Technology and communication intersect to prepare students for the workplace Business Communication Today continually demonstrates the inherent connection between recent technological developments and modern business practices. Each new edition addresses the most essential changes in technology and how they impact the business world, while still covering timeless business skills such as listening, presenting, and writing. With a strong focus on mobile integration, the 14th Edition blends current topics, such as social media in business, with more traditional entrepreneurial concepts. The text is flexible and suitable for all students, instilling crucial business skills needed to thrive in an office environment. With a clear, fluid chapter organisation, Business Communication Today introduces, develops, and reviews major concepts to maximise understanding.

For courses in business communication. Technology and communication intersect to prepare students for the workplace Business Communication Today continues to demonstrate the vital connection between recent technological developments and modern business practices. Each new edition addresses the most essential changes in technology and how they impact the business world, while still covering timeless communication skills such as listening, presenting, and writing. With coverage of mobile communication, social media, and the emerging impact of artificial intelligence, the 15th Edition blends leading-edge topics with timeless fundamental skills. With a clear, fluid chapter organization, the text introduces, develops, and reviews major concepts to maximize students' understanding of the material. Personalize learning with MyLab Business Communication By combining trusted author content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. With new engaging Mini Sims and an expanding Video Library, MyLab Business Communication brings course concepts to life. You are purchasing an access card only. Before purchasing, check with your instructor to confirm the correct ISBN. Several versions of the MyLab(TM) and Mastering(TM) platforms exist for each title, and registrations are not transferable. To register for and use MyLab or Mastering, you may also need a Course ID, which your instructor will provide. If purchasing or renting from companies other than Pearson, the access codes for the MyLab platform may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase.

For Business Communication courses in any curriculum. Business Communication Essentials, Fourth Edition, helps you prepare students for the demands they'll face on the job. Only Bovee/Thill texts thoroughly address the new-media skills that employees are expected to have in today's business environment. Business Communication Essentials presents these technologies in the context of proven communication strategies and essential business English skills. The fourth edition brings the newest Web 2.0 technologies to life, explaining how tools like blogs and social networks can successfully bring businesses and consumers into a meaningful and profitable dialog. Traditional communications skills become the foundation for making use of these new and essential mediums.

For Business Communication courses in any curriculum. Real-world training for the business world of today and tomorrow. The field's leading text for more than two decades, Business Communication Today continues to provide the cutting-edge coverage that students can count on to prepare them for real business practice. Other textbooks release new editions that don't reflect their copyright year, training students in practices from the last decade—Bové/Thill provides real-world training for the business world of today and tomorrow. This edition includes up-to-date coverage of the social communication model that's redefining business communication and reshaping the relationships between companies and their stakeholders.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are

purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code.
