When Helen Macdonald's father died suddenly on a London street, she was devastated. An experienced falconer captivated by hawks since childhood, she'd never before been tempted to train one of the most vicious predators: the goshawk. But in her grief, she saw that the goshawk's fierce and feral anger mirrored her own. Resolving to purchase and raise the deadly creature as a means to cope with her loss, she adopted Mabel and turned to the guidance of The Once and Future King author T. H. White's chronicle The Goshawk to begin her journey into Mabel's world. Projecting herself "in the hawk's wild mind to tame her" tested the limits of Macdonald's humanity.

and failure the industry can throw at them. And they're fed up with seeing smart, well-meaning people fall for costly half-truths and mix-ups because they just can't find the right information. Busting The Life Insurance Lies takes the 38 biggest, loudest myths around life insurance and breaks them wide open. Whether you're wondering if life insurance is right for you, wanting to understand how it can help you while you're still alive, or even an insurance advisor yourself, this book will guide you to the answers you need to make the clearest, most informed decision—one you'll feel good about for the rest of your life.

Love her? Ruin her? How about both? Sinthia Michaels is a rising fashion star. Core McKay is rich, sexy, and a former kingpin in NYC's organized crime underbelly. Together, they spark a romance that could ignite a corporate empire—or bring everything crashing down. Spinning a web of twisted lies and dirty secrets, Core traps Sin in an enchanting realm of drama and danger. The fashion world is cutthroat, the political arena vicious, and the criminal underworld he's involved in doesn't play games. Core wants to use Sin to get revenge on a corrupt politician who took everything—but he doesn't expect to start an erotic affair with the very girl he plans to use as a weapon. Sin didn't become famous without knowing how to fight back...even against the man she loves. An emotional enemies to lovers page-turner with chemistry, betrayal, and the thrill of danger,

TWISTED LIES is a dark romance that's hot and haunting.

NOTE: This edition features both Traditional Chinese and English text, and is primarily intended for Chinese-Americans living in the United States. What you don't understand about interest rates probably is hurting you... financially! Typical financial wisdom and advice is sometimes lacking, and at other times, altogether wrong. This book fills in important gaps about essential but little-understood financial topics you won't hear about from most financial advisors. Busting the Interest Rate Lies corrects common financial myths such as: - Purchasing a car with 0-percent dealer financing is the best way to buy a car - You always save money by paying cash for major purchases - A 15-year mortgage is more efficient than a 30-year mortgage - Earning a higher rate of interest on your investments is the key to amassing a small fortune over time Additionally, you'll discover rarely discussed facts about: - What student loan debt costs the average college graduate - What the banks don't want you to know about credit cards - Insider information on how to get the best deal on a car - Finally! An accurate comparison of buying vs. renting - Why "average" investment rates of return don't equal "actual" rates of return - And an analysis of Life Settlements-the best investment you may have never heard of! Whether you are just learning to manage your money or whether you are an experienced investor, Busting the

Is it possible that everything you have been told about building wealth is wrong? For decades, typical financial planning has sold itself on perpetuating a fundamental lie-that you can reach prosperity through its methods. But truly prosperous individuals don't follow typical financial planning. They know that most mainstream money advice is not intended to make you wealthy; it is intended to keep you from being poor. Big difference. And like any advice for the masses, it is geared toward the lowest common denominator. Busting the Financial Planning Lies strips away the myths surrounding money and charts a course toward true prosperity. This book is not for everyone-it is for those of you who sense there is a greater truth than what you hear on the typical cable TV money show or financial talk radio program. You want to zig when others zag. Among other things, this book challenges several popular money mantras: Your home is your best investment. Put as much money into your 401(k) as possible.

Series Book 4

The stock market can make you rich. Make extra payments toward your mortgage. Life insurance is something only beneficial in the event of your death. The time is now to decide whether you want to strategize for comfort or prosperity. This book will not only help you make that decision, but will reveal the atypical ways prosperity-minded people make their money work for them.
