

Bose Lifestyle 20 Service

"Using three separate modes of engagement with imperialism - domesticity, violence, and race - Procida demonstrates the many and varied ways in which British women, particularly the wives of imperial officials, created a role for themselves in the empire. Drawing on a wide range of sources, including memoirs, novels, interviews, and government records, the book examines how marriage provided a role for women in the empire, looks at the home as a site for the construction of imperial power, analyses British women's commitment to violence as a means of preserving the empire, and discusses the relationship among Indian and British men and women." "Married to the empire is essential reading to students of British imperial history and women's history, as well as those with an interest in the wider history of the British Empire."--BOOK JACKET.

The electronic age is bringing sweeping changes to entertainment and media of all kinds, including publishing, broadcasting and film. Multimedia, the Internet and other digital media outlets for entertainment and information are being refined at a rapid rate. Media giants are merging and making big acquisitions. This book covers these exciting developments and provides profiles on hundreds of leading firms in film, radio, television, cable, new media, and publishing of all types including books, magazines and newspapers. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources. You'll get in-depth profiles of nearly 400 of the world's top Entertainment & Media firms: our own unique list of companies that are the leaders in this field. Here you'll find complete profiles of the hot companies that are making news today, the largest, most successful corporations in all facets of the Entertainment and Media Business, from broadcasters to film production companies, casino operators to theme park companies, publishers of books and magazines to video game designers, and much more. Our corporate profiles include executive contacts, growth plans, financial records, address, phone, fax and much more. This innovative book offers unique information, all indexed and cross-indexed more for each firm! Our industry analysis section provides an exceptional discussion of business and market trends. The book includes statistical tables covering revenues for several industry sectors. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key data.
