The thinking on Human Resource Development (HRD) practices has been evidenced for the last one and a half decades. However the pace and volume of change has forced HR managers to meet complex challenges like globalization, a diverse workforce and informed expectations for training learning and development. Both organizations and employees benefit from HRD interventions because an organization's success critically depends on the levels of employee skills and motivation. The HRD Almanac looks at 4 broad focus areas of HR practices, that are Strategy centric, Organizational alignment related, Employee Empowerment focused, and the Learning Training and Development angle. The author weaves together 25 detailed chapters spanning the gamut of the HRD function. The writing is aligned on a uniform pattern providing answers to the What, consisting of Definitions and Descriptions of the theme, Why, Consisting of Concept Clarifications, Where, the role of the Human Resources department and How, an authentication of data obtained through a pilot study on HR practitioners across industry sectors. The HRD Almanac is a factual compendium of literature, concepts, organizational experiences, and perceptions on some of the most important HRD efforts and will serve as an appropriate and excellent handbook for young and potential HR functionaries.

ORGB, Third Canadian Edition, offers comprehensive coverage of contemporary organizational behavior topics in a format that is engaging and accessible for today's learners. Our flexible hybrid solution was developed based on feedback from both Canadian instructors and students, reflecting today's students' study and reading habits. The third Canadian edition includes more examples from an assortment of organizations to appeal to a wider variety of programs, including legal assistance and hospitality. The product also includes contemporary cases, examples, self-assessments, and additional activities for active learning to help make the content applied and relevant for today's on-the-go student.

Created through a student-tested, faculty-approved review process with input from hundreds of students and faculty, ORGB3 is an engaging and accessible solution that caters to the diverse lifestyles of today's learners.
