What is the difference between an academic and professional qualification? Who should get a professional qualification? Did you know that some professions can not be legally practised with a degree alone? Why get a UK qualification? Is it expensive to gain a British qualification? What is a chartered institute or society, and is it better than a non-chartered body? What is the difference between a professional body and a trade union? These are all questions answered in this book which is designed to help individuals choose a career path and the right professional organisation. In today's world it isn't enough to have a qualification, you need to be able to meet with peers and use the valuable networks that are already in place to foster your profession. Your Professional Qualification provides a comprehensive survey of the qualifications

available in the UK along with guidance on where they lead, entry requirements, where to apply and where to study. Derived from the vast and authoritative British Qualifications database, this important publication provides the first easily accessible guide to qualifications and how to get them in the UK. Abby Thornton is not cut out to be a celebrity. She falls over too much, can't hold her drink, says stupid things and always goes for the wrong men. Oh, hang on...From school detention to press attention. From family hell to holiday heaven. Being in the limelight isn't always all it's cracked up to be. Sometimes a little anonymity is all a girl really needs.
