and topics for discussion based on real-life scenarios are among the tools employed to help students make the transition from textbook learning to real-world decision making. Contemporary content culled from popular press and academic research is used to provide historical background for major topics and explore how these topics remain relevant to modern management. The "OB online" feature encourages students to reach beyond the text to find organizations or other resources on the Web that expound upon the issues discussed in the chapter. End-of-section case studies, highlighting companies such as Southwest Airlines, Wheelworks, Denver Broncos, Bakers' Best, and General Mills summarize the core concept of the section and provide a clear example of the theory in practice. Studies are accompanied by a video that professors may choose to air in class.

Management has helped hundreds of thousands of students prepare for careers in business. This highly successful program takes a functional approach to the process of management, with a focus on active planning, leading, organizing, and controlling. Ricky Griffin's straightforward writing style and well-researched in-text examples have made this book uncommonly student-friendly. The Ninth Edition has been significantly revised to reflect the most recent issues that managers face, with a new and enhanced focus on the service sector, ethics, global management, and information technology. Additionally, the text integrates issues such as the balance of theory and practice and uses examples based on small companies and non-profit organizations to underscore the idea that management is not simply confined to large businesses. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Human Resource Management is designed to provide the traditional material students need to know in order to prepare them for the challenges of real-life management. It engages them in the process of actively considering the impact of effective human resource management on companies and employees. Focus is on the basic tasks and functions of human resource managers.
