terrifying tale by the New York Times-bestselling author. Where innocence dies... Expectant parents Karen and Mike Houston are excited about restoring their old rambling Victorian mansion to its former glory. With its endless maze of rooms, hallways, and hiding places, it's a wonderful place for their nine-year-old daughter Leslie to play and explore. Unfortunately, they didn't listen to the stories about the house's dark history. They didn't believe the rumors about the evil that lived there. ...the nightmare begins. It begins with a whisper. It promises to be a busy week for Hannah Swensen. Not only is she whipping up treats for the chamber of commerce booth at the Tri-County fair, she's also judging the baking contest; acting as a magician's assistant for her business partner's husband; trying to coax Moishe, her previously rapacious feline, to end his hunger strike, and performing her own private carnival act by juggling the demands of her mother and sisters. With so much on her plate, it's no wonder Hannah finds herself on the midway only moments before the fair closes for the night. But who would want to kill Willa and

Bakery owner Hannah Swensen has a dress to fit into and a date with her sister, Andrea, at Lake Eden's new health club, Heavenly Bodies. Dragging herself out of bed on a frigid Minnesota morning for exercise, of all things, is bad enough. Discovering the body of man-eating bombshell Ronni Ward floating in the gym's jacuzzi? Okay, that's worse. Nor does it help that there's a plate of The Cookie Jar's very own cream puffs garnishing the murder scene. Trying to narrow the list of Ronni's enemies down to fewer than half the town's female population, Hannah has her plate full. Trouble is, when it comes to cookies--and to murder--there's always room for one more. . . "Foodie fans will eat up Fluke's cozy. . . A fluffy mix of sweets and suspense." --Publishers Weekly "Entertaining and sprinkled with tempting recipes. A visiting celebrity baker is cut down in the kitchen in the New York Times-bestselling series: "A delightful confection."—Library Journal Preparations are under way for Lake Eden, Minnesota's annual Winter Carnival—and Hannah Swensen will be extra busy at her shop, The Cookie Jar. Too bad the honor of creating the official Winter Carnival cake went to famous lifestyle maven Connie Mac—a half-baked idea, in Hannah's

opinion. She suspects Connie Mac's sweet cable-TV image is a cover for something more bitter. Hannah's suspicions are confirmed when Connie Mac's limo rolls into town. Turns out America's "Cooking Sweetheart" is bossy, bad-tempered, and downright domineering. Things finally boil over when Hannah arrives at The Cookie Jar to find the Winter Carnival cake destroyed—and Connie Mac lying dead in her pantry, struck down while eating one of Hannah's famous blueberry muffins. Next thing Hannah knows, the police have declared The Cookie Jar's kitchen crime scene off-limits. She's a baker without an oven—and the Carnival is right around the corner. Her only alternative is to cook up a plan to save her business—by finding the killer herself... Includes seven original cookie and dessert recipes for you to try! Bakery owner Hannah Swensen just can't keep her hands out of the batter when murder stirs things up in Lake Eden, Minnesota, leaving the sheriff dead, a deputy accused, and a killer on the loose . . . For Hannah, life seems to be lacking a certain flavor lately. Maybe it's the local sheriff's election that's got her down. For years, Sheriff Grant's been the iron hand in town. But now, Hannah's brother-in-law, Bill, is giving the old blowhard the fight of his long, dubious career—and Grant's not taking it

well, especially once the polls show Bill pulling ahead. But before anyone can taste victory, Hannah makes a very unappetizing discovery: Sheriff Grant's body in the dumpster behind the high school where she's teaching her cooking class. Worse, the poor man still has fudge frosting on his shirt from one of her cupcakes. The number one—and only—suspect is Bill, but Hannah's not swallowing it. Plenty of people had reason to hate Sheriff Grant. Soon, Hannah's dishing up scandalous secrets, steaming hot betrayals, and enough intrigue to keep the gossip mill at The Cookie Jar going through several pots of decaf. And the closer Hannah gets to the truth, the closer she gets to smoking out a murderer with a very nasty recipe for silencing people . . .
