

expense of money. These, easy remedies became very popular in India. Keeping in mind a code of conduct, dharma, practical aspects, good conduct and the basic principles of life and the need for proper discipline in society, the author had suggested the remedies which were accepted by the common men by heart. For example, respect of elders, service to parents, offering grass to cow, offering bread to dog, feeding monkeys with gram and jaggery etc. are such remedies that can easily be done by everybody. The principality of twelve signs and nine planets of Indian astrology has also been accepted by Lal Kitab. The mere difference is that whereas in the prevalent astrology the ascendant is determined by the time of birth, Lal Kitab always keeps it between Aries and Pisces

It's rightly said that Motherhood is one of the greatest blessings from God. To give birth to a Healthy Baby right from the day a woman conceives through almost a year, i.e., nine months is indeed a tough job! However, this job can be simplified by eating the right foods, consuming the right drinks and adopting the right and healthy habits. This book is a complete guide for a pregnant woman. It gives all the important facts, such as, Prior to Conception and after it, All the developments and changes that occur in the body during the First, Second and Third Trimesters of Pregnancy, The Three Stages of Labour, Breast and Breast-feeding, How to prevent a Pregnant woman from getting affected from AIDS or other Vaginal and Infectious Diseases, etc. Planning for a baby is a matter of pleasure and joy but on the other hand, a big duty or responsibility. Therefore, correct knowledge about pregnancy and how to deal with it provides an expectant woman, not only a painless delivery but also a healthy and jubilant baby. This is the sole aim of the book and hope it serves as a helpful guide for all women, especially the ones who are becoming a mother for the first time! #v&spublishers

Comparative syntax has been playing an increasingly important role in research in syntactic theory. Japanese has also been discussed in comparative perspective, but the comparison has been mostly with English. This volume aims to pursue the comparative syntax of Japanese with other Asian languages and, by doing so, to make original contributions to syntactic theory.
