If you want to discover effective strategies on how to subside the high vacancy rate and fill your house with the right tenants, then keep reading. Vacant property is the bane of every investor's existence. If the vacancy persists, you may be unable to make your mortgage payment but while high vacancy rate can result to negative cash flow. High rate of vacancy can force some investors to sell their investment because the property is bringing more expenses with no income. To prevent foreclosure, investors sell their vacant property in order to finance their remaining property and pay up mortgage loans. An investor in this situation will find it difficult to purchase new properties. In this value-packed guide, you will discover: The secret to build a profitable portfolio easily and without much stress. Strategies for finding profitable low cost properties and analyze them to make sure you are making the right choice before purchase. The key factors to look out for when looking for deals. Strategies to overcome the stressful challenges of owning and managing your property. How to sort for the tenant of your choice and prevent future damage problems. Strategies to screen, manage your tenants and save more money on repairs. How to deal with high vacancy rate like an expert. And lots more.... Within a couple of pages in this book you will discover how to identify hot selling property deals and prevent

vacancy in all your rental properties. The strategies in this book are easy but very effective such that even a grandma can use to kick start and scale her investing business. So what are you waiting for? Scroll up and click the BUY NOW to get this book instantly.

Are you looking for creating passive income leveraging your time, money and abilities? Or would you like to learn how professionals think and act when it comes to buying and selling houses to make profits? Are you dreaming about owning a real estate empire but you don't have a clue on how to start? Do you wish to master the ability to make good investments in real estate? Weather your goal is flipping houses or building a rental estate empire this resource audiobook is all about that. Real estate for most investors, has been the optimum approach to obtaining a prosperous life in spite of the procedures and calculations involved. Reasons why one should invest in real estate; Firstly, it offers a variety of approaches to making good money from investment property. Secondly, it's a low-risk investment in comparison with stock marketing for instance. This is due to the investment made on physical assets which in return , makes money once you get involved. In this inclusive bundle audiobook you will be presented with two of the most common and profitable methodologies. The answer to the question "how profitable is real estate?" Depends solely on you because it boils down to what you make of it. So, this bundle audiobook has been put together with the mission to provide you with all the most profitable strategies, techniques and tools that an investor should use to take advantage of the opportunities that real estate offers. The stunning approach that this 2 audiobooks contains, will literally guide you to take your first steps on your journey through the market analysis and achieve the ability to recognise good negotiations. But let's dive inside of each audiobook. **The first audiobook Real Estate Investing - Rental Property will introduce you in the rental

properties investing business guiding you to the right track on creating steady passive income. You'll discover how to: Find incredible deals for making your first investment Best ways to get loans from banks and leverage your money Steps in managing your investments Find good renters Define a good contract When to sell **The second title Real Estate Investing - Flipping Houses holds all the information necessary when it comes to flipping houses. The author, has filled this audiobook with all the tactics, tips and tricks he has learned in his great career with the goal to make a beginners start off avoiding the most common mistakes usually beginners and not done. Some of the topics that we will discuss in this guidebook to help you get started in real estate investing include: Funding flips through banks, hard money, private money Recognising deals that make it possible to make a lot of money flipping houses Make accurate estimates of the price, including those for repairs, that will come with a flip Deduce what one should invest in and which should be disregarded Formulate effective negotiation strategies Sell your houses fast for top dollars Grow and further expand your business and master the ability to flip more houses at once So stop browsing, your search for success in real estate investments is over. Would You Like To Start Climbing The Real Estate Rental Ladder? Property investment is one of the most lucrative ways to make money - but only if you know what you are doing. It is so easy to get it wrong by buying in a bad location, paying too much for the building, charging too little to your tenants - and hundreds of other expensive mistakes which could be the difference between a profit and a loss. Wouldn't it be great if you could find everything you needed to know to avoid these errors in one place - rather than having to endlessly search the internet and get conflicting advice and confusing information? Rental Property Investing has been written by real estate experts with years of experience in property development, renovation and rentals to give you the inside track to success. What they don't know about property rentals is not worth knowing. This comprehensive reference work will be something you come back to time and time again for the invaluable explanations and guidance it offers. You Will Discover: The basics nobody ever tells you - the whys, whats, and hows to look out for. Looking beyond the basics - past the confusion - to nail the deal. The pros and cons - do you really want to do this? Reasons for joining the growing band of people who have made a success of property. Things you really ought to know about the buying process. The nitty gritty of owning a rental. Financing - all you need to clinch the deal. Managing, repairs and maintenance - it's easy when you know how. How to avoid the nightmares - we look at the common pitfalls to avoid. It's like having a complete checklist in your pocket! Instead of just dreaming, wake up to the opportunities out there: Scroll up and Click the buy button to start climbing the rental property ladder today!

How to make thousands from rental properties and residential homes even if real estate seems too complicated. Real estate is still one of the most reliable investments, albeit one of the most intimidating for beginners. People have the impression that you need to own large tracts of land or possess a broker's license to go into real estate. However, a lot of successful inventors make a pretty good living by either buying residential homes to sell, or renting out the property. Read on to find out how to take advantage of this lucrative income source. This includes two books: Real Estate Investing: Rental Property: Discover How to Generate Massive Passive Income with Rental Properties, Flipping Houses, Commercial & Residential Real Estate, Even with No Money Down Real Estate Investing: Flipping Houses: Proven Methods to Find, Finance, Rehab, Manage and Resell Homes. Start to Generate Massive Passive Income Even with No Money Down Here's a short preview of what you'll discover: The EXACT FORMULA for earning profit from your rental property (even if you've never done it before). How developing the right mindset can help you achieve rental property success. How to OVERCOME a lack of real estate knowledge and generate wealth by flipping houses. How to minimize cost and maximize profit in your real estate investment, even if you're not a CPA or math genius. The essential questions when evaluating real estate property that brokers don't want you to ask. The secret to boosting your property's value and making it a cut above the rest in a competitive market. The little-known tricks that professional house-flippers and real estate brokers don't want you to know. The danger signs that you have to let go of your rental property. The SURE-FIRE ways to invest in real estate with little or no capital (without burying yourself in debt). And much, much more... Even if you don't have much capital or don't know where to start, these books will help you acquire and make the most money out of your first property investment, whether you plan to remodel and resell it, or improve it to rent it out. By following the step-by-step 30-day plan in these books, you can overcome the barriers to investing in real estate, set up a guaranteed income stream, and achieve financial freedom much sooner than you ever thought possible.
