knack for worldbuilding and setting scenes.” – KIRKUS Reviews "First, I always have trouble expressing my thoughts, either on paper or speaking. This is a magnificent book that will remain with me forever. I've you love reading about the South, this is definitely the book. I love everything about the South and I am from the North, born and raised. This book has so much detail starting from the beautiful cover to the end. The commercial explosion of ragtime in the early twentieth century created previously unimagined opportunities for black performers. However, every prospect was mitigated by systemic racism. The biggest hits of the ragtime era weren't Scott Joplin's stately piano rags. "Coon songs," with their ugly name, defined ragtime for the masses, and played a transitional role in the commercial ascendancy of blues and jazz. In *Ragged but Right*, Lynn Abbott and Doug Seroff investigate black musical comedy productions, sideshow bands, and itinerant tented minstrel shows. Ragtime history is crowned by the "big shows," the stunning musical comedy successes of Williams and Walker, Bob Cole, and Ernest Hogan. Under the big tent of Tolliver's Smart Set, Ma Rainey, Clara Smith, and others were converted from "coon shouters" to "blues singers." Throughout the ragtime era and into the era of blues and jazz, circuses and Wild West shows exploited the popular demand for black music and culture, yet segregated and subordinated black performers to the sideshow tent. Not to be confused with their

nineteenth-century white predecessors, black, tented minstrel shows such as the Rabbit's Foot and Silas Green from New Orleans provided blues and jazz-heavy vernacular entertainment that black southern audiences identified with and took pride in.

Kennedy De La Fuente is enjoying life in Blossom Creek. It's the first time away from home, and the small apartment in the converted barn is perfect. The scenery is, for the most part, similar to that of Montana. The scenery at the small fire station, on the other hand, is nothing like it is back home. Her gaze has a mind of its own and is drawn to the handsome fire chief. Kennedy is finding it increasingly difficult to hide her feelings for the man. It's the very last thing she wants. A heatwave is currently engulfing Blossom Creek and its inhabitants. The fire department is kept busy responding to medical emergencies and attempting to keep the forest surrounding the town from burning. Zeke Davidson has begun to prefer being out on a job so that he's not in close quarters with his office manager, who wears very little due to the oppressive heat. The woman is a distraction he doesn't need—in fact, she is the very last thing he wants. Once again, the Between the Sheets Book Club is more interested in gossip than a book. This time, the ladies are discussing Zeke and Kennedy.

(Book). One of the most bizarre stories in all of popular music is the history of "Orange Blossom Special," arguably the century's best-known fiddle tune. The man credited with its ownership, Ervin T. Rouse, endured tragedy, alcoholism and mental illness. He spent his last years fiddling for tips in isolated taverns at the edge of the Florida Everglades, and died all but unknown. The man who claimed co-ownership, Chubby Wise, achieved fame as the seminal fiddler of the bluegrass genre, but struggled to overcome personal demons and to heal the scars of childhood abandonment and abuse. This fascinating book uncovers how their legacies are forever linked with the legendary diesel streamliner which inspired the tune six decades ago, as it roared through American history, bringing wonder and hope to every stop. Includes a Collector's CD of rare, unreleased original recordings of "Orange Blossom Special" by Bluegrass Etc., Byron Berline, Dennis Caplinger, Buddy Emmons, John Henry Gates, The Hellcasters, Gary Morse, Benny Martin and Mike Stevens. Also features the original Rouse Brothers recording from 1939, a live performance by Chubby Wise, and six vintage bonus tracks. Randy Noles is a publisher of city/regional magazines in

He is married and has two children. "If you go back and listen to Ervin and Gordon Rouse's original 1939 recording, it's easy to hear 'Orange Blossom Special's' beauty, elegance and power. It bonds the romance of rambling around on trains with the mystique of a far-away land known as Florida. It is pure country music; it is pure Americana." from the foreword by Marty Stuart

There can never be literary growth in the contemporary world which is devoid of literary criticism, this is the backbone of literary theory. Literature is no longer a mere narration of stories, and prudent literary writers know that great literature is based on theoretical frameworks which give their works an edge in the intellectual world. In this book, *Tintinnabulation of Literary Theory: Traversing Genres to Contemporary Experience*, Andrew Nyongesa demonstrates how five theoretical frameworks, namely: Marxism, Feminism, Postcolonialism, Psychoanalysis and Stylistic are applied to genres of literature. The last chapter shows how theory has moved away from the lecture hall to real life experience. The book is a practical guide to university students and tutors of literature in their undying desire to embrace Literary Criticism.

David Early discovers that his father has died when a hopeful letter sent after a 20-year estrangement is returned marked, "Deceased: Return to Sender." Going home to the town from which he escaped under threats of death two decades before involves him in uncovering a brutal secret his father had kept since David's childhood, a time when the earliest days of the Civil Rights Movement began to expose the hatreds and ancient bigotries that were still seething beneath the bucolic crust of Blossom, like some malevolent force focused on David Early, who as a young student was the first white person in the town to march with blacks in protest. Blossom was just another of those junk-cluttered, ramshackle, un-consciously ugly, roadside hamlets lost deep within the evergreen forests of southern Arkansas like atolls in a great green sea, islands in the pines, one of those curious, mysterious southern towns that appear and disappear around curves in washboard roads like dead skunks in ditches. But it is only there that David can find redemption for mistakes he never knew he made.
