The concept is simple: each number represents a letter, so, starting with the solved letters, use your logic and vocabulary to reveal more letters, form words, and then crack the code! The most difficult puzzles for top solvers contain no solved letters so you need to employ all your logical strategies to crack those. The Codeword series is so popular because you don't need any prior knowledge, unlike a crossword. You can just pick up a pen and get puzzling. It steadily increases your vocabulary, as the difficulty slowly grows as you progress through the book, and even though you'll be working your brain, it's the perfect way to unwind. The latest book in this exciting series continues the tradition of providing authoritative, challenging Cryptic Crossword, offering an enjoyable and stimulating way to while away your free time. Addictive, taxing and compelling, this book is packed with 100 high-quality puzzles chosen by the former Times Crossword Editor Richard Browne.

The Times 2 Crossword is a challenging definition-only puzzle that is very popular with puzzle-solvers who do not wish to do cryptic crosswords. The eighth selection in this increasingly popular series contains 80 crosswords to test enthusiasts and newcomers alike. The Times 2 Crossword was created in its present form in 1993. It is a definition-only puzzle (with none of the cryptic clues of The Times Crossword) -- but it does use a wide vocabulary and requires a reasonable level of general knowledge. The clues are made as full as possible to help the solver complete the puzzle. All the solutions are presented in clear grids at the back of the book. Times 2 Crossword Book 8 is ideal for home and holiday, and car and train journeys.

A super-sized challenge for crossword lovers, selected by the Times2 Crossword Editor John Grimshaw. This Crossword appears weekly in the Saturday edition of The Times. The puzzles offer the same challenge as the times2 daily crossword but the larger grid packs an extra punch! The clues are also a little more testing than the daily times2 crossword, to stretch the crossword enthusiast just a bit further, and provide hours of entertainment.
