wide range of social, cognitive, environmental, cultural, and biological factors. This extensively revised edition (6th ed., 1991) adds a new chapter on Social Identity: Self and Gender. Annotation copyright by Book News, Inc., Portland, OR

Using current socio-political thought and research, this book examines topics such as violence, social and political transition, race and racism, and sexualities. Theoretical and empirical research are related to topical problems, highlighting the complex relations of individuals to their societies and to one another. The histories and complexities of problems and their interconnectedness are examined, and possible solutions are suggested. Special attention is paid to class, sexuality, gender, and race, making psychology in general, and social psychology in particular, relevant and exciting.

This special edition of Social Psychology, Twelfth Edition, is tailored to the second-year BA social psychology course of the University of Mumbai. Baron/Byrne/Branscombe's Social Psychology is a classic text that has motivated students to take social psychology out of the classroom and into their lives for over four decades. The twelfth edition retains the hallmark of its own past success: up-to-date coverage of the quickly evolving subject matter written in a lively manner that has been embraced by hundreds of thousands of students around the world. This book continues to balance its coverage of fundamentals with current research. Gopa Bhardwaj, Professor of Psychology at the University of Delhi, has added
