

Bob The Builder Christmas To Remember

Does the sight of a house festooned in glowing coloured bulbs with an illuminated reindeer in the garden bring you out in a cold sweat? Or is the thought of endless cold turkey sandwiches enough to make you become a vegetarian? And what of the adorable little carol singers - does their out-of-tune wailing and screeching set your teeth on edge? And the oh-so-annoying Christmas albums constantly on play in every crowded shop you visit...the jumper-knitting relatives pouting to be kissed under a poisonous plant...the freezing, dark mornings that make you wish you could stay under the duvet for ever? If all these things make you either want to jump aboard the next plan to Timbuktu or stick your head in the oven along with the roast tatties, then this is the must-have survival book for you. Find comfort in the curmudgeonly comments. Laugh at the ludicrous festive facts. And pity those about you who are taken in by the silly-season madness.

When Bob the builder is too sick to work, his assistant Wendy helps the trucks fix the road for him.

In Bob's White Christmas, it's Christmas Eve and Bob is decorating the yard with lights and a tree. Suddenly it starts to snow heavily and Farmer Pickles gets snowed in! Bob goes to his rescue, but he also has to help some other friends too . . .

When young Gary Robertson moved from the old tenements to an almost brand new housing scheme in the early 1970s, it was the start of a very big adventure. In the skeems, you could roam from morning to night and get up to all sorts - provided you obeyed the rules of the street (and your parents if they saw you). As a training ground for life it was second to none but there was plenty to learn. There was money to be made on the lemonade bottles and the berries each summer - provided you knew the tricks of the trade. There were games to be played, from Backie Hopping to Scubby Queen, gangs to be avoided and football, music and lassies to get to grips with - or not - at the Clubbie. Irreverent and funny, Skeem Life is set against a backdrop of the tough housing schemes of 1970s Dundee. It was Britain in the time of the three-day week and the OPEC oil crisis but it was a journey full of excitement, adventure and youthful dreams.

Christmas characters and food, Christmas-linked holidays and music, Santa Claus and traditions. Related to Annunciation, Incarnation; Crucifixion; Advent, the four weeks preceding Christmas; and the period between the day after Thanksgiving and the Sunday after New Year's Day, the American holiday season. Christmas or Christmas Day is a holiday celebrating the birth of Jesus, the central figure of Christianity. Aspects of celebration may include gift-giving, Christmas trees, display of Nativity sets, church attendance, the Father Christmas/Santa Claus myth, and family gatherings. Users of the Gregorian calendar observe the holiday on December 25. Some Eastern Orthodox Churches

celebrate on December 25 by the Julian calendar, which currently corresponds to January 7 on the Gregorian calendar. These dates are merely traditional; the great majority of scholars agree that the actual birthdate of Jesus is unknown. In Western culture, the holiday is characterized by the exchange of gifts among friends and family members, some of the gifts being attributed to Santa Claus (also known as Father Christmas, Saint Nicholas, Saint Basil and Father Frost). However, various local and regional Christmas traditions are still practiced, despite the widespread influence of American, British and Australian Christmas motifs disseminated by film, popular literature, television, and other media. To save Casterglass, all the Penryn children will need to return home, rebuild their lives among the ruins, and find love that has proved elusive... The Penryn family have always been eccentric—living in a dilapidated castle in the wilds of Cumbria with an orchid-mad father and a classicist mother who likes to re-enact Greek myths, who wouldn't be? Penniless and proud, patriarch Walter Penryn resists selling his birthright and family legacy until taxes, bills, and the need for a new roof force him to reconsider. Well-heeled Londoner Althea Penryn doesn't expect a divorce and job hunt over the Christmas holidays, but her husband claims he's done and the prenup is solid. She packs up her reluctant teenage children and heads home to Casterglass Castle to confront the ghosts of her past—including the real one her mother claims lives in the old guard tower. And then there's her unexpected romance with local sheep farmer, John Braithwaite, who is everything her adulterous, solicitor ex-husband isn't. This Christmas, amid the renovation and potential heartbreak of losing her family home, can Althea find a new purpose and the happiness that has so long eluded her?
