Learning to read and write Chinese requires lots of practice. This unique practice guide can be used with any Chinese textbook or on its own to enhance your proficiency in reading and writing Mandarin Chinese. Intermediate Written Chinese Practice Essentials offers a wealth of carefully-designed exercises and activities to help you develop every aspect of your reading and writing ability. This workbook has been designed so it can be used either in a class with an instructor or by independent learners working on their own. Both simplified and traditional characters are taught and practiced in the same volume. This means students can learn either or both kinds of characters without having to purchase another book, and instructors have the flexibility to teach a combined class where some students read and write one type of characters and other students the other type. This workbook provides character practice sheets for the 336 characters introduced in Intermediate Written Chinese, with complete information on stroke order and direction for both the simplified and traditional forms of the characters.
