Many of the devices and techniques used by Cannonball Adderley are covered in this text. In addition to the theory chapters, many melodic lines and phrases in the style of Cannonball Adderley are presented. All the lines have been transposed into one key and grouped by the harmonic background they can be played against. The accompanying play-along CD enables students to first practice the material in one key, and then master each line in all twelve keys, working around the circle of fourths. Also available in Japanese from ATN, Inc.

The free jazz revolution that began in the 1950s has had a profound influence on both jazz & rock music. Widely misunderstood & even reviled by critics, free jazz represented an artistic & sociopolitical response to the economic, racial, & musical climate of America.

Life's not easy when your mum's nuts, your uncle is becoming your aunt, and one of your crushes could -- and probably would -- break your face if he found out how you felt about him. That's Tab's life, though, malevolent gods and all. His text-flirting with Demi, the brother of his best friend, is going nowhere: Demi already has a boyfriend and anyway, who dates their best friend's twin? But then, the pining after Nick is going nowhere either, because Nick probably likes gay-bashing on Friday nights for fun. He's gorgeous, but he's dangerous, and Tab knows better than that. So what's a bit of harmless flirting, when one is taken and the other is straight? It's just a bit of fun. That is until Demi is suddenly single, and Nick is not looking as straight and scary as he was before.

I don't know how many forwards start out as a letter, but I figured it would be the best way to get your attention. I'm sure many of the books you've read and have added to your collection on Philadelphia history and local greats have had excellent insight to the workings of our fair city. But every story has a side story that often has as much or more importance to the outcome of that story... Many heroes never get their 15 minutes of fame and are forgotten in the shadows of the decades. My father has had many adventures that are not in this book, and that still need to be heard. My dad has a way of giving you just enough information and just enough humor that when he finally finishes his shorts, you just yearn for more. Maybe one day he will enlighten us with all the rest of his experiences that have made him a great man and made me want for such greatness.

The ukulele has had a place in American acoustic music for decades; recently, however, interest in the instrument has surged. Historically overlooked by traditional bluegrass groups, the ukulele - an indispensable component of many newgrass bands - is becoming increasingly featured in bluegrass-at-large, often performing the roles traditionally associated with the mandolin. *Ukulele Bluegrass Solos* will teach you how to use the uke in any bluegrass setting. It demonstrates a variety of roles for the uke, presenting various concepts in the context of the repertoire associated with the genre.

This fun and easy mandolin book and CD takes you from the very beginning. Learning right and left-hand techniques, learning your first chords, 18 great songs AND you painlessly learn them by reading notes. Anyone can do it. Steve's method and approach to learning to read notes is so simple that 4 year olds have done it. You will start with 4 simple notes. Steve then teaches songs using just those four notes. He systematically adds a few more notes at a time bundled with easy to understand instructions and songs so that in a short time you will know all the notes, chords, strumming patterns to play hundreds of songs. This is a perfect primer for many of Steve's best sellers and other author's books. Audio CD included.

The BBC's Jazz Book of the Year for 2008. Few jazz musicians have had the lasting influence or attracted as much scholarly study as John Coltrane. Yet, despite dozens of books, hundreds of articles, and his own recorded legacy, the "facts" about Coltrane's

life and work have never been definitely established. Well-known Coltrane biographer and jazz educator Lewis Porter has assembled an international team of scholars to write *The John Coltrane Reference*, an indispensable guide to the life and music of John Coltrane. *The John Coltrane Reference* features a day-by-day chronology, which extends from 1926-1967, detailing Coltrane's early years and every live performance given by Coltrane as either a sideman or leader, and a discography offering full session information from the first year of recordings, 1946, to the last, 1967. The appendices list every film and television appearance, as well as every recorded interview. Richly illustrated with over 250 album covers and photos from the collection of Yasuhiro Fujioka, *The John Coltrane Reference* will find a place in every major library supporting a jazz studies program, as well as John Coltrane enthusiasts.
