Dead men tell no tales... until now. Imagine setting out in a bomber, night after night, knowing that the might of the Luftwaffe is hell-bent on killing you... ..parachuting from a blazing bomber into enemy territory, having just bombed a nearby city... ..deciding, day by day, which of your crews you will send out, probably to their deaths, not knowing their fate until they let you know... ..having a date with the Chop Girl... ..spending the rest of time haunting your former airfield after failing to return from those ops. What's not to like? In the Second World War more than sixty thousand aircrew of Bomber Command lost their lives on operations or in training. Mostly young and energetic, they died suddenly and traumatically. No spirits could have more reason to remain attached to the places where they lived the last few weeks or months of their earthly lives before they disappeared into the night. Simon Hepworth's latest paranormal tales put a new spin on the sightings, myths and legends of phantom airmen at old RAF stations across England. Contents: Return Trip, Long Descent, Duty Carried Out, Chop Girl, Return of the Brylcreem Boys. NB: 'Return Trip' and 'Long Descent' were previously published separately on Kindle and Audible. \*PREORDER DAISY'S NEXT BOOK, THE BOMB GIRLS SECRETS, NOW\* \*\*A heart-warming and inspiring story of incredible women on the home-front during World War II from the author of The Bomb Girls\*\* Can four girls protect a whole country? It's 1941 and the country has been turned upside down. For the aristocratic Walsingham family this means being pushed unceremoniously upstairs while their grand home is taken over by the Army. But for newcomers Ava and Maudie this is a chance to get something more from life. They are at Walsingham Hall to become code girls and break German encryptions. So being sent downstairs to work in the kitchens isn't exactly what they had in mind. But they do their duty, make new friends and soon even romance looks to be on the horizon. Though life is tough, it has never been more exciting. Meanwhile, upstairs, Lord Walsingham is hiding something. In love and war, who can you trust? 1944, Hampshire. Her face still bearing the scars from the explosion at the factory, Rita Brown is nonetheless back on her feet. She's caught the eye of local wide boy Blackie Bristow, who's sweeping her around the country in a life of shady glamour. But there's a war on, and life is not all fun and games. Some of the local men are taking advantage of the topsy-turvy world to break more than just hearts, and standing up to them comes with its own costs. Rita keeps calm and carries on with a little help from her friends at the factory. But then she discovers someone there has been leaking secrets to the Germans. With D-Day on the horizon, Rita must work out who she can rely on - and fast.

To a young girl the life of a student nurse sounds exciting, but with long hours and short shift it's never easy. So when Maggie Groff defies her parents' wishes and embarks as a student nurse at London's King's College Hospital, she must quickly get to grips with the demands of her chosen career. It's sink or swim. In this delightful romp through time, played out against the march of feminism and the fashion, music and movies of almost half a century ago, we follow Maggie's highs and lows as she struggles with stern ward sisters and wilful patients, and eventually qualifies as a registered nurse and sets sail for Australia. From nursing at a poor London housing estate and working as an in-house nurse at glamorous Selfridges to treating injuries on the Great Barrier Reef and becoming an industrial nurse at the iconic Sydney Opera House, Maggie shares her stories of mistakes and mayhem, tea and sympathy, and the life-affirming moments that made it all worthwhile.

INSTANT NEW YORK TIMES BESTSELLER REESE'S BOOK CLUB PICK "If you love a mystery, then you'll devour [Northern Spy] . . . I loved this thrill ride of a book."—Reese Witherspoon "A chilling, gorgeously written tale...Berry keeps the tension almost unbearably high." —The New York Times Book Review The acclaimed author of Under the Harrow and A Double Life returns with her most riveting novel to date: the story of two sisters who become entangled with the IRA A producer at the BBC and mother to a new baby, Tessa is at work in Belfast one day when the news of another raid comes on the air. The IRA may have gone underground in the two decades since the Good Friday Agreement, but they never really went away, and lately bomb threats, security checkpoints, and helicopters floating ominously over the city have become features of everyday

life. As the news reporter requests the public's help in locating those responsible for the robbery, security footage reveals Tessa's sister, Marian, pulling a black ski mask over her face. The police believe Marian has joined the IRA, but Tessa is convinced she must have been abducted or coerced; the sisters have always opposed the violence enacted in the name of uniting Ireland. And besides, Marian is vacationing on the north coast. Tessa just spoke to her yesterday. When the truth about Marian comes to light, Tessa is faced with impossible choices that will test the limits of her ideals, the bonds of her family, her notions of right and wrong, and her identity as a sister and a mother. Walking an increasingly perilous road, she wants nothing more than to protect the one person she loves more fiercely than her sister: her infant son, Finn. Riveting, atmospheric, and exquisitely written, *Northern Spy* is at once a heart-pounding story of the contemporary IRA and a moving portrait of sister- and motherhood, and of life in a deeply divided society.

1942. Sixteen-year-old Poppy Percival turns up at the gates of Trout's clothing factory in Bethnal Green with no idea what her new life might have in store. There to start work as a seamstress and struggling to get to grips with the noise, dirt and devastation of East London, Poppy can't help but miss the quiet countryside of home. But Poppy harbours a dark secret - one that wrenched her away from all she knew and from which she is still suffering . . . And Poppy's not the only one with a secret. Each of her new friends at the factory is hiding something painful. Vera Shadwell, the forelady, has had a hard life with scars both visible and concealed; her sister Daisy has romantic notions that could get her in trouble; and Sal Fowler, a hardworking mother who worries about her two evacuated boys for good reason. Bound by ties of friendship, loyalty and family, the devastating events of the war will throw each of their lives into turmoil but also bring these women closer to each other than they could ever have imagined.

WINNER OF THE COSTA NOVEL AWARD What if you had the chance to live your life again and again, until you finally got it right? During a snowstorm in England in 1910, a baby is born and dies before she can take her first breath. During a snowstorm in England in 1910, the same baby is born and lives to tell the tale. What if there were second chances? And third chances? In fact an infinite number of chances to live your life? Would you eventually be able to save the world from its own inevitable destiny? And would you even want to? *Life After Life* follows Ursula Todd as she lives through the turbulent events of the last century again and again. With wit and compassion, Kate Atkinson finds warmth even in life's bleakest moments, and shows an extraordinary ability to evoke the past. Here she is at her most profound and inventive, in a novel that celebrates the best and worst of ourselves.

"A free-wheeling vehicle . . . an unforgettable ride!"—The New York Times *Cat's Cradle* is Kurt Vonnegut's satirical commentary on modern man and his madness. An apocalyptic tale of this planet's ultimate fate, it features a midget as the protagonist, a complete, original theology created by a calypso singer, and a vision of the future that is at once blackly fatalistic and hilariously funny. A book that left an indelible mark on an entire generation of readers, *Cat's Cradle* is one of the twentieth century's most important works—and Vonnegut at his very best. "[Vonnegut is] an unimitative and inimitable social satirist."—Harper's Magazine "Our finest black-humorist . . . We laugh in self-defense."—Atlantic Monthly

Meet Sunday Night, a woman with physical and psychological scars, and a killer instinct. . . . Sunnie has spent years running from her past, burying secrets and building a life in which she needs no one and feels nothing. But a girl has gone missing, lost in the chaos of a bomb explosion, and the family needs Sunnie's help. Is the girl dead? Did someone take her? If she is out there, why doesn't she want to be found? It's time for Sunnie to face her own demons—because they just might lead her to the truth about what really happened all those years ago.

Seven students trapped in their school after a bomb goes off must fight to survive while also discovering who among them is the bomber in this provocative new thriller from the author of the New York Times bestselling *Testing Trilogy*. Perfect for fans of *This Is Where It Ends*. A congressman's daughter who has to be perfect. A star quarterback with a secret. A guy who's tired of being ignored. A clarinet player who's done trying to fit in. An orphaned rebel who wants to teach someone a lesson. A guy who wants people to see him, not his religion. They couldn't be more different, but before the morning's over, they'll all be trapped in a school that's been rocked by a bombing. When they hear that someone inside is the bomber, they'll also be looking to one another for answers. Told from multiple perspectives, *Time Bomb* will keep readers guessing about who the bomber could be—and what motivated such drastic action.

A world where self-expression is illegal. A world where survival is everything. A girl who will be heard. The story begins . . . Seventeen-year-old Teddy lives in the walled-in city Metropolis. Radical laws condemn all forms of self-expression and creativity, and the lives of the people are carefully constructed and controlled by the City Council. When Teddy finds out the truth behind one of the City's biggest lies, she slips out into the darkness after curfew. She is captured and held prisoner in an old bomb shelter that lies beneath the City. Here, Teddy discovers that there is a world beneath the Metropolis, a world where a growing web of clans are fighting to keep their humanity alive, and waiting for someone to lead them back up into the light.

Fifty-four love letters portray the caring relationship between Albert Einstein and his first wife by showing how Maric acted as the genius's intellectual confidant during his isolated years at Princeton. "Historical fiction that brings its history to bloody, poignant life: rare and notable." —Kirkus Reviews (starred review) Before India was divided, three teens, each from wildly different backgrounds, cross paths. And then, in one moment, their futures become irrevocably intertwined. Tariq. Anupreet. Margaret. As different as their Muslim, Sikh, and British names. But in one moment, their futures become entirely dependent on one another's. While the rest of India anxiously awaits the upcoming partition that will divide the country into two separate religious states, eighteen-year-old Tariq focuses on his own goal: to study at Oxford. But for a Muslim born and raised in India, there is no obvious path to England—until Tariq is offered a job translating for one of the British cartographers stationed in India, tasked with establishing the new borders. Margaret, the cartographer's daughter, has only just arrived in India. But already she has discovered it to be hot, loud, and dull. She can't go anywhere alone for fear of the riots and violence. Eager for a distraction, she finds one in Tariq. But it's Anupreet, another member of the staff, who has truly captured Tariq's eye. She's strikingly beautiful—but she's a Sikh, so not someone Tariq should even be caught looking at. And yet he's compelled to. . . . Against the backdrop of the nearly forgotten history of the partition of India, Jennifer Bradbury, as if with strands of silk, weaves together the heart-pounding tale of three teenagers on wildly different paths, on the verge of changing each other's lives forever.

On August 6, 1945, 22-year-old Kaleria Pachikoff was doing pre-breakfast chores when a blinding flash lit the sky over Hiroshima, Japan. A moment later, everything went black as the house collapsed on her and her family. Their world, and everyone else's, changed as the first atomic bomb was detonated over a city. From Russian nobility, the Palchikoff's barely escaped death at the hands of Bolshevik revolutionaries until her father, a White Russian officer, hijacked a ship to take them to safety in Hiroshima. Safety was short lived. Her father, a talented musician, established a new life for the family, but the outbreak of World War II created a cloud of suspicion that led to his imprisonment and years of deprivation for his family. After the bombing, trapped in the center of previously unimagined devastation, Kaleria summoned her strength to come to the aid of bomb victims, treating the never-before seen effects of radiation. Fluent in English, Kaleria was soon recruited to work with Gen. Douglas MacArthur's occupation forces in a number of secretarial positions until the family found a new life in the United States. Heavily based on quotes from Kaleria's memoirs written immediately after World War II, and transcripts of United States Army Air Force interviews with her.

THE INTERNATIONAL BESTSELLER: "Beautifully told."—CNN • "A remarkable story...worth retelling and celebrating."—USA Today • "Oh, it's a good one!"—Fox News A "beautiful story of a brotherhood between enemies" emerges from the horrors of World War II in this New York Times bestseller by the author of Spearhead. December, 1943: A badly damaged American bomber struggles to fly over wartime Germany. At the controls is twenty-one-year-old Second Lieutenant Charlie Brown. Half his crew lay wounded or dead on this, their first mission. Suddenly, a Messerschmitt fighter pulls up on the bomber's tail. The pilot is German ace Franz Stigler—and he can destroy the young American crew with the squeeze of a trigger... What happened next would defy imagination and later be called "the most incredible encounter between enemies in World War II." The U.S. 8th Air Force would later classify what happened between them as "top secret." It was an act that Franz could never mention for fear of facing a firing squad. It was the encounter that would haunt both Charlie and Franz for forty years until, as old men, they would search the world for each other, a last mission that could change their lives forever.

Get out! Run! We must leave this place! They are going to destroy this whole place! Go, children, run first! Go now! These were the final shouts nine year-old Kim Phuc heard before her world dissolved into flames--before napalm bombs fell from the sky, burning away her clothing and searing deep into her skin. It's a moment forever captured, an iconic image that has come to define the horror and violence of the Vietnam War. Kim was left for dead in a morgue; no one expected her to survive the attack. Napalm meant fire, and fire meant death. Against all odds, Kim lived--but her journey toward healing was only beginning. When the napalm bombs dropped, everything Kim knew and relied on exploded along with them: her home, her country's freedom, her childhood innocence and happiness. The coming years would be marked by excruciating treatments for her burns and unrelenting physical pain throughout her body, which were constant reminders of that terrible day. Kim survived the pain of her body ablaze, but how could she possibly survive the pain of her devastated soul? *Fire Road* is the true story of how she found the answer in a God who suffered Himself; a Savior who truly understood and cared about the depths of her pain. *Fire Road* is a story of horror and hope, a harrowing tale of a life changed in an instant--and the power and resilience that can only be found in the power of God's mercy and love.

"In 1901, the word *bondmaid* was discovered missing from the Oxford English Dictionary. This is the story of the girl who stole it. Motherless and irrepressibly curious, Esme

spends her childhood in the Scriptorium, a garden shed in Oxford where her father and a team of lexicographers are gathering words for the very first Oxford English Dictionary. Esme's place is beneath the sorting table, unseen and unheard. One day, she sees a slip containing the word bondmaid flutter to the floor unclaimed. Esme seizes the word and hides it in an old wooden trunk that belongs to her friend, Lizzie, a young servant in the big house. Esme begins to collect other words from the Scriptorium that are misplaced, discarded or have been neglected by the dictionary men. They help her make sense of the world. Over time, Esme realises that some words are considered more important than others, and that words and meanings relating to women's experiences often go unrecorded. She begins to collect words for another dictionary: The Dictionary of Lost Words. Set when the women's suffrage movement was at its height and the Great War loomed, The Dictionary of Lost Words reveals a lost narrative, hidden between the lines of a history written by men. It's a delightful, lyrical and deeply thought-provoking celebration of words, and the power of language to shape our experience of the world."

The armistice has been all but signed. The Cold War is over. The world has no further use for spies. Or so it would seem. Fortunately, Devereaux--the spy they call November--knows better. Even now, he finds himself and his implacable nemesis locked in a deadly battle. The backdrop is the secret war of terrorism waged by an insidious mastermind combining the bloodiest back-alley tactics of Irish republicanism with the sleek financial machinations of Wall Street. The stakes are deeply personal, for an assassin has struck at Rita Macklin, the journalist who loves the November Man. Now Devereaux has but a single goal: kill Henry McGee, before he can strike again.

Building a supportive and open relationship with young people suffering from eating disorders is key to assisting the recovery process. This book is packed with metaphorical explanations that will allow parents and caregivers to ally themselves with treatment rather than the eating disorder, and take positive steps with their child towards a full and lasting recovery. Written by experienced eating disorder specialists, the book will help caregivers to reach out to young people having difficulty cooperating with treatment. Its effective use of analogies and metaphors helps to crystallize a practical understanding of eating disorders and the crucial aspects of the treatment process. Integrating medical, psychological, and narrative aspects, as well as the visual (with illustrations), it encourages the reader, and by extension the sufferer, to conceptualize each step towards health. This book will be an invaluable tool for families, friends, and those working with young people suffering from eating disorders. The fresh perspective will also appeal to mental health professionals and anyone else working in the field.

Hospitalized with the dreaded atom bomb disease, leukemia, a child in Hiroshima races against time to fold one thousand paper cranes to verify the legend that by doing so a sick person will become healthy.

"The Nate series by Tim Federle is a wonderful evocation of what it's like to be a theater kid. Highly recommended." –Lin-Manuel Miranda, star and creator of the musical, Hamilton Winner of the Lambda Literary Award Encore! Nate Foster's Broadway dreams are finally coming true in this sequel to Better Nate Than Ever that Publishers Weekly calls a "funny, tender coming-of-age story." Armed with a one-way ticket to New York City, small-town theater geek Nate is off to start rehearsals for E.T.: The Broadway Musical. It's everything he ever practiced his autograph for! But as thrilling as Broadway is, rehearsals are nothing like Nate expects: full of intimidating child stars, cut-throat understudies, and a director who can't even remember Nate's name. Now, as the countdown to opening night is starting to feel more like a time bomb, Nate is going to need more than his lucky rabbit's foot if he ever wants to see his name in lights. He may even need a showbiz miracle. The companion novel to Better Nate Than Ever, which The New York Times called "inspired and inspiring," Five, Six, Seven, Nate! is full of secret admirers, surprise reunions, and twice the drama of middle school...with a lot more glitter. Suburbia in the 1950s, a dark side emerging in the Chandler house for teenage Meg and her crippled little sister Susan - captive to an Aunt, who is rapidly descending into madness. The story of the pandemic is the story of women. This riveting narrative offers an account of COVID-19, reminding us of women's leadership and resilience, reflecting back hope and humanity as we all figure out a new normal, together. Throughout history, men have fought, lost, and led us through the world's defining crises. That all changed with COVID-19. In Canada, women's presence in the response to the pandemic has been notable. Women are our nurses, doctors, PSWs. Our cashiers, long-haulers, cooks. In Canada, women are leading the fast-paced search for a vaccine. They are leading our provinces and territories. At home, they are leading families through self-isolation, often bearing the responsibility for their physical and emotional health. They are figuring out what working from home looks like, and many of them are doing it while homeschooling their kids. Women crafted the blueprint for kindness during the pandemic, from sewing masks to kicking off international mutual-aid networks. And, perhaps not surprisingly, women have also suffered some of the biggest losses, bearing the brunt of our economic skydive. Through intimate portraits of Canadian women in diverse situations and fields, *Women of the Pandemic* is a gripping narrative record of the early months of COVID-19, a clear-eyed look at women's struggles, which highlights their creativity, perseverance, and resilience as they charted a new path forward during impossible times.
