Meet Renee, an up and coming professional in the world of loans and financing. She didn't come to this path easily, surviving a childhood in East Los Angeles in a single parent home with plenty of siblings to forge a less than successful path for her. But Renee saw something different out there for herself, a world full of opportunity and promise. The fact that she was a big girl never stopped her from pursuing a career, until the 10-year friendship with Robert bloomed into romance. Tall and rather lean, Robert was not at all what you would call a leading man but Renee fell in love with Robert and he fell hard for her. Things looked promising until the Colonel, Robert's father, met Renee. All bets were off. Suddenly Renee's weight became the deal breaker. You will laugh, you will cry, but ultimately you will be fighting this battle right along with Renee, cheering her on, while she's putting on her big girl panties.

In my book I tell about how diets are like pushing an elephant up a hill. I associated diets to underwear. The good and the bad about diets. I collected a lot of sayings to go along with the diets and life problems. Shirley Pumfrey has worked in a factory her entire life. Her family comes first, then her job. Sometimes she would like to keep her dog, Doc, and get rid of her husband. Being married for more than 35 years is more like a test for her. Sometimes she doesn't understand how her husband has put up with her for so long. Some days she can barely stand herself! Shirley and her husband enjoy antiques. Cheap antiques that is! Some of her friends say they have a house from the 70's, but looks like a museum. Shirley's first book, Kripe I'm Petered, is available for you to purchase. She has several other manuscripts coming soon to share!

Big Girl Panties is a Southern, romantic comedy that will leave you laughing and swooning in equal measure. It is the first novella in the Like A Lady serial and cannot be read as a standalone. Mom always tells me that when life gives you lemons you squeeze the heck out of them and hope for some lemonade, but after catching that no-good lying, jerk of a bastard cheating on me seconds before we were supposed to be married, I do what any self-respecting Southern girl would do: throw a punch and hide under my blankie. Now, Mary Lou thinks I need a night of fun and adventure. I agree to go out, planning to get her off my back, but when I find myself in Mason Pierce's arms, I'm thanking my lucky stars, and my best friend. ~Red Freemont, Oklahoma, is the last place on the whole damned planet that I want to spend my summer and working on my parents' ranch is the last thing I want to do, but damned if that's not what I'm doing. "Savvy, smart, and sexy!" Susan Andersen, New York Times bestselling author of That Thing Called Love Holly didn't expect to be a widow at thirty-two. She also didn't expect to be so big. After her husband's death, food was the one thing she could always count on. Then she meets Logan Montgomery, a personal trainer so hot that he makes her sweat in all the right (and so embarrassingly wrong!) places. Charmed by her witty wisecracks and sharp insights, he offers to help her get back in shape. Holly turns out to be a natural in the gym, slimming down into a bona fide looker with killer curves—and a new kind of hunger. Before either of them can stop it, their training sessions lead to even more steamy workouts away from the gym. But can Logan commit to a woman who doesn't fit his ideal? Now that Holly's turning other men's heads, does she even need Logan anymore? Are they a couple built to last . . . or destined to fizzle?
