

## Download Free Born To Win By Bishop Oyedepo

remember to achieve and believe on a daily basis to be able to have good substance to produce growth and exercise (Psalm 34:8-9-10).

Born To Win is a motivational book inspired by the Holy Spirit to encourage, strengthen and where necessary refocus the reader toward the understanding that each person was created by God intentionally and with great purpose! It deals with a wide cross-section of issues that can help every reader at ever level to rise to the next level emotionally, spiritually, mentally and even financially! Born To Win stirs the heart and spirit of the reader and challenges their very thought process to think more positively, and to become more effective in daily life regardless of the challenges and situations they face.

Born to Win looks at topics such as rejecting rejection, overcoming struggles, embracing change, mentorship and much more. Born to Win reminds the reader that there is untapped greatness within and reveals how to bring that out!

### You Are Born to Win

Lightly tracing his personal experiences growing up in the Bible Belt as a born-again Christian, James A. Sanders recounts his second rebirth experience and subsequent efforts to battle what can most broadly be called evangelicalism's denial of dignity and human worth to those different from the so-called norm. While Sanders cherishes his early experience of being "saved" or "born again," he has become deeply concerned at what has happened to the evangelical movement in America, especially in its being politicized and removed from any kind of valid interpretation of the Bible itself. Sanders critiques evangelicalism for restricting the Holy Spirit's work to

the realm of personal experience and so for denying the Spirit's work in society to move believers beyond the ancient mores and metaphors that biblical authors and editors used to record God's work in antiquity. Sanders proposes that Christians read the Bible honestly in its ancient and moral contexts, and attempt with humility to register its prophetic condemnation of tribal views of God, in order to heed the Spirit's urgings to engage in the advancing monotheizing process that the Bible demands of its adherents.
