Kentucky Country is a lively tour of the state's indigenous music, from the days of string bands through hillbilly, western swing, gospel, bluegrass, and honkey-tonk to through the Nashville Sound and beyond. Through personal interviews with many of the living legends of Kentucky music, Charles K. Wolfe illuminates a fascinating and important area of American culture. The list of country music

stars who hail from Kentucky is a long and glittering one. Red Foley, Bill Monroe, Loretta Lynn, Tom T. Hall, the Judds, Dwight Yoakum, Billy Ray Cyrus, Ricky Skaggs, John Michael Montgomery, and Keith Whitley -- all these and many others have called Kentucky home. Kentucky Country is the story of these stars and dozens more. It is also the story of many Kentucky musicians whose contributions have been little known or appreciated, and of those collectors, promoters, and entrepreneurs who have worked behind the scenes to bring Kentucky music to national attention.

The magic tree house carries Jack and Annie to New York City in 1938 on a mission to rescue a magical unicorn from New York City. They arrive during one of the darkest periods in the city's history--the Great Depression. Even worse, the city is in the grip of a terrible snowstorm. Where will Jack and Annie ever find a unicorn in the city? And who are the mysterious people following them? Includes instructions to make a snow globe.

The second edition of the Oxford Encyclopedia of Food and Drink in America, originally published in September 2004, covers the significant events, inventions, and social movements that have shaped the way Americans view, prepare, and consume food and drink. Entries range across historical periods and the trends that characterize them. The thoroughly updated new edition captures the shifting American perspective on food and is the most authoritative and the most current reference work on American cuisine.

Indexes song titles, compiled from the collections of the State Library of Louisiana, including cross-references and OCLC numbers for each collection

Blizzard of the Blue Moon

Many Broadway stars appeared in Hollywood cinema from its earliest days. Some were 19th century stage idols who reprised famous roles on film as early as 1894. One was born as early as 1829. Another was cast in the performance during which Abraham Lincoln was assassinated. One took her stage name from her native state. Some modern-day stars also began their careers on Broadway before appearing in films. This book details the careers of 300 performers who went from stage to screen in all genres of film. A few made only a single movie, others hundreds. Each entry includes highlights of the performer's career, a list of stage appearances and a filmography. This book is a critical encyclopedia of silent European films currently available on DVD, laser disc, and VHS. It provides concise and accurate summaries of the films, evaluates the quality of the prints, discusses the changing reputations of both films and filmmakers, and considers how the techniques developed during the silent period

continue to influence filmmaking today. The book cites contemporary and recent criticism of the films and includes an extensive bibliography as well as a list of films by director. Numerous photos are also included.
