management, total rewards and employee engagement. Utilize new technology to improve the efficiency and effectiveness of HRM Balance business demands with corporate social responsibility Written in an accessible manner, *Essentials of Human Resource Management* acts as an introduction to the subject for undergraduate students on HRM courses, as well as for postgraduate

students on MBA programmes, and it will also be a valuable reference source for line managers. A companion website supports this text with further materials.

Employment Law 4e is the most complete and accessible introduction to the subject, suitable for students from a variety of backgrounds including HRM and business management. The expert author team combine a wealth of knowledge in teaching, examining, and practising employment law to ensure the reader has a firm understanding of legal principles, in both an academic and professional context. Case exhibits in every chapter illustrate employment law in action, whilst activities test the reader's understanding of the law and its application in the real-world. Together, they enable students to effectively develop their knowledge of current legislation and maximize their learning. In addition, a dedicated chapter on preparing and presenting a case gives the reader a unique opportunity to demonstrate their understanding using a fictional scenario, through which they can gain a greater insight into the challenges faced by those required to prepare and deliver a case before an employment tribunal. As a result, Employment Law 4e is an essential textbook for students seeking to develop their academic and professional skills, as well as foster their understanding of a subject that directly affects business managers and their employees. Online Resource Centre This book is supported by an integrated Online Resource Centre. For students: - Test your understanding and receive instant feedback with our range of multiple

choice questions. - Source relevant and reliable further reading using our publications briefing resource. - Keep informed of changes to the law with our regular updates from the authors. For registered lecturers: - Access additional case studies and questions to support your teaching.

Employment Law introduces the issues involved in the regulation of employees and their relations with their employers. It explain the framework governing employment contracts, dismissal procedures and redundancy payments. The book also covers TUPE, discrimination law and family friendly legislation.

Now in its eighth edition, The Employer's Handbook has established itself as a source of reliable and unambiguous advice for small - and medium - sized employers. The book is a comprehensive source of hands-on advice on the increasingly complex legal framework now governing UK employment law. Presented in plain English, it includes guidelines on age discrimination legislation and the latest employment tribunal forms. It also provides access to free legal updates and downloadable templates, forms and policy documents for dealing with key employment issues, including: recruiting staff; writing contracts; performance management; maternity/ paternity rights; data protection; terminating employment; and working with trade unions. Fully updated for this 2011 edition, The Employer's Handbook clearly identifies the legal essentials and best practice guidelines for effective people management.

Employment Law has been developed primarily for students taking an elective module

in employment law on the LPC and is suitable for courses with either a corporate or private client focus. The 2016 edition continues to provide a practical and comprehensive guide to the subject and has been fully updated to include recent UK and European case law and developments in employment law practice. Examples and sample documents are included throughout the book to help students understand the practical application of the law, preparing them for the situations they may encounter once qualified. Detailed information is presented clearly and concisely, with the use of flowcharts and diagrams to provide a visual overview of complex processes and areas of common difficulty. End of chapter summaries and self-test questions are also used throughout the book, to help students consolidate their learning and identify areas for further study. This book is also accompanied by a free Online Resource Centre (www.oxfordtextbooks.co.uk/orc/employment2016/) which includes updates to the law post-publication, self-test questions with instant feedback, outline answers to the questions in the book, and electronic versions of flowcharts and diagrams to assist with notes and revision.

GPs (doctors) and practice managers confront many issues in staff management. A Guide to Staff Employment in General Practice provides detailed procedures for navigating these sometimes difficult issues. At the same time, the book identifies relevant UK law and draws on authoritative advice from bodies such as Acas. Although it contains expert information on employment law, expert knowledge is not required to

Read PDF Avoiding Unfair Dismissal Claims Essential Facts

use this book. It has an easy-to-use style and gives step-by-step guidance throughout. Information is accompanied by meticulous cross-referencing and details of the pertinent employment law are readily available in the appendices. The book accesses current law and good practice, allowing readers to manage any specific issue. The book covers a wide range of topics, including: the employment contract - the key to the many employment rights - and how to change the contract legally; managing disciplinary procedures; performance management (including sickness absence); dismissal; equality; maternity rights; appraisal; workplace stress. The book also contains a chapter on recent developments, such as GP federations and their employment implications. This guide has been compiled by a practice adviser with many years' experience of advising, representing and training GP practices. Not only does the author know how employment law works, but he also knows how general practice works. Readership: GP staff partners, practice managers, HR personnel in (English) Clinical Commissioning Groups, GP trainers who may need an employment manual to take trainees through learning situations; trainee practice managers.
