Business Advantage Advanced Teacher's Book Cambridge University Press

Changes is a four-level general English course for adult and young adult learners. Changes ensures that students have every opportunity to develop confident communicative ability as well as accuracy in English.

Clear introduction to business for teachers and students. Global content and authentic sources. Integrated video CD-ROM with Student's Book. Progressive language syllabus. Fluency-driven case-studies (levels 2 and 3). Complete commercial writing syllabus. Video/DVD available for each level.

This second edition updates a course which has proven to be a perfect fit for classes the world over. The Teacher's Resource Book contains the content for Combos 1A and 1B in one volume. All unit numbers and page references correspond to the Combos. It contains extra photocopiable grammar and communication activities and full pages of teaching tips and ideas specially written by methodology expert, Mario Rinvolucri. A Combo Testmaker Audio CD/CD-ROM which allows teachers to create and edit their own tests is also available separately, as is Classware for the full edition which integrates the Student's Book, class audio and video.

Freelance pedagogical businesses face these challenges daily: \* How can I gain visibility on the global teaching market to attract a steady stream of new students? \* How do I secure an adequate income from my work as a freelance teacher? \* How do I avoid capitulating to the three-year death cycle and lose my freelance teaching career? What you don't need are theoretical discussions about niches and specialising. These require you to locate your 'ideal client profile' or requires you to find 'the sweet spot' between what you love (your passion) and the price people are prepared to pay. These approaches are too vague for busy freelancers. What you need instead, is a practical hands-on system that works. The Ultimate Guide to Teaching Niches lays out a precise system showing what all freelance teachers, trainers, and coaches need to do to define a teaching niche that helps them to confidently stand out in a crowded teaching marketplace. \* It clarifies what information is essential, how it attracts new students, and how it enables freelancers to monetise their teaching experience. \* It provides you with the skill to write up the text for your teaching niche that will catch the interest of new students searching for private instructors.

This book is more than a collection of activities or ready-made lesson plans to add to a teaching repertoire. Instead, Goal-Driven Lesson Planning is intended to empower teachers and help them create a principled framework for their teaching—a framework that will shape the varied activities of the ESL classroom into a coherent teaching and learning partnership. After reading this book, teachers and prospective teachers will be able to articulate their individual teaching philosophies. Goal-Driven Lesson Planning shows readers how to take any piece from English language materials—an assigned text, a random newspaper article, an ESL activity from a website, etc.—and use it to teach students something about language. Readers are walked through the process of reflecting on their role in diagnosing what that “something” is—what students really need—and planning how to get them there and how to know when they got there in a goal-driven principled manner. This book has chapters on the theory of setting specific language goals for students; how to analyze learner needs (including an initial diagnostic and needs-analysis); templates to use when planning goal-driven English language lessons; explicit instruction on giving corrective feedback; how to recognize and assess student progress; and the mechanics and logistics that facilitate the goal-driven language classroom.

FROM THE PUBLISHER: It is very rightly said that if we teach today as we taught yesterday, then we rob our children of tomorrow.
