Everything changes for Aster the night her brother dies. Suddenly she's the only hope of the family, and instead of an early marriage to a boy from her small village in Pakistan, her parents decide to send her to the government high school in her brother's place. Aster is excited about this unexpected opportunity for a career, but, as a Christian, she is unprepared for the difficulties of attending a Muslim school: her fellow students are far from welcoming and one of her teachers takes an instant dislike to her. One day, she is accused of intentionally making a spelling mistake to insult the holy prophet. Her teacher is incensed and accuses her of blasphemy. A violent crowd forms outside the school and Aster is taken to jail to be tried at a later date. A young social justice lawyer takes up her case, and Aster's Australian cousin, Maryam, starts an online campaign to free Aster. But will it be enough to save her?

The police see everything-the best and worst of humanity, from accidental tragedy to psychopathic crime. As part of Macon, Georgia Law enforcement from the 1970s through 2016, Sergeant John Neal Smith experienced it all. This memoir is a first-hand account of the realities that most citizens never see, from shooting a rock star he grew up with to a high-speed kidnapping chase that set the freeway on fire. These hard-hitting, honest stories about police who are victims of racism and of public misperception will change the way you see cops. Gripping, real, and compelling, this is a book you won't be able to put down.

This is a brutally honest, no-holds-barred memoir of a cop's time on the street. It is a "scorching, devastating book" (Lawrence Block). Told in short story format, it chronicles a young man's journey from idealistic rookie to scarred, cynical veteran.

Loretta Marion's debut novel is a twisty page-turner, expertly blending the webs of mystery, danger and suspense with the alluring possibility of romance from a once unrequited love. The White Seed Brings Life to Worlds Three thousand years ago, the seeds arrived from Earth on hundreds of worlds. The developed worlds formed the Network, connected only by radio and laser. Since the time of the seeds, nothing but information has traveled between the stars. Now a starship, The Child of Ambition, is changing that. Her first mission: to explore the dark worlds, the ones that failed. Kali Hakoian, pilot-astronaut and war hero, thought landing on the super-Earth of Keto would be routine. The emptiest seed world—its global ocean matted with algae and crawling with hurricanes—hides the oldest human ruins. Her crew of scientists: a dreamer, a believer, and a retired assassin. Their hypothesis—self-termination of the seed base. But when an act of sabotage strands her in the path of a superstorm, she's forced to escape with the man she trusts the least. They may never find out what happened to the settlers—unless it happens to them. Can she trust her crew enough to find a way out of the darkness?

Blue Truth was named by Spirituality & Health Magazine (June 2006 issue) as one of the Best Spiritual Books of 2005, in the Personal Growth category. Praise “Blue Truth is a brilliant book, absolutely gorgeous. Ancient wisdom on sacred sexuality, freed of historical and cultural trappings, glows from these pages in exhilarating, luminous prose. Deida brilliantly lays bare the hidden psychology of feminine and masculine and offers clear instructions for tapping into our deepest core and achieving true harmony through sexual intimacy. I feel that Deida has reached a new level of poetic genius in his writing, and his understanding of feminine psychology astounds me. I am just knocked out by this book.” —Miranda Shaw, PhD, author of *Passionate Enlightenment: Women in Tantric Buddhism* “David Deida is in the dynamic living oral tradition of maverick spiritual teachers who, like free-jazz musicians, can riff directly on Reality, outside of established forms. Mark my words: in a future that I hope is not too far off, David Deida’s original Western Dharma will be widely known as one of the most sublime and accessible expressions of the essence of spiritual practice that is freely offered today.” —Lama Surya Das, bestselling author of *Awakening the Buddha Within* “The openness, the love! What lively new language David Deida finds for the unsayable.” —Coleman Barks, author of *The Essential Rumi*

Nick Kozlovsky is not a guy who gives up easily. He grew up on the tough side of town and never met his father. His childhood consisted of an alcoholic mother with a series of step-fathers who beat him until he learned how to fight back. As a policeman, he had plenty of built-in sensors to detect violent criminal behavior. Nick's dream to become a police officer is realized, and even though he's only a few years into the job, the young patrolman has a lot of heart. He's happy with the job, but his personal life is in shambles. There are women, but, he has never fallen in love. All of his friends have made the trip to the alter, but Nick soothes his loneliness in ways that aren't exactly healthy. A random trip to the emergency room changes the course of Nick's life. Meeting Doctor Grace Robertson energizes him. Not only does he admire her, he is convinced she could be the one for him. For the first time in his young life, he has to lay his heart on the line. Nick's life is transformed when he meets Paco, a homeless veteran living in a ravine on his beat. The two develop a unique friendship that alters each man's preconceived notions about the other. Filled with suspense and raw emotion, the bond formed between the two men is nothing short of extraordinary. More than a romance, this is a tale of hope, faith, and caring. Nick Kozlovsky and Grace Robertson have much in common, even though they're from different backgrounds. And, Paco, the one who's suffered the greatest brings them together in a way that is poignant.

Seeing Rosie M. Hill today, you might be surprised at her painful beginnings. Now confidently carrying descriptors such as wife, mother, college graduate, neurodiagnostic technologist, author, co-founder of the Fruit of Forgiveness Ministry, and national speaker, Rosie once suffered under the weight of labels such as abuse victim, high school dropout, unwed mother,

and two-time divorcee. So what led her from victim to victor? Rosie's personal memoir, *The Covering: A True Journey*, describes her search for answers and reveals the deep truths she discovered. Her journey may have begun with the question, "Why me?" But it eventually expanded to include all of humanity-asking simply, "Why?" Our enemy, she learned, is ignorance. We are all deceived; and while some ignorance is personal, some is universal. Not content to find only the personal answers for her own life, Rosie sought long and hard to find the universal answers that offer life to everyone. So, where does this harmful ignorance stem from? How does it affect us? How do we combat it? As a child, Rosie suffered abuse. But what kept her in bondage was her ignorance-layers of deceit that weighed her down and covered up the truth. We all suffer under the weight of these false coverings, and our freedom lies in discovering them and removing them, one by one. The point is not to be uncovered, but to exchange our false coverings with the one true covering given by God, a covering that offers life rather than death. Whatever obstacles you face-abuse, discrimination, loss, or low self-esteem-there is a way through them. By sharing her own story, Rosie reveals the path we all can follow toward truth and a life lived with joy. Her story inspires the courage to hope for change and step out in faith on our own journey. Encouraged by a friend to write a book about her life story, Rosie declares, "After all was said, done, and written down, the writing healed my insides. That's what counts, right? What's on the inside? Mine is more than a story of innocence lost and wisdom found. It's more than finding things aren't always what they seem. It's living alongside what a child is told in spite of what she knows. In this case, it's what's on the outside that counts most of all." Shakespeare once wrote, "Tell the truth and shame the devil." But Rosie discovered an even deeper wisdom: learn the truth and beat the devil. The

::::: EPISODE I: BLUE TRUTH :: After Rhone finds herself powerless to save Astra Thuja Helix — the gigantic black beast with a golden horn, and the last unicorn — who fails to escape his slaying, Rhone then solemnly swears to protect all magical creatures forevermore from mankind's blindly destructive capability. Immediately is she captured by the King, accused of magic, and sentenced to death by hanging. Unbreakable, the Grey Ranger Imogen Rhone uses her paranormal knowledge of nature to endure her execution and free herself, a survivor forever. Now it's up to her — the mysteriously hooded, redheaded and heavily-armed female ranger known as Rhone — to protect magic by striking at the heart of that which threatens it the most: The Black Nothing, a dark force which sweeps across the continent of The Whisplins, consuming and decimating populations and driving the people insane. But she's not alone: elsewhere in The Whisplins, a young gardener named Corwin Sam comes of age to learn of his celestial destiny as a powerful prophet who might be able to stop the Black Nothing — if he can track down the map which only he can read. Corwin flees to save his life in a Kingdom where magic is forbidden, joined by friends, mentors, lovers, and magicians as his destiny grows nearer to Rhone's: they must take The Whisplins back from the control of young King Nion, whose black heart is the source of The Black Nothing — before the darkness can consume them all. Mythical, mystical, ecological, and combining elements of folklore, fable, and fairy tale, The Whisplins Trilogy fully immerses readers in a song of magic, and in an antediluvian era from beyond history's memory. ::::: THE WHISPLINS TRILOGY ::

Appearing shortly after The New Yorker's ground-breaking issue dedicated entirely to Science Fiction and Fantasy, The Whisplins Trilogy was first to offer readers a glimpse of Hilde's heavy meta-literary area he calls Freefantasy (a.k.a. Phantasy, Psychfantasy). Influenced by mind-blowing masterpieces of literature from Melville to Vonnegut, but bringing back the energetic gore of Grimm, while spiriting us away to mystical vistas fully soundtrackable by Led Zeppelin, Hilde melds Arthurianic Fantasy with mysticism plus Steampunk & Clockpunk to create the mossy, starlit world of The Whisplins. It's a Trilogy about magic, nature, truth, freedom, crowns, and the future we live in. Meta, mega, sexy, epic — written in a sprawling, bardic tongue, The Whisplins Trilogy is a Psychfantasy wonderball unlike anything else imaginable at all. Take a step into the unknown with The Whisplins Trilogy. The Whisplins Trilogy would shelve well beside books and comics by Alan Moore, Neil Gaiman, Kurt Vonnegut, Philip K. Dick, G.I. Gurdjieff, Edgar Allan Poe, and J.R.R. Tolkien's The Hobbit; films by Tarantino, Jodorowski, Kubrick, Dario Argento and Jim Henson; and vinyl records by Bjork, Nick Drake, Vashti Bunyan, and Led Zeppelin. And if you don't know these artists, well, now you can check them out too. Complete your bookcase collection right now with the addition of The Whisplins Trilogy.

A heartfelt middle grade adventure about one girl's search for sunken treasure, friendship, and her place in the world. Thirteen-year-old Blue Broen is on the hunt for a legendary ship of gold, lost centuries ago when her ancestors sailed to New York. But it's hard to keep things quiet with rival treasure hunters on the loose, and with Blue's reputation as the local poster child for a type 1 diabetes fundraiser. Blue's quest gets even harder when she's forced to befriend Jules, the brainy but bratty daughter of a vacationing movie star who arrives on the scene and won't leave Blue alone. While Blue initially resents getting stuck with this spoiled seventh grade stranger, Jules soon proves Blue's not the only one who knows about secrets -- and adventure. Will Blue unravel a three hundred year-old family mystery, learn to stand up for herself, and find the missing treasure? Or is she destined to be nothing more than "diabetes girl" forever?

When the world says, "Let your emotions lead you," we as Christ-followers must find a different course, navigating through the minor whirlpools, unpredictable winds, and sometimes ferocious hurricanes. Christ's words and actions guide our ships into deeper waters and beyond to the other shore. This book explores scriptural anchoring points, personality influence, and past experiences to give us a new vision of the weighted tension between letting loose with our feelings or cinching up and ignoring them altogether. As human beings, we are created with emotional dimension, and within Christ, we are called to surrender these feelings, using them in a healthy and biblical way.

"Flicker is a memoir in verse of a life well lived. Lynn Hansen rightly names the collection for her favorite bird, and for the flickers, or moments, of happenings caught in words, illustrating phases and interests of a lifetime. She carries us through childhood's joys of "forest humus, thick moss / and a bouquet of wild orchids" and woes, "the word move was profane because it frees the rat of anxiety that gnaws on the tight knot in my gut." She rejoices when she declares, "When I retire I'm going to write poetry." Then for a decade or more, that's precisely what she has done. Lynn was determined to be a scientist in a time it was regarded as impossible for women; her thirty-three-year career of teaching biological sciences at the college level has proven her right. Her keen naturalist's eye, her awareness and love of all life on this planet, and beyond, show in her poems. She even celebrates the lowly zucchini and rutabaga, though she does sigh toward the end of summer, "Zucchini manna again?" These observations are

woven into the sum of time, the treasure of relationships, "just as our lives gathered out of jumble, then cemented with a matrix of mutual respect." Lynn's lone robin "lifts his bugle beak to call up morning," and so lifts us all." -Patricia Wellingham-Jones, Los Molinos, California

"This collection by Lynn M. Hansen is an excellent read. While each poem is intensely personal, moving from childhood experiences to motherhood to traveling the world to growing older, Hansen generously takes us along on all her journeys, creating poems that welcome all comers. Her close observations of the natural world, of lands both distant and close to home, create a landscape at once scientifically clear and poetically imagined, and her poems about growing up and getting older and the joys and losses that come with those parts of our lives, will make readers laugh and cry, sometimes all at once. In reading this book, I grew to even more deeply appreciate our world, our Great Central Valley, and Lynn Hansen's poetry, and I suspect the same will be true for all who read this celebratory work." -Gillian Wegener, Poet Laureate of Modesto, California.

"Lynn Hansen's gorgeous book of poems is a testament to a writer who loves life and fully embraces living every day. It's rare that a trained scientist will turn to poetry to reflect on the natural world and even rarer that those written poems would be this wonderfully lucid, evocative, and heartfelt. Filled with keen-eyed wonder and amusement, these poems will teach readers about life and how to live." -Sam Pierstorff, Editor, Quercus Review Press

The Bible's story of creation in Genesis names Adam as the first human in history. His story with Eve in the Garden of Eden is widely known-but what if he actually played a larger part in the story of humanity? In *The Gospel of Adam*, David L. Bishop takes well-known stories and characters from history and presents them through the eyes of Adam, as though he were living throughout all time on a mission to restore fallen humanity to a place worthy of returning to perfection. Following Adam through his profound interactions with Noah, King David, Jesus of Nazareth, and even Adolf Hitler, this book shows how Adam struggles not only with his mission to help humanity but also his own internal doubts as a man of faith. In the vein of works like *The Da Vinci Code* and *The Last Templar*, Bishop's *The Gospel of Adam* weaves history, philosophy, religion, and politics throughout a thought-provoking first-person narrative that both challenges and inspires the reader to consider what it really means to be human.
