Business Mathematics focuses on transforming learning and teaching math into its simplest form by adopting learning by application approach. The book is refreshingly different in its approach, and endeavors to motivate student to learn the concept and apply them in real-life situations. It is purposely designed for the undergraduate students of management and commerce and covers wide range of syllabuses of different universities offering this course.

As the magazine of the Texas Exes, The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years. The Alcalde serves as an intellectual crossroads where UT's luminaries - artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them - meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for "mayor" or "chief magistrate"; the nickname of the governor who signed UT into existence was "The Old Alcalde."

Montcalm Community College in Sidney, Michigan, has often been called, “The Pearl of Montcalm County”—and for good reason. Amid farmlands and crystal lakes, the small bastion of higher education has faithfully endeavored to fulfill its mission of creating a learning community that contributes to the area’s economic, cultural, and social prosperity. This commemorative history celebrating the college’s fiftieth anniversary includes numerous pictures that document its beginnings, growing pains, and advancement through five administrations to the respected and growing institution it is today. Learn key facts, including how: Dr. Donald Fink, the institution’s first president, took the concept of a college and

moved it forward. Staff at the college raised sorely needed money in the early years; Anderson Farm was selected as the site of the college campus; College faculty sought creative ways to bring learning and development to the greater community. Through challenges and successes, the college has kept growing and continued to carry out its mission, proving that its story is not about buildings and programs. Rather, it's about the lives that have been touched, shaped, and changed forever.
