Technical know-how is not the only skill a computer professional needs to ensure career growth - a firm command of effective written and verbal communication skills is also required. Style guides come in many shapes and sizes, usually focused toward scientific or academic use only. However, business writing is a space occupied by many individuals that has not been given the attention it deserves. The *Style Guide for Business Writing, Second Edition*, is designed specifically to assist business writers in both the public and private sector, including those publishing with English as a second language; authors of academic papers; business book authors; financial journalists; and writers of reports, proposals or even just e-mail and memoranda. This book provides a comprehensive guide to clear and precise writing that will help develop basic communication skills for the beginner, and refresh the basics for the experienced business writer. Major topics are arranged alphabetically and the cross references and index enable quick and easy access to information. Michael C. Thomsett is a market expert, author, speaker, and coach. His many books include *Stock Market Math*, *Candlestick Charting*, *The Mathematics of Options*, and *A Technical Approach to Trend Analysis*.

International business correspondence is not simply writing or information exchange. It is something that you want others to know about you – to know about your business and the way you deal with business transactions. It is by the way you create your letter that your reader can identify whether you are friendly, rude, or you just simply want to do business. Your letter shows your attitude. This is one reason why it is important to consider your way of writing, write professionally and with courtesy. Success of business transactions is not only dependent on your ability to talk and communicate verbally, but also the way you communicate in letters. How important is learning the proper way of writing business letters? This book will help you to

- Grab—and keep—readers' attention
- Earn credibility with tough audiences
- Trim the fat from your writing
- Strike the right tone
- Brush up on grammar, punctuation, and usage

Merriam-Webster's Guide to Business Correspondence Merriam Webster

If you write emails and letters as part of your work, then this book is for you. By applying the suggested guidelines, you will stand a much greater chance of getting the desired reply to your emails in the shortest time possible. Some of the key guidelines covered include: Write meaningful subject lines - otherwise recipients may not even open your mail. Always put the most important point in the first line - otherwise the reader may not read it. Be concise and only mention what is truly relevant. Write the minimum amount possible - you will also make fewer mistakes! Be a little too formal than too informal - you don't want to offend anyone. If you have two long important things to say, say them in separate

emails. Give clear instructions and reasonable deadlines. If you need people to cooperate with you, it is essential to highlight the benefits for them of cooperating with you. Empathize with your recipient's busy workload. Never translate typical phrases literally - learn equivalent phrases. The book concludes with a chapter of useful phrases. There is also a brief introduction for trainers on how to teach Business / Commercial English.

Nowadays, letters, reports and emails are vital components of business practice. Communication is increasingly global, but it's not any easier to understand or contribute to for non-fluent English speakers. There is increasing pressure to be able to produce effective documents for a business environment but little help out there to do so efficiently, resulting in wasted time and uncomfortable business communication. This book provides a wealth of practical information for any person who aims to produce short, effective documents within the work environment. It offers sensible, valuable and helpful rules for producing effective short reports, memos, letters and e-mails that are clear, concise and easy to read for the busy manager or supervisor working in the demanding setting of modern industry or commerce. But it goes further: not only are rules provided for the inexperienced business writer, but models are proposed which provide solutions for a whole host of business situations – providing help, support and
