Beyond Buds is a handbook to the future of marijuana. Prohibition's end has led to a technological revolution that's generated powerful medicines and products containing almost zero carcinogens and little smoke. Marijuana icon Ed Rosenthal and leading cannabis reporter David Downs guide readers through the best new consumer products, and demonstrate how to make and use the safest, cleanest extracts. Beyond Buds details how award-winning artisans make hash and concentrates, and includes modern techniques utilizing dry ice and CO2. The book is a primer on making kief, water hash, tinctures, topicals, edibles, and other extracts from cannabis leaves, trim, and bud bits, and it goes on to explore and simplify the more exotic and trendy marijuana-infused products, such as butane hash oil (BHO), shatter, wax, and budder. More complex than lighting a joint, these innovative products call for new accessories — special pipes, dabbing tools, and vaporizers — all of which are reviewed and pictured in the book. Beyond Buds expands on Rosenthal's previous book Ask Ed: Marijuana Gold — Trash to Stash. Completely updated with full-color photographs that are both "how-to" guides and eye candy, this book enables not only the health-conscious toker but also the bottom line-driven cultivator.

PRAISE FOR AFTER LEGALIZATION: GLENN GREENWALD, JOURNALIST: “Jon Walker has established himself as one of the most diligent, insightful and important young policy writers in America, and this new book cements that status. America is finally coming to terms with the stark irrationality and destructiveness of its criminal prohibitions on marijuana, rendering legalization inevitable. Walker’s hard-earned expertise is vital for understanding how this process can be accelerated and most effectively implemented. It’s a must-read for anyone with even a passing interest in drug policy and reform.”

RYAN GRIM, HUFFINGTON POST DC BUREAU CHIEF: “The history of American drug policy shows that it does not move in one direction only. At the turn of the century, drugs were legal before being
