Uses more than seven hundred illustrations, biographical profiles, and descriptions of genres and themes to survey the variety of American comics and their creators since 1945.

Follows three brothers--Clifford, whose wife leaves him to find true love; Victor, plagued by his inability to have a successful romantic relationship; and Nathan, a minister struggling with his desire for a beautiful woman--as their lives take unexpected

My mother named me Jane after Jane Austen--or maybe Jane Eyre. She said either one would do. With a name like Jane, I might not be a beauty queen or the most popular girl in the room, but I would be smart and strong and make good decisions. I guess I've mostly lived up to my name. My mother died before we could go on our trip to England to visit all of the best Jane-spots, so I'm going with my best friend instead. That's Nate. He's sweet and funny and adorable, and we've known each other since kindergarten. In fact, he was almost my stepbrother until my mom and his dad broke up. But don't get the wrong idea about him. It's never been romantic between us. At the moment, I'm crazy about this mystery guy I've been talking to on a dating site, and he's nothing like Nate at all. I don't know why I'm suddenly finding Nate so attractive, and I don't know why he has started acting kind of strange. Anyway, this is my Jane trip, and I've been waiting for it all my life.

Holly Simon is a woman of individuality, authenticity, and determination. Married to a Chicago cop, and a fiercely loyal mother, Simon's life was on a comfortable trajectory. Then, her fifth baby, Nate, was born with Down Syndrome. Things could have changed with a simple "Congratulations." Instead, the medical staff made the mistake of saying, "I'm sorry." Since the day Nate arrived, Simon has been working to change the world's "sorries" to "congratulations," advocating for all people who have special needs. As founder and executive director of the I Am Who I Am Foundation, Simon has touched thousands of lives with the simple message of acceptance through awareness. It hasn't always been easy. The challenges of raising a child with special needs and facing her own serious health issues taught Simon how to be the change she wanted to see. By sharing her story in "I Am Who I Am," she invites readers to make important changes in their own lives.

Young Natalie is not your typical farmer's daughter. Ever since the day of her birth, her father has thought of her as a boy, and he's treated her just like he might treat a son. At six, Nate (as she prefers to be called) is already resilient, strong, and even stubborn at times. She's also impressively independent and surprisingly shrewd, traits that will serve her well in life. As a child of the Appalachian Hills of Pennsylvania, she is by nature guarded, but she is also blessed with a strong work ethic. Above all, she is smart. As she grows and her life leads her away from the farm, Nate begins to discover who she really is. A student of engineering with dreams of entrepreneurial freedom, she thinks she has it all figured out. The problem is-life has other ideas. Tested to her limits on more than one occasion, she has quite the adventure ahead of her, a bumpy and unforgettable journey from the farm to the boardroom.

Big Nate. He thinks big. He talks big. He acts big. And the Big Nate: I Can't Take It, featuring our mischievous middle-school hero, is big fun. The second collection of all-color Sunday Big Nate cartoons! Life can be stressful for Nate Wright. At school, Mrs. Godfrey makes every day a nightmare. At home, he's stuck between Ellen, his incredibly annoying older sister, and Dad, perhaps the most clueless parent of all time. And don't get him started on Gina, the ultimate teacher's pet, or Artur, the unassuming exchange student who bests him at every turn. It's enough to make even a can-do kid like Nate

Roger Joslin arrived in Bentonville, Arkansas, in 2006 as a newly ordained deacon to become the vicar of All Saints Episcopal Church, a mission of the Episcopal Diocese of Arkansas. All Saints has grown to be the fifth-largest congregation in the Diocese of Arkansas, with an average Sunday attendance of over 230, and is well on its way to parish status. All Saints' location in Bentonville, the home of Walmart, adds another layer to the story. Joslin makes a powerful case for the role of a progressive Episcopal church in a conservative culture and for the appeal of preaching and practicing a gospel of inclusion that reaches out to groups or individuals who have been marginalized by churches. \* Model for reaching out to the community with a gospel of love and welcome \* Hope for those who think a progressive church can't succeed in a conservative culture. the boot of the US military, twenty-four-year-old Nathaniel Hawthorne Flowers is ready for his real life to begin. His plans are straightforward: spend as much time as he can with his girlfriend, Jane, finish college, and become a writer. But when Nate is denied admission to UC Santa Cruz, he decides that a bachelor's degree isn't necessarily the path he's laid out for himself. He can learn about literature on his own, and he'll have more time to write if he isn't in school. His choice doesn't sit well with everybody. Jane's father asks Nate how he'll support Jane without a degree. Jane's mentor offers to pull some strings at SC if Nate agrees to become his student. And when a once-in-a-lifetime opportunity presents itself, even Nate is tempted by the allure of conventionally defined success. Picking up where *Wild Blue Yonder* left off, *Madrone* inspires us to consider how far we'll go to remain true to ourselves.
