A collection of Regency shifter novellas, books 1-3. Bite-sized, delicious interconnected tales of romance and suspense, involving werewolves, werebears, and werefoxes. This is a sweet romance collection with a low heat level. \_\_\_\_\_ Turned: A werewolf love story A loveless marriage. A werewolf curse. In the rainy land of Grayton, Bernard and Charlotte Preston lead separate lives. An arranged marriage has left them with plenty of money and a cold relationship. She craves social esteem--while she wishes for the love her marriage has never contained. Bernard is an alchemist who is desperately seeking a cure for the werewolf curse. Yet he, too, is plagued by loneliness and a wistful admiration for his distant wife. When the werewolves attack Lyedyn City the night of the Spring Ball, Bernard and Charlotte together fall under the curse. Retaining only their sanity, they flee the wolf hunters and hide deep in the forest. Now, hungry and afraid, the estranged couple work together to survive ... and even as their love blossoms, evil forces work to ensure that they never leave the woods. \_\_\_\_\_ The Bramblewood Werebear Jennie Walden is a young woman who has written papers for natural science journals, and has corresponded with a fellow naturalist, Oliver Gunnerson, for years. When Oliver proposes long distance, Jennie travels to Oliver's home at Bramblewood Estate to wed her mysterious friend. She is astonished at his size and physical strength, yet his adorable shyness remains, if she can see past his imposing exterior. Oliver has kept his bear form secret from Jennie, fearful that if she knew that he was a monster, she would flee. But the werewolves of the neighboring city of Grayton have emerged to mingle with the populace. A certain pack has begun threatening him and the treasure he protects on the Bramblewood land. The werewolves know that he cannot tolerate another shifter in his territory ... and threaten to turn Jennie. Now Jennie must choose whether to flee, or whether to stick with this bear-man she has grown to love from a distance. The time is coming when their very survival depends on the love of the other. \_\_\_\_\_ Outfoxing the Wolf Rowena Haywood is an orphaned alchemist who is struggling to make ends meet in the werewolf nation of Grayton. She and her brother Andrew harbor a secret: although they were bitten, they cannot transform. When Rowena is summoned to the mage school by Prince Laurence Grayton himself, she becomes a werefox, and hunted by the wolves, who believe her to be a threat. Arrogant Prince Laurence seeks to break the werewolf curse upon his people. When Rowena becomes a creature he has never seen, he takes responsibility for her protection. Despite his scorn for women, he is attracted to Rowena's quick wit and intelligence--and she to him. Now Rowena and Laurence must use all their cunning to outwit the crown prince Henry, who plots to use the werefox to start a war. Can a fox outsmart a wolf--and perhaps learn to love one?

Australia's venomous snakes are widely viewed as the world's most deadly and are regarded with cautious curiosity, fascination and, regrettably, fear. Australia's Dangerous Snakes examines the biology, natural history, venom properties and bite treatment of medically important venomous marine and terrestrial snakes. It contains comprehensive identification profiles for each species, supported by keys and photographs. In addition to their medical importance, the environmental roles of these snakes and the threats that are causing the decline of many of these reptiles are discussed. Drawing on the authors' experience in the fields of herpetology, toxinology and clinical medicine, this book stimulates respect and admiration and dispels fear of Australia's fascinating snakes. Australia's Dangerous Snakes will provide hours of rewarding reading and valuable information for anyone interested in Australia's unique wildlife and natural history, and will be an essential reference for herpetologists, toxinologists,

physicians, zoo personnel and private snake collectors.

Mercy Thompson, car mechanic and shapeshifter, faces a threat unlike any other in this thrilling entry in the #1 New York Times bestselling series. I am Mercedes Athena Thompson Hauptman. My only "superpowers" are that I turn into a thirty-five pound coyote and fix Volkswagens. But I have friends in odd places and a pack of werewolves at my back. It looks like I'm going to need them. Centuries ago, the fae dwelt in Underhill--until she locked her doors against them. They left behind their great castles and troves of magical artifacts. They abandoned their prisoners and their pets. Without the fae to mind them, those creatures who remained behind roamed freely through Underhill wreaking havoc. Only the deadliest survived. Now one of those prisoners has escaped. It can look like anyone, any creature it chooses. But if it bites you, it controls you. It lives for chaos and destruction. It can make you do anything--even kill the person you love the most. Now it is here, in the Tri-Cities. In my territory. It won't, can't, remain. Not if I have anything to say about it.

Traditional Ojibwe uses of over 200 forest and prairie plants.

The Moon Shadow Series Boxed Set contains the first three novels in the urban fantasy series: Under Witch Moon, Under Witch Aura, Under Witch Curse. Under Witch Moon: When dead bodies start turning up Adriel has no choice but to talk to White Feather, an undercover cop. Unfortunately, Adriel is a witch and White Feather isn't convinced she's innocent of wrongdoing. She's going to have to talk fast--and set spells even faster if she expects to survive. Under Witch Aura: There's an ill wind blowing, and it's touching every witch Adriel knows, including White Feather, who is far more important to Adriel than just any warlock. Adriel will do what she must to keep those she loves safe, but if she lures the enemy away, will she be able to save herself? Her only hope is to use earth magic to hide from the very air she breathes as she hunts down an untenable evil. Under Witch Curse: Zandy, the wily coyote, is back in town, and he's out for blood. Someone had better find him fast because the body count is rising. With White Feather to help, Adriel expects life to get easier, but the relationship comes with surprises. This time, Adriel might just need more than solid ground beneath her feet and the wind at her back.

Now available in a fully revised and updated second edition, this well established textbook provides a straightforward introduction to the theory of probability. The presentation is entertaining without any sacrifice of rigour; important notions are covered with the clarity that the subject demands. Topics covered include conditional probability, independence, discrete and continuous random variables, basic combinatorics, generating functions and limit theorems, and an introduction to Markov chains. The text is accessible to undergraduate students and provides numerous worked examples and exercises to help build the important skills necessary for problem solving.

"Bitten by Twilight presents us with an enlightened look into the world of vampires, werewolves, and fan culture and romance narratives. The editors and contributors to this book appreciate the significance of the stories, movies, and artifacts as a culturally gendered phenomenon and present a variety of lenses through which to appreciate this popular franchise."---Norma Pecora, Author of The Business of Children's Entertainment; Professor, School of Media Arts and Studies, Ohio University. --

Zoonotic diseases constitute a public health problem throughout the world. Addressing a little studied area of veterinary and medical science, this book covers the viruses, bacteria and protozoan and helminth parasites that are transmitted between man and dogs, discussing population management, control disease agents and human-dog relationships. Fully updated throughout, this new edition also includes two new chapters on benefits of the human-dog relationship and non-infectious disease issues with dogs. It is a valuable resource for researchers and students of veterinary and human medicine, microbiology, parasitology and public health.

THE FIRST NOVEL IN THE #1 NEW YORK TIMES BESTSELLING OTHERWORLD SERIES. "Frisky...Tells a rather sweet love story, and suggests that being a wolf may be more comfortable for a strong, smart woman than being human."—The New York Times Book Review Elena Michaels is the world's only female werewolf. And she's tired of it. Tired of a life spent hiding and protecting, a life where her most important job is hunting down rogue werewolves. Tired of a world that not only accepts the worst in her—her temper, her violence—but requires it. Worst of all, she realizes she's growing content with that life, with being that person. So she left the Pack and returned to Toronto where she's trying to live as a human. When the Pack leader calls asking for her help fighting a sudden uprising, she only agrees because she owes him. Once this is over, she'll be squared with the Pack and free to live life as a human. Which is what she wants. Really.

She's everything he desires, just in the wrong package: a vampire. Is this his only chance at love?

For the ten generations since the evil first came to Woodcutter's Grim, the Guardians have sworn an oath to protect the town from the childhood horrors that lurk in the black woods. Without them, the town would be defenseless...and the terrors would escape to the world at large. Woodcutter's Grim Series, Volume I (Classic Tales of Horror Retold) is a compilation of the first three novellas in the series and The Final Chapter. Including: Papa (Book 1) {romantic horror} A wickedly horrifying rendering of the classic children's story "Hansel and Gretel", in which modern revenge is served up sweet... Less than a year after Randall Park left his family for elementary school teacher, Amy, the unthinkable happens--his ex-wife and two children are killed in a car accident. Ever since the accident, Amy has had terrible nightmares in which Rand's son and daughter return to exact revenge on their father and Amy herself (the wicked step-mother) for abandoning them. When Rand convinces her to come away with him for a healing respite to an isolated cabin in the woods, Amy's guilt-filled nightmares turn into pure horror. Blood of Amethyst (Book 2) {romantic horror} A blood-curdling answer as to why the childhood-nightmare creature Rumpelstiltskin so wanted a child of his own... Amethyst Phillip's father--her only family--disappears in Woodcutter's Grim's evil woods. Town Sheriff and Guardian Gabe Reece sends out a search party and eventually they find the body, completely drained of blood. A devastated Amethyst refuses to do anything but carry on all by herself in the isolated area she grew up. But something strange is happening, and Gabe realizes it every time he drops by to check on the woman who's held his heart for long years. She's grown pale, cold.

She's sleeping all the time, waking only in the night, when her taste for blood overwhelms her. Then Gabe becomes aware that something in the woods is calling to her, something that's stealing her life... Gabe will face his deadliest foe yet when the woman he loves falls prey to a nameless creature who wants her very soul. *Dancing to the Grave* (Book 3) {romantic horror} Loosely based on "The Pied Piper of Hamelin". The children of Woodcutter's Grim are changing...and only one person, music teacher Diane Anders, realizes the truth. Can she and her husband, Kurt Jones, a member of the ancient lineage of the Protectorate's Chosen Seven, save them and the future of their town? *The Amethyst Tower* (The Final Chapter) {romantic time-travel horror} Loosely based on "Rapunzel". The isolated maiden meets her knight in a time-traveler who's come into the future to rescue her from the Warlock Lord holding her captive in the amethyst tower. Where else but in the fairy-tale-horror town of Woodcutter's Grim?

In this new monograph, author Debra Dudek defines a new era of vampire texts in which vampires have moved from their iconic dark, feared, often seductive figure lingering in alleys, to the beloved and morally sensitive vampire winning the affections of teen protagonists throughout pop culture. Dudek takes a close look at three hugely-popular vampire series for young adults, drawing parallels between the TV series *Buffy the Vampire Slayer*, the *Twilight Saga* novels/films, and *The Vampire Diaries* TV series/book series. By defining a new era of vampire texts and situating these three series within this transition, *The Beloved Does Not Bite* signals their significance and lays the groundwork for future scholarship on the flourishing genre of paranormal romances for young adults.

I've been fighting it all night. I'm going to lose ... Nature wins out. It always does.' Elena Michaels didn't know that her lover Clay was a werewolf until he bit her, changing her life forever. Betrayed and furious, she cannot accept her transformation, and wants nothing to do with her Pack - a charismatic group of fellow werewolves who say they want to help. When a series of brutal murders threatens the Pack - and Clay - Elena is forced to make an impossible choice. Abandon the only people who truly understand her new nature, or help them to save the lover who ruined her life, and who still wants her back at any cost.

Danger stalks her, but an unexpected alliance with a sexy Spec Ops soldier could be the key to saving not just her life, but the safety of the world as we know it. She's a cop, unprepared for what she finds in an abandoned building... When police officer Sarah Petit investigates a disturbance in an abandoned building, she expects to find a few underage drinkers. Instead, she's attacked by creatures straight out of a horror movie. He's a soldier, inescapably attracted to his latest recruit... Waking a week later in a hospital, Sarah is recruited by Special Forces soldier Captain Xavier Beauvoir. The so-called zombies who attacked Sarah are the result of military research gone terrifyingly wrong, and Sarah's immunity to the virus makes her the perfect person to help Xavier eradicate them. But his smooth Cajun accent, whiskey-colored eyes, and dizzying kiss are risky to her in a very different way. Together, they'll face danger, and find love... Sarah attracts danger like a magnet—and the smart, fearless cop attracts Xavier too, instilling a soul-deep need in him. Enlisting her aid is a necessary gamble, but vicious undead creatures are not the only enemy they face. And the only way to keep each other safe is to trust in an instant connection that could be their greatest strength—or the perfect way to destroy them both...
