In 2005, I resigned as a full-time pastor of a church and relocated to Lagos, Nigeria, with one mission in mind: To observe and study the life of Bishop David Oyedepo, resident Bishop of Faith Tabernacle, Ogun State, Nigeria, the Largest Single Church in the world, according to Guinness Book of Records What I share with you in this book is a summary of what I have learned from the life and ministry of Bishop Dr. David O. Oyedepo in this last 10 years. It's been a long journey, but suffice it say that I have enjoyed every bit of it. Like all men of great influence, Bishop Oyedepo, has been analysed in the public domain and given different names by different people. However, I believe that no man actually rises to the top by making mistakes. People only rise to the top by doing the right things over a long period of time. In this book, I share with you the success habits and secrets of one of the greatest leaders of Charismatic revival on earth today...Bishop David Olaniyan Oyedepo May we all fulfill the purpose for which we are born.

I have always been fascinated by the story of the lion being the king of the jungle, and through the benefit of hindsight, the inspiration to do this mini secret of success book was as a result of the might and grace the grace of the lion. On May 19, 2014 few days to my birthday, I wrote an elaborate piece in my column for BUSINESS WORLD in my segment called Business world on His Highness UAE Vice President, Prime Minister and Ruler of Dubai His Highness Sheikh Mohammed bin Rashid Al Maktoum, titled: MAN BEHIND EMIRATE AIRLINE. Few days later, on my birthday, MAY 29TH 2014 I got a parcel as birthday present and in the neatly wrapped pack was a big book by the subject matter himself, Mohammed Bin Rashid Al Maktoum, the voluminous book titled: MY VISION, Challenges in the Race for Excellence. I love what I saw at the back of the book about the Lion and the gazelle as researched by the author.: "With each new day in Africa, a gazelle wakes up knowing he must outrun the fastest lion or perish. At the same time, a lion stirs and stretches, knowing he must outrun the fastest gazelle or starve. It is no different for the human race. Whether you consider yourself a gazelle or a lion, you simply have to run faster than others to survive. "In His Highness Sheikh Mohammed bin Rashid Al Maktoum viewpoint, life consist of a number of opportunities and greater opportunities do not

come knocking on people doors. Whoever wants such opportunities must grab them when they arise, for his people and for himself. We have to be powerful, strong-willed, determined and willing to grasp such opportunities, so that we do not have to scavenge the leftovers of lions. Not long after my reading this story of lion and gazelle, I was in the gigantic Winners Chapel one Sunday and here was the anointed man of God, Bishop David Oyedepo telling his mammoth flock the need to think and start living like lion in the race for life rather than acting like cows. It is not a surprise that the narration and motivation of the story of lion as told by the Bishop can be said to be the true motivation behind this book in your hand today. However it must be noted that the writer has gone a step forward to talk about the much speculated worth of the man of God, what Forbes said he is worth and of course the book is further spiced with a rare never before seen type of quotes or inspirational sayings from the man, called to liberate his people from abject lack or one manner of illness or the other. I am confident that no matter your race, religion or age, this book can in one way or the other be of great motivation to you in your drive to either live like a lion or a gazelle-whether you call or see yourself as either of the animal, you simply have to RUN faster than others to survive CHIEF MIKE CERUTTI OSAGIE 2014

Becoming a minister of substance is a book borne out of the heart that is crying for a revolution in ministry. It was written out of a God-ordained desire to see ministers take their place of honour in the affairs of men.

May I begin by thanking The Holy Spirit, my best companion, the one that reveals the mind and intent of God to the sons of God, who revealed to me the wasteful and noisy nature of the youths of this age. Thank you Jesus! On the 9th of May 2020, after three days of waiting on the Lord, I was in a Barbershop, to have my hair cut, when I heard the Holy Spirit said to me "The youths of this generation already have their future in shambles!" "Why Lord?" I asked. He said to me "Many of them have truncated their destinies by talking instead of thinking." Few hours later while I was trying to rest, I heard the voice say to me again, "Tell the youths to be thinkers, not talkers." I began to meditate on these words and decided to pick up my phone to post the statement on social media, but I heard the voice again in my spirit saying "No! Document it in writing". To the glory of God this book is the product of that directive! Friend, in line with this revelation, I observed that this generation is indeed the noisiest generation. Little wonder, much has not been achieved. Noise-making is not an achievement and you don't make news by making noise. It is making appropriate moves that makes news-Says Bishop David Oyedepo. I discovered that the youths of this age lack moves but like noise. This is an empty noise that wearies the mind. The youths of this generation are empty no wonder they faint and get wearied of their strength.
