1841?, 1853?, Should I leave, stay, or change careers altogether? One-third of life is at work, and work is absolutely designable! Reframe problems with design thinking and create a brand-new work and life blueprint to make work for you, not for your work! The author of New York's best-selling book Be Your Own Life Designer advocates that design thinking can not only change your work and your life, but even your company and culture. This latest career creative book uses a variety of novel tools to guide readers to clarify various invalid ideas.

The author of the classic and rich French gourmet encyclopedia is hailed by Penguin Publishing as the gourmet adventurer before Anthony Bourdain. The first classic French gourmet legend uses oil to deconstruct French gourmet food. Food Adventure needs someone to lead, a philosopher and a talented foodie guide, so that diners can understand the rarity of the noble dishes that await him during the journey. This is the author, Waverly Root, in this compact and rich French gastronomy book to highlight the focus.
