For B.Com., BCA, BBA, MBA and as per the UGC Model Curriculum.

The Business Communication Handbook, 11e helps learners to develop competency in a broad range of communication skills essential in the 21st-century workplace, with a special focus on business communication. Closely aligned with the competencies and content of BSB40215 Certificate IV in Business and BSB40515 Certificate IV in Business Administration, the text is divided into five sections: - Communication foundations in the digital era - Communication in the workplace - Communication with customers - Communication through documents - Communication across the organisation Highlighting communication as a core employability skill, the text offers a contextual learning experience by unpacking abstract communication principles into authentic examples and concrete applications, and empowers students to apply communication skills in real workplace settings. Written holistically to help learners develop authentic communication-related competencies from the BSB Training Package, the text engages students with its visually appealing layout and full-colour design, student-friendly writing style, and range of activities. Book & CD. The ability to communicate well is a key marker of success in any environment, particularly in the world of work. This book is based on the widely used and respected "The Communication Handbook", written by a team of dedicated communicators and higher education specialists. Although the material has been substantially reworked and expanded, the focus remains on different forms of communication. The emphasis is placed on writing as a communication tool, particularly within the business environment. To support this, each chapter contains numerous exercises to enable the student to practise the skills learnt. An exciting addition to this text is the inclusion of online interactive exercises for students. The drilling exercises will enable students to reinforce the principles that have been explained and tested in the book, but in a fun, interactive and learning-enabled way. Lecturers can use the range of exercises to ensure that students are prepared before class and to reinforce the theories and techniques taught in the classroom. (The package is being piloted at a major South African university). The authors draw from substantial experience in the classroom and from close contact with business and industry. For that reason a student working through this book will be well prepared to communicate with success in the business environment.
