But although Evie has made a successful career, her desire for the stability and security she never had from her parents has meant she's never experienced the best life has to offer. But the discovery of more letters hidden in a safe-deposit box points to secrets her mother held close, and possibly a new way for Evie to think about her family, her heart and her dreams. A poignant, wry and honest look at life's most complicated relationships... Watch for To Catch a Dream, coming soon! The Wish Series Book 1: What the Heart Wants

"Sinfully delicious from start to finish! Sexy, smart, and so unique! I was completely immersed in Mia's journey." –Katy Evans, NYT Bestselling Author Synopsis Silicone, surgery, and Hollywood starlets. The land of the stars was beckoning and I answered its call. Now that I was free, well, as free as anyone could be, I decided to pursue something for me. To grab life by the horns and ride that sucker until I found my place within it. That decision brought me back home to Malibu, California, where I awaited the beginning of this next phase in my journey. The job? Create a segment surrounding Living Beautiful for celebrity doctor and daytime television guru, Dr. Hoffman. The man was known for his cunning wit, good looks, and no nonsense lifestyle. In a city that was filled with plastic Barbie dolls, and nothing you touched was real, I set out to find beauty. And in doing so, I found a lot more than that, for me, for the man I loved, and for the rest of the nation. *** In the tenth book of the Calendar Girl serial, Mia is settled in her new home in Malibu, California. Now that her debt has been paid, and the threat from her ex is gone, she no longer has to live life as an escort. Only life has thrown her some new challenges to round out her year. Each installment in the Calendar Girl Serial will release every month throughout 2015. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

Meet Mr Thursday...in Working Girl: Part 4. A sexy new serial, perfect for fans of Audrey Carlan's Calendar Girl. A sexy seven-day job interview. Seven irresistible interviewers. Who will she choose at the end of the week? Tess has been determined to get revenge for her father, ever since he was falsely accused of misusing company funds and unceremoniously let go from Diamond Enterprises. Applying to be Executive Assistant to the elusive, elderly head of the company, Mr King, seems the ideal way to get inside the firm and clear his name. But the job interview is not what she expects. Arriving at the company HQ, she is escorted to a helicopter, blindfolded and flown to a secret location. She meets a man whose voice is disguised, but introduces himself as Mr King and says the job advertisement was a ruse to find the new CEO of Diamond Enterprises. The catch, the interviewer says, is that the job will only be hers if she passes a seven-day interview. Tess will have seven mysterious men who will assist her - one for each task each day. She will have to use all of her skills if she's to succeed and to resist the powerful magnetism of the irresistible men sent to help - or distract - her. Or will Tess find herself losing her heart when she meets her man of the week? Mr Monday, Mr Tuesday, Mr Wednesday, Mr Thursday, Mr Friday, Mr Saturday, Mr Sunday. Meet all seven in Working Girl - who will be your man of the week?

"Sinfully delicious from start to finish! Sexy, smart, and so unique! I was completely immersed in Mia's journey." –Katy Evans, NYT Bestselling Author Synopsis Baseball, beer, and a hot boy. Nothing can beat that. Until I meet Mason "Mace" Murphy the next "it" pitcher for the Boston Red Sox and my client. He's immature, arrogant, sexy as sin, and the last man that's going to get into my panties. He's not used to hearing the word no from women, so I'm going to spell it out for him. N = Not going to happen. O = Out of your league buddy. I was hired to cuddle up to the annoying, beautiful athlete, and give prospective advertisers and fans a different view of this hot-shot professional baller. Only he's everything I detest in a man all wrapped into a dream package. Baseball player, talented, athletic body, sculpted face, and ass you can bounce quarters off of. Unfortunately, he also believes he's God's gift to women, a man-whore, throws money around like it grows on trees, and conceited. The challenge for him, to break down my defenses and get in there. My challenge, avoid hopping in the sack with him at all costs. *** Mia Saunders continues her mission to save her comatose father from her dangerous, loan-shark ex-boyfriend. This month, she serves as a high-priced escort to a professional baseball player named Mace Murphy in Boston, MA. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

"Be prepared for a serious book hangover as you embark on a year's worth of sexy heroes and wild rides!" –Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis A fiancée. I'm going to Chicago to pretend to be some Italian Stallion's future wife. Why a massive hunk, boxer, and rich restaurateur needs a fake bride is beyond me. Then again, I'm not paid to know

why. I'm paid \$100,000 to be his escort, or in this case, the woman he's supposedly "going" to marry. The moment I met Antony "Tony" Fasano, I thought I might have lost my ability to breathe. In my twenty four years of life, I'd not seen anything like him. Clad only in a small towel precariously dangling from his hips--water droplets streaming down every inch of his muscular frame--I knew right then and there, I'd finally seen male perfection in all its raw glory. What happened next blew me away. It was now abundantly clear why he needed me...a fake fiancée.

Not many can say they were burned by fate. I'm the exception. Scalded figuratively, emotionally, and physically... I have the scars running down my arm, ribs, and side to prove it. The doctors have done what they can to heal me by smoothing the abraded skin using other parts of my body. But they can only do so much. Sometimes, what can't be seen can't be healed. The fire that night took more than a pound of flesh. It obliterated my talent, beauty, and most importantly, seared the connection I had with the man I loved. Sure, it was me who pushed him away, but I had my reasons. I did what any woman would do in my situation. I gave up everything so that one day he'd find happiness and peace. Now I've healed a bit on the outside, and on the inside, but I still crave the one I let go. To this day he looks at me with fire in his eyes, a heat so bright in his being he glows with it. I fear the light, the flames that could consume me whole. The problem now is, he's not mine anymore. I just may have waited too long to fight for him, for us, for a future together. There's only one thing I can do. Let fate decide.

It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. ***** Audrey Carlan is an Amazon and Kobo best-selling author. When she's not raising money, sipping wine with her "soul sisters", or teaching yoga, she can be found with her nose stuck in book or her Kindle. A hot, smutty, romantic book to be exact!

The second half to this year-long journey has taken me to Magic City...Miami. I've been hired by the nation's top hip-hop artist, Anton Santiago. His name is as sexy as he is, and it rolls off the tongue the same way his muscled form rolls to his music. He goes by the name Latin Lov-ah, and boy does he work that title from his rock-hard body, Latin hip-hop fusion dance moves, to the way he beds his women. He's raw, dirty, and one hundred percent player...and I want to wrap my naked body all over him and forget about everything. Every word that comes out of his mouth is a siren's song. Every thrust of his hips draws me closer. Every breath against my neck sends me into a tailspin of need and desire. After what happened in June, I need to rip the bandage off. Move on. Anton could be just the thing I need to get my groove back. I was hired to play the part of a seductress in Anton's new music video, but, in the end, I'm the one being seduced. *** In the seventh book of the Calendar Girl serial, Mia is sent to Miami, Florida. Still on her mission to save her father, she is hired to be in a hot new music video where her unique look and recent popularity will prove invaluable. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

I feel things. Deeply. More so than most people. Call it an empathic ability, call it whatever you want. It doesn't change the fact that I am unable to love...at least not again. When you've had everything and lost it, there is no do-over. You can't repair a shattered heart. Instead of the pursuit of Mr. Right, I'm forever enjoying Mr. Right Now. It's worked for me the last four years and will continue for the rest of my days. Then I met him. Collier Stone. My sexy Englishman. He is everything I didn't need, but can't deny wanting. His body, his sheer essence calls to that deep place inside me. Doesn't matter though. Regardless of how delicious his accent or how intense the chemistry that sizzles between the sheets, the simple fact remains. I will never give him, or any man, what they need from me. My name is London Kelley and I will never fall in love.

From the No.1 bestselling author of the beloved Calendar Girl books comes the first in a witty, wise and emotionally compelling new series, where coming home is just the beginning... 'Fly free.' For ten years those words, written on pink parchment paper in her mother's beautiful handwriting, have been Suda Kaye Ross's guiding star. Every year on her birthday, Suda Kaye opens another of the letters her mother penned before she passed, heeding the advice inside as she fills her life with experiences. From Italy to Australia, from Rio to Russia, she's slaked her wanderlust. And then, on her twenty-eighth birthday, she opens the letter that sends her home. Returning to Colorado means

confronting everything - and everyone - she left behind, including her cherished sister, Evie, and her first love, Camden Bryant. Suda Kaye and Cam spent four years and one unforgettable night together. Given the way she ran out on him, it's no surprise that he's wary, resentful...and engaged to someone else. Evie, hardworking and überresponsible, just wants her sister to put down roots at last. For Evie's sake, and her own, Suda Kaye is trying to build a new life, all the while wondering whether it's too late to come back home - or if the most important part of her never really left.

The Trinity Series is filled to the brim with action, suspense, romance, grief, sacrifice, and love all rolled into one adventure that will stay with you long after reading. Romance and sisterhood play heavily for four women who have become family by choice. The first three novels *Body*, *Mind*, and *Soul*, are suspenseful, erotic tales focused on billionaire Chase Davis and his fiery company fundraiser Gillian Callahan. The relationship between the two is rife with past demons coming to the forefront, causing life or death situations neither of them expected. Books four and five, *Life and Fate*, focus on two soul sisters who haven't yet found their happily ever after and round out the series.

Trinity Series Autrice della serie bestseller Calendar girl N°1 nelle classifiche italiane Gli uomini rovinano le donne. Specialmente gli uomini come Chase Davis: bello, intelligente, ricco e potente. Non ho mai avuto speranze di sfuggirgli. Non volevo desiderarlo. Non volevo avere bisogno di lui. Non volevo innamorarmi. Ma lui non avrebbe mai accettato un no come risposta e io gli ho permesso di consumarmi. Un po' alla volta, con i suoi modi arroganti, presuntuosi, e con quella sua ossessione per il controllo. Quando è entrato nella mia vita mi ero appena ripresa da una relazione sbagliata che mi aveva distrutta. Per questo mi sono decisa a dargli fiducia, per non chiudermi in me stessa. Ma nel momento esatto in cui l'ho lasciato entrare, mi ha circondata con una luce così brillante da accecarmi. Così che non vedessi la verità: gli uomini non rovinano le donne. Le divorano. La nuova serie scandalosa numero 1 del New York Times Un'autrice da 4 milioni di copie «Perfetto per chiunque cerchi una storia d'amore dolce e feroce.» «Una storia appassionante, ricca di sensualità e suspense con colpi di scena che non ti permettono di staccartene più.» «Bentornata Audrey Carlan, ci sei mancata moltissimo!» Audrey Carlan È un'autrice di bestseller internazionali, al primo posto nella classifica del «New York Times». That's my kind of story." –A Book Lovers Emporium Book Blog "Sacred Serenity definitely is a gorgeous love story filled with passion, angst, and wicked wild sex." –AC Book Blog Synopsis Twenty-two-year-old Amber St. James's focus is on her education. Her plan is clear—finish the elite San Francisco/Berkeley Medical School program early and become a pediatrician. She hasn't given much thought to dating or to men in general, until she enrolls in the required human sexuality course...a subject foreign to her for religious and personal reasons. Tantric yoga practitioner Dash Alexander is Lotus House Yoga's most sought after sensual teacher. Women flock to him for his unique teaching style, calm nature, and wicked hot body. When he hears of Amber's plight, he offers to help. The condition? Amber must assist in his couples' Tantra yoga class as his partner. The sizzling attraction between the two of them is beyond anything Dash has ever experienced...spiritually or otherwise. Through his teachings, Dash makes love to Amber's mind and merges with her soul. Physically there's only one problem, a secret that's sacred. Amber St. James is a virgin...by choice.

I was a dead woman. I'd finally had a glimpse of true love, admiration, and the kind of devotion only your soulmate, your other half, could provide...until it was physically ripped away. Taken. My stalker had me, and there was little hope I'd be found. I knew Chase would use all his money and resources to search the ends of the Earth for me, but I knew the monster I was dealing with. Years of looking into the eyes of pure evil gave me the unique experience to know that my situation was dire. If Chase didn't find me soon, I'd be gone forever. *** In the third and final novel in the erotic suspense, Trinity Trilogy, SOUL connects with the reader by providing the story through the eyes of Gillian, Chase, and the man that wants to own her soul but can't for she's already given it to another. Everyone is on the hunt to save Gillian from the arms of a killer. This book can be considered dark, erotic, and thrilling. As in Body (Trinity Trilogy Book 1) the issue of domestic violence plays heavily in the storyline, and Gillian experiences many disturbing flashbacks of the past alongside tragedy the stalker brings to the present. There is also a lot of love, devotion, and friendship. As with all my books, the characters will ultimately have their happily ever after. Warning: This book is designed for audiences 18+ due to language, graphic sexual content, and themes that some may find disturbing. SOUL is book 3 of a three-part trilogy. Body (Trinity Trilogy - Book 1) and Mind (Trinity Trilogy - Book 2) must be read prior to reading SOUL.
