The wedding cake is one of the most extraordinary of the familiar objects of the Western world. In this unique contribution to the anthropology of food, Simon Charsley traces its fascinating history, from late medieval feasts and rites, through the Victorian wedding breakfast and into the present. He shows

that the wedding cake provides a vivid illustration of the traditions and traditional values inherent in all food and demonstrates the part that material culture plays in the process of change.

After seeing an ice cream cake in the upright freezer display at a local ice cream parlor, Beverley thought it would be a nice dessert change for the family on that hot summer day. When dishing it up, she studied that cake from top to bottom. She investigated the flavors and textures as she savored each bite. She thought to herself, "This is such a wonderful and simple dessert idea. I bet one could make homemade ice cream cakes if they wanted to." At that time, this is all the further that thought went. The ice cream cakes were very accessible and not very expensive, so why bother trying to make one? Beverley and her family, eventually, moved back to what she considers to be her hometown of Torrington,

Wyoming from Alliance, Nebraska. In trying to carry on a family tradition and fulfilling the desire of her son's heart when he asked for an ice cream cake for his birthday and there wasn't anywhere to get one, she saw it as a welcomed challenge to make her own version of an ice cream cake. Because she took this challenge on, we now have the "Aunt Bea's Irresistible Ice Cream Cakes" recipe book available to us today. In this book, "Aunt Bea's Irresistible Ice Cream Cakes," Beverley Bea Patterson shares with the reader how to make a homemade ice cream cake. The information compiled and recipes are due to her 7 years of experience in developing, testing and tasting a variety of wonderful ice cream cakes. Beverley shares over 15 different ice cream cake recipes that she feels are true winners. Imagine, presenting a dessert with layers of vanilla and chocolate ice cream, a layer of fudge brownie or perhaps crushed cookies in the center, with generous amounts of hot fudge and caramel toppings encasing either side of the brownie or cookies. Wrap that all up in a blanket of light, fluffy, whipped topping, and finish it off with some personalized garnishments that suit the occasion (i.e., peanuts, caramel, and more hot fudge). This dessert will soon be the talk of the town. The reader need not be intimidated with the idea of making a homemade ice cream cake. It may, initially, look and sound complex, but in all reality, it is very simple. It only takes about 15 minutes or perhaps less time to actually assemble an ice cream cake (depending upon the cake layers) when following the instructions Beverley has provided in this book. It really is easy Beverley shares not only the necessary supplies needed for assembling an ice cream cake, which are all key to the ease in making one, but she also provides the reader with valuable step-by-step instructions on using an "assembly line" technique to speed things up and greatly decreases the amount of mess. Allowing only a few hours of freezing time

after assembling the cake, and one will have an incredible, tantalizing, eye pleasing, taste bud teasing dessert that friends and family will love. Included in this book are photos for added eye appeal. Beverley's tried and tested recipes (some featured in photos) are there to get one started off on an ice cream cake making journey. She also offers up a few pages at the end of the book where one can write down their very own noteworthy ice cream cake 'gems'. The recipes in this book are very simply stated and the large print makes it easy for reading. Beverley shows the reader how to step outside of that "cake box" scenario and enter a whole new world of cake making. If you want a very special and unique dessert to serve for that special day or for those special guests, this book has it "

Australia's most famous children's cake book - reprinted in a collector's edition. The Australian Women's Weekly's Children's Birthday Cake Book was first published in

1980 and has sold more than half a million copies. In response to all the requests we have had, often from mothers who remember fondly all the cakes from their own childhood, we have taken this book from our archives and reprinted it 30 years after it first appeared. We have had to make a minor change - four of your little friends are missing, but they've been replaced by other cakes you'll love just as much. Apart from that we've left it just as it was - a true collectors' cookbook especially for you. Now you can recreate your favourite cakes - the swimming pool, rocket and that train from the cover for your own child.

Number One bestselling author of *Recipes from my Mother for my Daughter* and *Celebrity MasterChef* winner, Lisa Faulkner invites you to join her for *Tea & Cake*. A regular on BBC's *Saturday Kitchen*, ITV's *This Morning* and Channel 4's *Sunday Brunch*, Lisa really, really loves a cup of tea.
