This book "contains career biographies of all cabinet heads, as well as of presidents, vice-presidents, and presidents of the Continental Congress. Only those individuals confirmed in office by the Senate have been included; acting cabinet officials -- of whom there were many, especially in the nineteenth century -- have been omitted since almost all served for very short periods of time. Each biography includes the most significant dates in the subject's life, family and other personal information, religious affiliation where available, service prior to and after cabinet duty, and place of death and interment. In addition, each biography contains a short bibliographic reference to important primary and secondary works to be consulted for additional information"--Preface.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Some vols. include supplemental journals of "such proceedings of the sessions, as, during the time they were depending, were ordered to be kept secret, and respecting which the injunction of secrecy was afterwards taken off by the order of the House."

Here's the text that builds a strong foundation in the science of sports medicine, and teaches you to apply that knowledge to the planning, development, and implementation of therapeutic exercise programs for specific dysfunctions for all joints of the body. You'll begin with an introduction to the science behind rehabilitation and the application of specific techniques. Then, for each joint, guided decision-making, chapter-specific case studies, lab activities and skill performance help you meet all of the competencies for therapeutic exercise required by the NATA.
