From PBS KIDS, the number 1 educational media brand for children, this beautiful concept board book helps babies to build a vocabulary with photos and illustrations of 100 common words. Research has shown that babies learn best when they're engaging with an adult. This fun, colorful book is designed to be read by a grownup to a child, to help babies up to two years old learn new words. From everyday household objects to animals, body parts, toys, and food, babies will love looking at the colorful pictures and learning the name for each item. The 100 words were selected by experts in child development. Written during award-winning pediatrician Dr. Scott W. Cohen's first year as a father, Eat, Sleep, Poop is the only book to combine two invaluable "on the job" perspectives—the doctor's and the new parent's. The result is a refreshingly engaging and informative guide that includes all you need to know at each age and stage of your child's first year. Drawing on the latest medical recommendations and his experiences at home and in the office, Dr. Cohen covers everything from preparing for your baby's arrival to introducing her to a new sibling, to those three basic functions that will come to dominate a new parent's life. Eat, Sleep, Poop addresses questions, strategies, myths, and all aspects of a child's development. In each instance, Dr. Cohen provides a thorough overview and a simple answer or explanation: a "common sense bottom line," yet he doesn't dictate. The emphasis is on doing what is medically sound and what works best for you and your baby. He also includes fact sheets, easy-to-follow

diagnosis and treatment guides, and funny daddy vs. doctor sidebars that reveal the learning curve during his first year as a dad. Lively, practical, and reassuring, Eat, Sleep, Poop provides the knowledge you need to parent with confidence, to relax and enjoy baby's first year, and to raise your child with the best tool a parent can have: informed common sense.
