The "Law" is the laws that govern thought and the forces of nature, the phenomena that we perceive, things that are not flexible. The "Word" is the divine power that creates. In 1917's The Law and the Word, philosopher Thomas Troward reconciles these two concepts in the shadow of the Biblical promise of

eternal life for the truly faithful. With a logical, often scientific, always benevolent style, Troward lays out a method for the practical application of spiritual metaphysics. Published a year after the author's death, this work represents the culmination of all his esoteric studies and succeeds in bringing together the spirit and the mind, eventually becoming one of the earliest and best-known foundation stones of modern New Age thought. English judge, philosopher, and painter THOMAS TROWARD (1847-1916) lived most of his life in India, in the service of the imperial monarchy. Among his publications, many of which profoundly affected the New Thought Movement, are *The Hidden Power and Other Papers on Mental Science*, *Bible Mystery and Meaning*, and *The Creative Process in the Individual*.

The Bible is the most important book ever published. It has had more influence on history and affected more lives than any other book. It divides nations and unites cultures. Some people read the Bible for its literal meaning while others read it for the implied meaning. To this day, it continues to shape the heart, soul, and minds of individuals, generations, and societies worldwide. How can this controversial and

profound book be the answer to the problems of the world? The first step is to look at how we perceive the Bible – is it a history book or guide book? For centuries, people have viewed the Bible as a bridge to the past, describing how humanity lived, survived, and died, while in truth it is actually shining the “Light of Truth” onto our present-day living to help us meet our personal and social problems. New Thought writer Jack Ensign Addington believes that once you discover the hidden meaning of the Bible, an infinite source of wisdom will be illuminated and revealed.

This book will help you to solve The Riddle of Life by introducing changes in the way you think. "The Riddle of Life" emphasizes personal training of mind and body in the first place but it also possesses a strong ethical component, advocating ongoing improvements within society to insure opportunity for the entire gene pool. Within The Collected Works of Thomas Troward are four complete books including; The Creative Process in the Individual, Bible Mystery and Bible Meaning, Collected Essays of Thomas Troward, and The Universal Spirit. "Jesus says that if a man keeps his saying, he shall never see death (John 8:51); in the Book of Job we are told that if a man has with him "a messenger, an interpreter," he shall be delivered from going down to the pit, and shall return to the days of his youth (Job 33:23-25); the Psalms speak of our renewing our youth (Psalm 103:5); and yet again we are told in Job that by acquainting ourselves with God we shall be at peace, we shall lay up gold as dust and have plenty of silver, we shall decree a thing and it shall be established unto us (Job 22:21-28). "Now, what I propose is that we shall reread the Bible on the supposition that Jesus and these other speakers really meant what they said. Of course, from the standpoint of the traditional interpretation this is a startling proposition. The traditional explanation assumes that it is impossible for these things to be literally true, and therefore it seeks some other meaning in the words, and so gives them a "spiritual" interpretation." Collected Essays of Thomas Troward includes 15 essays written by Troward throughout his later life. Essay subjects include: The Principle of Guidance, The "I Am," Mind and Hand, Submission, Affirmative Power, The Spirit of Opulence, And more. The essays constituting The Universal Spirit were originally published as a series of articles by Thomas Troward. They are collected here, along with a forward by Paul Derrick describing Troward and his works. Thomas Troward was Her Majesty's

Assistant Commissioner and later Divisional Judge of the North Indian Punjab from 1869 until his retirement in 1896. It is this later period for which he is best remembered and most celebrated; in it he was at last able to devote himself to his great interest in metaphysical and esoteric studies. Troward is one of the founding fathers of Mental Science and a leading proponent of the 'New Thought' movement, a forerunner of what is now known as 'New Age' thinking.

Bible Meaning and Bible Mystery by English judge, author, and New Thought advocate Thomas Troward, was originally published in 1917. Bible Mystery and Bible Meaning is considered an important and controversial work by author Thomas Troward. In the work Troward discusses critical concepts in the Bible and draws connections between these biblical writings and science to attempt to prove his belief that they are not contradictory, but in fact are complementary. As one of the earliest writers to explore connections between science and the bible, this is an important work because it has been used widely by scholars both in the fields of biblical studies as well as science for more than a century. This is an excellent publication for those of both fields and also of Troward's other writings in the area of the New Thought movement.

This book reveals the mystery of "Christ" and the "Kingdom of God" that were placed "here a little" and "there a little" in the words of the bible that were written "line upon line" (Isaiah 28:9-11). In other words these scattered mysteries which are in the form of hidden parables or dark sayings have to be gathered together as one so you can see the truth. These mysteries are revealed using the "pure language" of numbers and the "another tongue" which is English. I believe the "ancient" bible was designed to be deciphered using "modern" technics. Once you finish this book you will realize God hid the mystery in plain sight in the title of his book in the four letter word of "Holy" bible. I have listed Jesus birth, crucifixion and resurrection dates along with prophecy including "Abaddon" or "A bad don." I have listed the biblical meanings of the signs of the zodiac

and the hidden meanings to the nine planets using the Holy Bible as the key. I have also listed the meaning behind the 9-11 dates and the meaning of the two towers becoming one tower. Once you understand the design of Christ who is the WORD of God, you will understand why the "Kingdom of God" is actually "within you". Prepare yourself for an eye opener. It will look like blasphemy! Most Hebrews and Christians will not investigate a path if they deem it to be evil. Because they are superstitious and believe they will be punished for even attempting to investigate such a path. Well how do you know if a path is evil if you won't walk it to get to the truth? This line of thinking are the scales that cover their eyes. It is this line of thinking that is a huge stumbling block. You can't understand one side of the coin thoroughly without understanding its contrast. I know why Jesus gave the keys to Peter. Because the key that unlocks the bible is in one of the books of Peter. If you want to know why a man and woman or the two become one or why the bible only has two testaments but it is one book, then read this book. I know why the two cherubim on the Ark of the Covenant were beaten out of one piece of gold and why they are mirror images. I know that the twins Pharez and Zerah names are mirror images of each other with the exception of the letter "P" and I know what it means. So I know they are identical twins even though they aren't described in detail. I know why Jacob was really holding onto Esau's heel when they came out of the womb or creation and then were divided in two. I also know why Esau was described as a hairy (masculine) man and Jacob was described as a smooth

(feminine) man. I know why Pharez and Zerah were born from their mother Tamar which means "Palm tree" which is hermaphroditic. So I know they sprang from a hermaphroditic source, metaphorically speaking. I know the hidden meaning behind Moses parting the Red (blood) sea into two sides. I know why King Solomon was really going to part a son into two sides. I know why God hates the older and loves the younger son. I know why darkness came first (alpha) and light came last (omega) in creation. I know why a day begins in the evening (darkness) and ends in the morning (light) on the Hebrew calendar. I know why Noah sent out a raven or black bird (darkness) first and a dove or white bird (light) last. I know why darkness always comes first. I know why there were 3 hours of light and 3 hours of darkness when Jesus was crucified in the New Testament. Which is a mirror image of when darkness came first and light came last in the Old Testament. I know why the Jews kill the sacrificial lamb at twilight which means when the two lights of darkness and light are equal. I know why Jesus was buried at twilight and why he was resurrected at dawn when the two lights were even. Perfect "pH" is the balance between both sides. Once you finish this book, you should be able to understand why. This book will rock the foundation of everything the Jews and Christians believe.

For 800 years the prophecies in the Book of Revelation have captured the collective Western imagination. This book seeks to unravel the mystery often surrounding the last book of the Bible. It offers a clear overview and explanation of the book's meaning. It takes the reader on a panoramic tour of Revelation, in the process exposing many of the myths which have clouded its interpretation

and robbed the church of a proper understanding of its important and relevant message, a message as compelling now as it was when it was first written. It is designed to be understandable by the average church member while at the same time providing an accurate and thorough explanation of its contents.

Excerpt from Bible Mystery and Bible Meaning Light out of Darkness cannot be stated in any other order than the dawning of morning from night. It is the dawning into manifestation out of non manifestation, and this happens at each successive stage of the evolutionary process. We should notice, also, that nothing IS said as to the remainder of each day. All that we hear Of each day is as the morn ing, thus indicating the grand truth that when once a Divine day opens it never again descends into the shades of night. It is always morning.
