Though many people dream of living the life of an entrepreneur, the intense struggle to achieve that dream deters most of them from following that path. This book provides would-be small business owners with the motivation and inspiration they need to push past the doubts that these obstacles can cause so that they meet the challenges that come with being your own boss. Fighting the Battles of Being Your Own Boss incorporates not only tried and true advice on essential entrepreneurial skills like business management, financial planning, and marketing, but also draws upon the wisdom of The Holy Bible to provide spiritual counsel, both to help illustrate essential business concepts as well as to provide comfort for the stressful periods on the road to self-employment. One-part devotional and one-part business advice book, Fighting the Battles of Being Your Own Boss is a friendly yet practical introduction to the world of entrepreneurship with a strong emphasis on the spiritually transformational nature of building a new business from the ground up. Following the advice and living by the philosophies within author Richard James's book are sure to ease the layman's transition into the entrepreneur's lifestyle and make their journey towards being their own boss smoother and more fulfilling.

the life of your dreams. Now it's time to take the next step and read *A New Entrepreneur*, a book that will make your dreams a reality.

Carrie Wilkerson offers the opportunity to live life on your terms. Want to start your workday with e-mail and coffee on the back patio? Want the flexibility of joining your fourth grader on an all-day field trip? Are you ready to take that vacation you've been planning for years? Then you have a choice to make, and *The Barefoot Executive* will help jump-start your transition. You'll learn: Your "why." The most important question. Why do you want to work for yourself? What type of business best suits your experience and talents. How to stay focused on your goal and avoid distractions. Where to find the support that will accelerate your success. How to link your business to the right market. Whether it's a service, a product, or your insight or expertise, you already have the raw materials necessary to transform your life. Carrie will walk you through the process of building the business you need to achieve the life you want. Her guidance is practical. No philosophical silliness, no theoretical abstractions- just concrete action steps alongside insights from fellow entrepreneurs, interactive exercises, and links to Carrie's online video coaching segments. It's the next best thing to working one-on-one with her. *The Barefoot Executive* will have you energized by the possibilities and embracing the extraordinary life that is well within your reach. **DISCOVER** what you already have to offer, how to use it to your advantage, and where to find the people who are eager to buy it. *The Barefoot Executive* will pull you over the

hurdle of uncertainty and get you moving, planning, doing. What Others Are Saying: "Carrie Wilkerson has done a great job with this book, and she's personally helped me make tons of money with my business. I highly recommend this book!" - Chris Brogan, president, Human Business Works, and publisher of chrisbrogan.com "There has never been a better time to turn your passions into income. But just having an idea doesn't mean you're ready to order business cards just yet. Carrie Wilkerson's *The Barefoot Executive* walks you through the process of developing your idea, finding your audience, and setting yourself up for a lifetime of success doing the work you love for the hardest boss you'll ever have... yourself!" - Dave Ramsey, host of *The Dave Ramsey Show* and best-selling author of *The Total Money Makeover* "One of the best ways to achieve success is to learn from someone who has already done it. If you are looking to build a viable, sustainable, and lucrative business from home- or anywhere else- Carrie Wilkerson is your example, and her new book will show you the way." - Tim Sanders, author of *Today We Are Rich* and former CSO at Yahoo! "A lot of books can fire up an entrepreneur. But a lot of those books leave readers high and dry when it comes to practical application. Enthusiasm isn't enough. You need a plan and the tools to build with. Carrie Wilkerson's guidance provides just that. Combine that with her enthusiasm, warmth, and core values, and you have someone very real to learn from. As my dad says, 'a great book needs to cover the Why and the How.' This is a great book. I know that when Carrie advises Ziglar, Inc. on marketing ideas, we get results." -

means you're frantic and scrambling. It's good to have options in your back pocket. How to Be Your Own Boss is your road map to use your talents and skills to create your own success. The information here is based on the hard-knock lessons I learned from jumping into the self-employed game with less-than-adequate business skills twenty five years ago. I survived . . . barely. And the information I share will give you the confidence to know that you too can survive and thrive being self-employed. Here's what you'll discover: How to think like an entrepreneur. How to price your work and products. Cost-effective marketing strategies. The danger of free marketing advice. How to structure your business. Financing options. How to ask powerful questions and why such questions matter. You'll find solid, actionable information presented in an informal, approachable style, with a good laugh or two thrown in along the way. This isn't your typical dry business book based on theory. The ideas presented here are forged in real-world experience. You won't find "corporate-speak" platitudes either. Whether you're an Average Joe or an Executive Josephine you'll find this book chock-full of information you can sink your teeth into and begin your journey to success.
