This volume deals with the tension between unity and diversification which has gained a central place in the debate under the label of 'fragmentation'. It explores the meaning, articulation and risks of this phenomenon in a specific area: International Criminal Justice. It brings together established and fresh voices who analyse different sites and contestations of this concept, as well as its context and specific manifestations in the interpretation and application of International Criminal Law. The volume thereby connects discourse on 'fragmentation' with broader inquiry on the merits and discontents of legal pluralism in 'Public International Law'.

It is a desire of every Child of God to reach and fulfill their destiny. I believe with all my heart that it is Gods will for you to make it into your promised land. The Bible clearly states that what happened to Israel from Egypt, into the wilderness and to the Promised Land was all written for us; as an example and a warning for us of whom the end of the age has come. (1 Corinthians 10:6-11), that we should not lust after evil as they did, neither be idolaters as were some of them, neither let us commit fornication as they did. Neither let us tempt Christ as some of them also tempted Him and were destroyed by a serpents. When you read the book of Exodus and the disappointing events that happened to Israel, God is speaking and saying to you and me, take heed and do not fall into the same trap. Now in this book, I speak about what I call the seven 'ITES' before Israel they are basically the seven mighty nations God allowed to be an obstacle between where Israel was in the wilderness and where they needed to go, which is Canaan or the promised land. They are the Hittites and the Girgashites and the Amorites and the Canaanites and the Perizzites and the Hivites and the Jebusites. God clearly states that they are indeed mighty and strong, but Israel needs not to worry She will utterly destroy them by Gods power....
