An engaging, richly illustrated account of parish churches and churchgoers in England, from the Anglo-Saxons to the mid-sixteenth century. Parish churches were at the heart of English religious and social life in the Middle Ages and the sixteenth century. In this comprehensive study, Nicholas Orme shows how they came into existence, who staffed them, and how their buildings were used. He explains who went to church, who did not attend, how people behaved there, and how they—not merely the clergy—affected how worship was staged. The book provides an accessible account of what happened in the daily and weekly services, and how churches marked the seasons of Christmas, Lent, Easter, and summer. It describes how they celebrated the great events of life: birth, coming of age, and marriage, and gave comfort in sickness and death. A final chapter covers the English Reformation in the sixteenth century and shows how, alongside its changes, much that went on in parish churches remained as before.

A collection of papers from two international symposia by such important scholars as Aune, Dunn, Gerhardsson, Meyer, Rordorf and Talmon. The articles share the conviction that the only way to break the deadlock in the Synoptic problem is to examine the oral tradition about Jesus which lay behind the Gospels, and to continue even beyond them. The book addresses such central issues as the characteristics of oral tradition: oral tradition in Judaism, in the teaching of Jesus (his aphorisms and the narrative meshalim) and in the Gospel narratives; and the relationships of John, Paul and the Didache to oral tradition. This volume should bring onto a new plane the discussion of the all-important oral stage of Gospel tradition.

In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

In *Jesus the Bridegroom*, Brant Pitre once again taps into the wells of Jewish Scripture and tradition, and unlocks the secrets of what is arguably the most well-known symbol of the Christian faith: the cross of Christ. In this thrilling exploration, Pitre shows how the suffering and death of Jesus was far more than a tragic Roman execution. Instead, the Passion of Christ was the fulfillment of ancient Jewish prophecies of a wedding, when the God of the universe would wed himself to humankind in an everlasting nuptial covenant. To be sure, most Christians are familiar with the apostle Paul's teaching that Christ is the 'Bridegroom' and the Church is the 'Bride'. But what does this really mean? And what would ever possess Paul to compare the death of Christ to the love of a husband for his wife? If you would have been at the Crucifixion, with Jesus hanging there dying, is that how you would have described it? How could a first-century Jew like Paul, who knew how brutal Roman crucifixions were, have ever compared the execution of Jesus to a wedding? And why does he refer to this as the "great mystery" (Ephesians 5:32)? As Pitre shows, the key to unlocking this mystery can be found by going back to Jewish Scripture and tradition and seeing the entire history of salvation, from Mount Sinai to Mount Calvary, as a divine love story between Creator and creature, between God and Israel, between Christ and his bride—a story that comes to its climax on the wood of a Roman cross. In the pages of *Jesus the Bridegroom*, dozens of familiar passages in the Bible—the Exodus, the Song of Songs, the Wedding at Cana, the Woman at the Well, the Last Supper, the Crucifixion, and even the Second Coming at the End of Time—are suddenly transformed before our eyes. Indeed, when seen in the light of Jewish Scripture and tradition, the life of Christ is nothing less than the greatest love story ever told.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Why does the earth exist? What is the purpose of human life? These are two of life's most fundamental questions - and they are addressed by the Bible's remarkably unified story, which centres on a unique deity. Desmond Alexander explores this story by beginning at the end, in the final chapters of the book of Revelation. Anticipating the creation of a new earth and a new heaven, these chapters bring to fulfilment a process that began with the creation of the earth, as described in the opening chapters of Genesis. These passages frame the entire biblical 'meta-story'. This stimulating study outlines some of the central themes that run through the Bible, with broad brush strokes designed to show the general shape of the meta-story. Seeing the big picture enables us to appreciate the details more clearly; and since the themes were an integral part of the thought-world of the biblical authors, an appreciation of them may alter significantly our reading of individual books. Good theology always has pastoral implications, and the study occasionally moves into areas of application - the truths revealed are extremely important for shaping our life-style choices.

This is one of those books that, in its simplicity, is full of substance and depth, and it deserves to be read.--Cardinal Antonio Canizares Llovera, Prefect of the Congregation for Divine Worship Francisco (Kiko) Arguello was an award-winning painter, and an atheist. Struggling with the contrast between his desire for justice and the lack of justice in the world, he adopted existentialism and its explanation of life: everything is absurd. But if everything is absurd, why paint? For that matter, why even live? Such questions led Arguello to the brink of despair. He called out to God and personally experienced the reality of divine love as revealed in Jesus Christ. Dedicating his life to Christ, Arguello began living among the very poor. While in a slum on the outskirts of Madrid, Arguello met the lay missionary Carmen Hernandez, and together they began proclaiming the good news of salvation to the poorest of the poor. Their method of transmitting faith in Christ and building Christian community has become a model of evangelization. Now known as the Neocatechumenal Way, it has spread to cities throughout the world and received the approval of the Holy See.
