Every night, an often unseen buzz of activity takes place all around the globe. This gorgeous collection of photographs takes the reader on a magical journey from dusk to dawn. To create this gorgeous new book, acclaimed photographer Art Wolfe traveled to every continent to explore and document the nighttime world of animals, humans, and nature. From a blazing sunset over Antarctic ice to Tokyo's nighttime street racers to coffee with Brazilian cowboys as the dawn breaks, this book is an unparalleled feast for the eyes, and a never-before-collected glimpse into a world that comes to life as most of us are sleeping. Highlights include: - Africa: Hustle and bustle in Morocco's nighttime markets. - Asia: Balinese fire dancers. - The Americas: Bison in an icy sunrise. - Europe: Volcanic eruptions in Iceland. - Antarctica: Colonies of penguins awaking to the dawn. - Oceania: Star trails over the Australian Outback.

New York's glacier-carved landscape features an incredible array of beautiful waterfalls. This full-color guide takes hikers to 122 of the finest publicly accessible waterfalls across the state, offering detailed descriptions of each hike, with maps and information on distance, difficulty, elevation change, best time of year to visit, and highlights along the way. Photographers will find tips on composition, exposures, unique perspectives, lighting, and gear. Scott E. Brown is an outdoor photographer who lives in Horsham, Pennsylvania. He is the author of Pennsylvania Waterfalls (978-0-8117-3184-3) and Pennsylvania Mountain Vistas (978-0-8117-3439-4).

A weekly review of politics, literature, theology, and art.

Faith, since the earliest Christian theologians, has been regarded as the fundamental Christian virtue--the prerequisite for hope, charity, and good works. In this book, Avery Dulles examines the biblical foundations and history of theological reflection on faith, from the Greek and Latin fathers to such modern giants as Tillich, Rahner, and Lonergan. Further, Dulles presents his own systematic synthesis, reflecting on such topics as the nature and object of faith; the certitude of faith; the birth, growth, and loss of faith; and faith and salvation. The result is a refreshingly relevant theology of faith for our day.

For years, editorial and commercial photographer Zack Arias has been a respected and trusted voice in the photography industry. Known for his photography, his teaching, and his ability to connect with photographers, Zack has long had an "open door" approach to discussing his career--the ups and the downs--and in so doing has provided a straightforward and candid look inside the industry. By consistently showing great work and offering helpful advice, he has built a large, loyal readership that looks to him for guidance in navigating the currents of a difficult and dynamic industry. Now, Zack finds yet another way to cut through the noise and offer truly valuable information to those struggling to make their way through the twists and turns of an ever-changing landscape. In Photography Q&A, Zack answers over 100 questions that he fielded directly from the public. These are questions that range across all aspects of the photo industry: gear, marketing, street photography, vision, pricing, branding, light, models, work/life balance, technical advice, and much more. From how to "put yourself out there" and start to get jobs, to how to get paid for those jobs when the client is slow to cut the check--and everything in between-- Photography Q&A answers many of the pressing questions that photographers are asking, but until now have not been addressed. The book also includes intermittent "Visual Intermission" sections--where Zack discusses individual images that were milestones in his development as a photographer--as well as worksheets on topics such as pricing and costs that help photographers to "know their numbers." With all this material, and with insightful, honest answers that come straight from Zack's experience as a photographer who has seen it all (or at least a lot of it), Photography Q&A is an essential resource for any photographer looking for the real answers to the real questions in the industry today.
