acrylic paint. You will learn the different terms used when working with acrylic paint as well as how to mix acrylic paints to get the colors you desire. You will learn about the different surfaces that you can use acrylic paints on and how to prepare your surfaces for painting. By the time you finish reading this book you are going to be able to choose whatever subject you want to paint and know exactly how to paint it. You will learn why it is important to prepare your canvas or other surfaces for painting and how it will affect your final outcome and you will also learn how to correct any mistakes you make while painting as well as how to avoid them. Why You Must Have This Book! In this book you will learn how to choose which type of brush is best for the project you are working on and how to use each brush designed for acrylic paints. This book will teach you the steps that you need to know to make a beautiful piece of artwork. In this book you will learn how to set up the area you will be working in so that you get the proper light needed to work with acrylic paints. This book will guide you through painting with acrylics from choosing your brush to finishing your painting. This book will teach you how to dull out your colors if they are too bright and how to brighten colors that are too dull and many more.

as it is not just rubbing the pastel in the paper and staining your delicate hands. We will be using brushes when applying Pastels and materials for blending which you can easily find in your home, or at your local art store. You will be using Shaved Pastel colors, which I will teach you to make and use for our work. You will also learn various techniques of how to blend the Pastel using single or a combination of colors. This will include a discussion of the color wheel, which is very essential for every artist, and much more for you. You have to read the book step-by-step, and by that I mean that you can't go to the exercises without learning the basics and fundamentals first. You will need to start at the beginning and go through each chapter, in order, for you to understand it fully. If you give dedication or set time to read the book and work with the exercises as you are working with your rendering skills, it will become evident that you are getting better as you continue working and gaining experience. Who knows where it will take you in the future, for it will be very bright for sure. So have fun with your Pastels, future artist. Get your materials ready (listed below) and follow the step-by-step procedures thoroughly in the exercises. I'm sure at the end you will have Pastel Rendering skills and you will be rewarded by becoming a better artist. And as always, "have fun doing the exercises" and be sure to check out our Pastel eBook series and other eBooks.

In this book, I will show you how you can start your painting journey in Adobe Fresco, even if you never painted before. A step-by-step explanation will guide you through all projects in this book. Please read this
